KLS GOGTE INSTITUTE OF TECHNOLOGY

Belagavi, Karnataka

FROM THE PRINCIPAL'S DESK

Dear Sir/Madam,

It gives me great pleasure to present before you all our latest bi-monthly institute newsletter eSpectra for Nov-Dec. 2022. It is our 3rd volume and 6th issue for the year 2022.

As is the tradition of KLS GIT, many events, seminars, workshops, industry visits, collaborative projects, sports and other extra curricular activities took place in our campus. Many recognitions and appreciations were received from national level organisations.

Prominent among these achievements are award of NAAC A* grade to GIT by the National Accreditation and Assessment Council (NAAC), all India ranking of 146th and 131st to the department of MBA by Business Today and Week magazines, study visits to Shibuara University, Japan by our students, ASME accolade to our staff, ETC.

Alumni of any institute of school are the testimony to the teaching learning processes. Our alumni have received national and international level recognitions over the years. Two such achievements are showcased in this issue. Promotion of art, culture and music has been our tradition. We organised Siri Kannada Sambhrama program as a part of Karnataka Rajyotsava. Annual Staff Day was organised with active participation by various faculty members showcasing their various skillsets and were suitably rewarded. All these information along with many other achievements have been highlighted in the present issue of eSpectra. We continue our efforts to reach higher goals.

With regards,

Dr J. K. Kittur
Principal, KLS GIT , Belagavi.

Academic Excellence

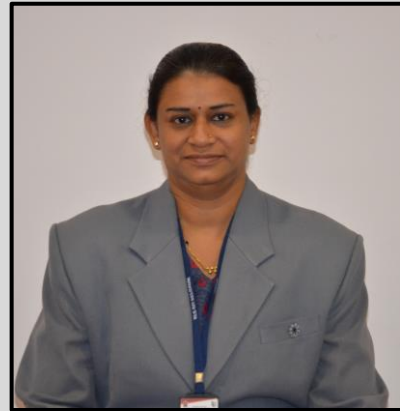

Ms Nupur Veshne is qualified for the award of the Degree of Doctor of Philosophy in Faculty of Management on the topic **"Impact of Communication Climate on Employee Engagement - A Case Study of Private Sector Banks in North Karnataka"** w.e.f 3 December 2022 by Visveswaraya Technological University, Belagavi. Provisional Degree Certificate is issued by the University on 6 December 2022.

Dr Nitendra Palankar had been invited as a Session Chair in the International Conference on Civil Engineering Trends and Challenges for Sustainability (CTCS-2022) on 23 December 2022, organised by the Department of Civil Engineering, NMAM Institute of Technology, Nitte., Karkala.

Dr Ameet Chate is nominated as a Reviewer for Journal of Retailing and Consumer Services published by Elsevier Publishers in November 2023.

Prof. Uma Hullur has completed pre PhD talk in the month of December 2022 at JNTU, Anantpur.

Prof. Shashank Bangi has presented a paper in International conference on Integrated Water Resources Management: Prospects and Challenges, paper titled **"Estimation Of Evapotranspiration And Sensitivity Analysis Of Energy Balance Parameters Over Ghataprabha River Basin"** organised by Karunya Institute Technology and Sciences, Coimbatore between 08 December 2022 - 10 December 2022.

Dr Ameet Chate is awarded 3rd place for Best Paper on **"Tsunami of digital creators and need for intellectual property"** at the National Conference titled on **"The Business Eco Systems: Disruptions and Way forward"** organised by KLS, GIT Department of MBA held from 14 - 15 October 2022.

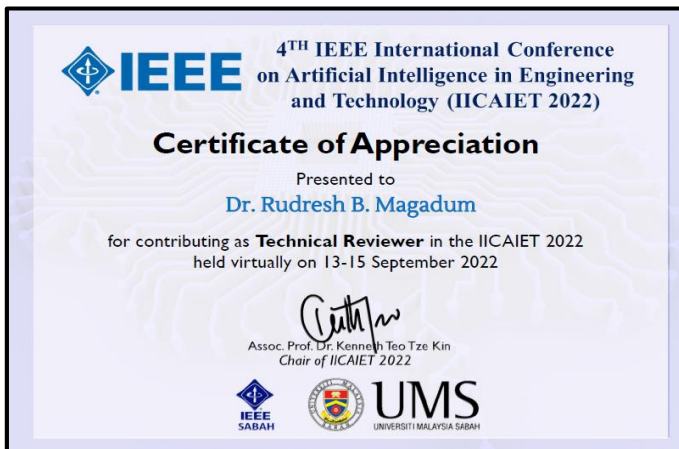

Dr Rudresh B. Magadam published Indian patent on "AI IoT Based Indoor Positioning System Enabled Vehicle for Warehouse and Industrial Applications using Raspberry PI" application ID 202241068042.

Dr Rudresh B. Magadam was the session chair at the 4th International Conference on Communication and Intelligent Systems (ICSSIS-2022) organised by National Institute of Technology, Delhi.

Dr Rudresh B. Magadam was the session chair at the IEEE North Karnataka Subsection Flagship International Conference NKCon-2022 organised by BLDEA's V. P. Dr P. G. Halakatti College of Engineering and Technology, Vijayapura.

Dr Rudresh B. Magadam was the Reviewer for IEEE IICAET-2022, ICMNWC-2022 and ICDSIS-2022.

Awards and Recognitions

KLS Gogte Institute of Technology, Belagavi received NAAC A+ rating for the second cycle

Karnatak Law Society's Gogte Institute of Technology, Belagavi, was recently conferred with Accreditation "**A+ Grade**" by the **National Accreditation and Assessment Council (NAAC)**. KLS GIT has received A+ grading consecutively for the second time for a period of 5 years.

Three Members of NAAC Peer Team visited the Institute on 2nd, 3rd and 4th of August 2022. The grade has been given on the team's comprehensive assessment on the parameters such as Teaching Learning, Research, Industry-Institute Interface, Societal Concerned Activities, Alumni Performance, Transparency & Efficiency in the Governance, Overall Academic Excellence, as well as the Quality Students and Teachers.

KLS GIT is one of the Top Autonomous Institutes in the State with an excellent track record for the Placements with more than 800+ offers for the 2023 batch of present final year students from top notch organisations and is offering the minor courses, industry internship, application based Learning, professional certifications for all the students and extra-curricular activities.

The Chairman and Members of KLS congratulated the entire Staff and Students of the College for this great achievement.

Awards and Recognitions

Alumni from KLS Gogte Institute of Technology received award from the DRDO

Alumni **Mr Akshay Yadur** (2020 batch) and **Mr Ayush Sharma** (2019 batch), Electronics & Communication Engineering Department, KLS Gogte Institute of Technology, Belagavi, contested in “**Dare to Dream 3.0**” organised by the Defence Research and Development Organisation (DRDO). Their project named “**Kavach-120**”, a Haptic Based Communication and Navigation System, uses innovative haptic feedback and wireless communication technology built for communication and navigation in harsh environments with fewer visibility conditions like: smoke, fire, fog, dark and dense vegetation where it is difficult to visually see hand signal gestures.

The Award Function was held on 20 October 2022, Gandhinagar, Gujrat and the awards were given by **Shri Rajnath Singh**, Defense Minister of India, in the presence of Shri Narendra Modi, Honorable Prime Minister of India.

KLS Management and the Principal KLS GIT, Dr J. K. Kittur congratulated Mr Akshay Yadur and Mr Ayush Sharma for their achievement.

Alumni Er Jayant Humbarwadi listed one among the Small Town Tycoon by India Today

It is an absolute honour for KLS Gogte Institute of Technology to have one of its alumnus **Er Jayant Humbarawadi** recognised as one among the small town tycoons by the reputed magazine **India Today**.

Er Jayant Humbarawadi, an alumnus of the 1995 batch is the Joint Managing Director, Ashok Iron Group, Belagavi.

The Team GII congratulates Er Jayant Humbarwadi for his outstanding achievement.

Alumnus Mr Parag Naik wins a the World Marketing Congress

KLS Gogte Institute of Technology is happy to inform that one of our alumnus from the 1992 batch from Computer Science and Engineering Department, **Mr Parag Naik**, Founder & CEO - Sankhya Labs, has been recognised and awarded as a **"Leading CEO with Marketing Orientation"** at the 2022 World Marketing Congress.

Mr Parag Naik has 28 years of experience in Telecom, CE Semiconductors, embedded firmware and Signal processing with 20 years of experience in high technology start-ups. He has founded 3 startups, Smart Yantra acquired by Genesis Microchip), Vayavya Labs and Saankhya Labs and has 35+ international patents to his credit.

Awards and Recognitions

KLS GIT Excelled in VTU Belagavi Women's Badminton and Men's Table Tennis Tournament

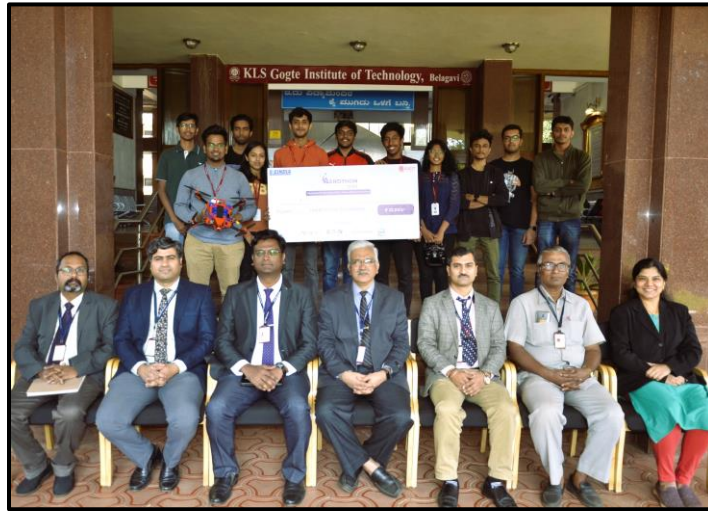

KLS GIT's Shuttle Badminton Women's Team won Winners Trophy in the VTU Belagavi Zone Badminton Tournament held at KLE's Dr. M. S. Sheshagiri College of IT, Belagavi from 4 November to 5 November 2022.

KLS GIT's Men's Table Tennis Team won the VTU Belagavi Division Intercollegiate Table Tennis Tournament held at KLS GIT from 3 November 2022 to 4 November 2022.

Awards and Recognitions

Team Vayuputras among the Top 6 in the Country for Design and Development of Autonomous UAV

Team Vayuputras, Student Club of the Department of Aeronautical Engineering, KLS Gogte Institute of Technology, Belagavi, participated and secured a place in the Top 6 teams in the country for the Design and Development of Autonomous Payload Delivery UAV, organised by the **Society of Automotive Engineers (SAE) Aerothon 2022**. The team mentored by Prof. Adarsh Krishnamurthy of Aeronautical Department was led by Tejas Takkekar; Designed and Developed an Unmanned Aerial Vehicle that is capable of payload delivery in both manual and autonomous mode. The finals were concluded recently at SJGIT, Chikballapur, Bengaluru on 19 November 2022, and the team Vayuputras were awarded a cash prize of Rs. 25,000/- under the best presentation category. The team was qualified for finals in July 2022 and was one among the top 20 among 72 teams from across the country. The inter-disciplinary core team consisted of **Rohit Raghavan, Jeetendrakumar Garag, Shrinivas Patil, Ashish Khot, Devashish Gojagekar, Prathamesh Raikar, Kartik Nanneboina, Manali Patil** and **Apurva Neginhal**. The team was assisted by **Sultan, Jeet Thakkar, Omkar Bilawar** and **Aishwarya Javalkar**.

Congratulating the team Dr Jayant Kittur, Principal, KLS GIT, said that the innovation in Aerospace and Defence sector is need of the hour and wished the team a bright future in the UAV industry. During the interaction Prof. Adarsh Krishnamurthy highlighted the support from the management of KLS GIT in such national level competitions, that not only helps the students to experience the current industry trends, but also an opportunity to interact with Industry leaders in UAV sector. HoD of Aeronautical Department along with the HoDs of other departments applauded the achievement of their students in the competition.

Awards and Recognitions

Anudeep Kulkarni wins Bronze Medal in the Control Line Flying Event (AIVSC 2022)

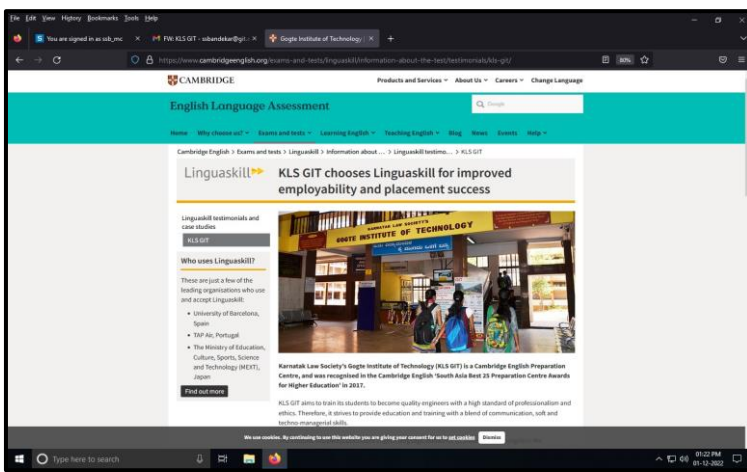

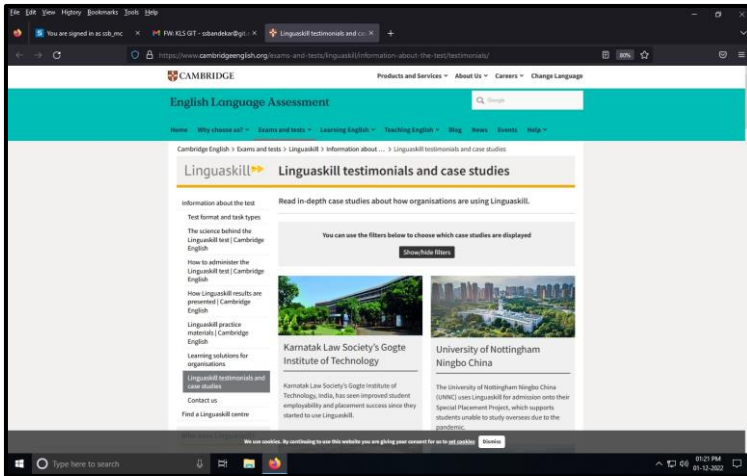

KLS Gogte Institute of Technology, Belagavi appreciated the achievements of Cadet Senior Under Officer **Anudeep Kulkarni** of 8 Karnataka Air Squadron, Belagavi., who is studying in the 7th semester, Aeronautical Engineering Department.

He has represented Karnataka and Goa Directorate in the All India Vayu Sanik Camp (National Level) 2022 recently held at Jodhpur, Rajasthan, and has won a Bronze Medal in the Control Line Flying Event. (AIVSC 2022).

He has secured a Gold medal in the Control Line Flying event in the Vayu Sanik Camp I and II, completed Air Force Attachment Camp 2022 held at Air Force Station, Bidar, and has also been a part of Ek Bharat Shrestha Bharat (EBSB) Camp 2022.

KLS GIT's Management, the Principal Dr J. K. Kittur and NSS coordinator Mr V. V. Rajput congratulated the cadet for his accolades

KLS Gogte Institute of Technology on <https://www.cambridgeenglish.org>

Linguaskill

KLS GIT chooses Linguaskill for improved employability and placement success

"It was a worthwhile experience moving from BEC to Linguaskill. Linguaskill has made our students exhibit better communication skills with more confidence at the time of placement. The AI-based software evaluates English language proficiency as per the CEFR levels, without any human intervention, which has made administering the exams even easier. Also, students can take the exam at their convenience."

Dr H S Patel,
Dean Academics,
KLS Gogte Institute of Technology

The journey from BEC to Linguaskill

Karnatak Law Society's Gogte Institute of Technology (KLS GIT) is a Cambridge English Preparation Centre, and was recognised in the Cambridge English 'South Asia Best 25 Preparation Centre Awards for Higher Education' in 2017. KLS GIT aims to train its students to become quality engineers with a high standard of professionalism and ethics. There, it strives to provide education and training with a blend of communication, soft and techno-managerial skills. The Institute has always prioritised English language studies for its students, and recognises the importance of English in the global scenario.

To increase students' English language proficiency, it has made Communicative English a mandatory course for first-year Engineering students, and the Cambridge Business English Certificate (BEC, Level B1) a compulsory course for those on the MBA programme. From 2016 to 2019, Engineering students took BEC at Preliminary level (Level B1) as a part of mandatory language proficiency certification, within the syllabus.

In 2020, KLS GIT switched from BEC to Linguaskill Business, an online test powered by artificial intelligence. Linguaskill tests students' English level in all four language skills – reading, listening, writing and speaking – in modules. The test is very easy to administer and accurate results are provided within 48

hours. Moreover, results are aligned to the Common European Framework of Reference (CEFR), the international standard for describing language ability.

Improved employability and placement success

Ms Sheetal Bandekar, Assistant Professor and Coordinator Cambridge English Exams, KLS GIT, says: 'The introduction of Cambridge certificates at KLS GIT has always helped improve the employability skills of our students. In the aftermath of the Covid-19 pandemic we brought in Linguaskill at KLS GIT. In the academic year 2019-2020, KLS GIT witnessed over 580 campus placement offers to students from all engineering branches of both the undergraduate and postgraduate streams, and placement numbers are still soaring.'

A global future for KLS GIT students

Looking ahead, KLS GIT will continue to promote the importance of English language proficiency to its students. As well as Linguaskill, it also plans to offer training and exams in a variety of Cambridge English certificates, giving students more options to choose from.

About

Karnatak Law Society's Gogte Institute of Technology (KLS GIT) in Belagavi, Karnataka State, India offers seven undergraduate and nine postgraduate programmes including an MBA and MCA. Home to over 4,500 students and approximately 270 highly qualified and motivated staff, KLS GIT is a permanent affiliate and an autonomous institution under Visvesvaraya Technological University, Belagavi. It is accredited by the National Assessment and Accreditation Council, with most of its programmes also accredited by the National Board of Accreditation.

git.edu

About Linguaskill

Linguaskill is a quick and convenient online test to help higher education institutions and employers check the English levels of individuals and groups of candidates. Supported by artificial intelligence technology, it provides fast, accurate results and clear individual and group reports. Results are aligned to the Common European Framework of Reference (CEFR), the international standard for describing language ability.

cambridgeenglish.org/linguaskill

KLS Gogte Institute of Technology has been a **"Preparation Centre"** for Cambridge English Language Assessment from the year 2017 where students from all engineering streams and MBA stream have been provided the platform for preparing and giving the internationally recognised English Language Proficiency Test by Cambridge English Language Assessment which is part of Cambridge University. The Journey of KLS GIT from BEC (Business English Certificate) to Linguaskill as a case study is published on the below website since 30 November 2022:

KLS GIT Football Team Wins Football Tournament

KLS GIT's Football Team won the VTU Belagavi Division Football Tournament 2022. The KLS Management, the Principal, Sports Department and all staff of KLS GIT congratulated the team for their achievement.

Awards and Recognitions

KLS GIT students visiting the Shibuara Institute of Technology, Japan

Two students of KLS Gogte Institute of Technology, Belagavi: **Ms Sneha Patil**, Computer Science and Engineering Department and **Ms Ashrusha Sayannavar**, Mechanical Engineering Department travelled to Shibuara Institute of Technology, Japan from 13 December 2022 to 24 December 2022 to participate in Cross-Cultural Engineering Project (CEP), an international and interdisciplinary project team exercise.

The CEP is an exercise based on Global Project Based Learning and is conducted in three regions around the world. In Japan, CEP@SIT is conducted as an industry-university-community cooperative project with graduate students.

Awards and Recognitions

ASSOCHAM presented KLS Gogte Institute of Technology with a Certificate of Appreciation at the EduTech 100 Summit

On 14 December 2022, **ASSOCHAM**, New Delhi, convened the **EduTech 100 Summit** to commemorate and acknowledge 100 Higher Education Institutions that have advanced their use of technology.

ASSOCHAM presented KLS Gogte Institute of Technology with a Certificate of Appreciation at the EduTech 100 Summit, which was held at the Hotel Lalit in New Delhi, for a report on digital transformation that the institution submitted. The report was reviewed and chosen by an expert jury after being screened by the panel.

Education experts, Chancellors, Vice-Chancellors, Principals, Deans, Directors, and Promoters from reputable public and private institutions, start-ups in the field of education technology, and stakeholders from all across the nation attended the summit.

The summit's chief guest was **Smt Tamilisai Soundararajan**, the governor of Telangana. At the event, **Dr Arunkumar**, Dean Academics Development, KLS GIT received this honour.

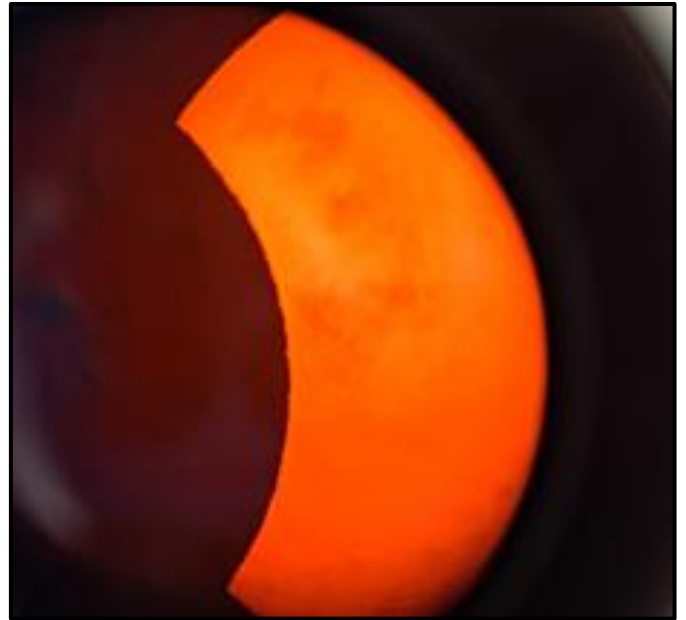

Course on “Aircraft Systems, Testing, and Manufacturing Processes”

The Aeronautical Department of KLS Gogte Institute of Technology, in collaboration with HAL Management Academy (HMA) had organised a Fifteen-Day fully sponsored professional elective course on “**Aircraft Systems, Testing, and Manufacturing Processes**” from 5 September 2022 to 17 September 2022 at HMA Campus, Bengaluru. This programme was inaugurated by **Shri Pradeep Sawkar**, Chairman, Karnataka Law Society.

Shri Pradeep Sawkar said: “**The collaboration between KLS GIT and HMA has been turning out to be fruitful in terms of providing industry ready Aeronautical Engineers.**”

Solar Eclipse Observation

KLS Gogte Institute of Technology's The Astronomy Club's executive members observed the Solar eclipse on 25 October 2022 during the sunset.

The event was coordinated by faculty coordinator **Dr C. V. Kotabage**. **Dr M. K. Rendale**, HoD, Department of Physics was also present during the event.

Team from B+M Surface Systems GmbH Germany visited KLS GIT

Team from **B+M Surface Systems GmbH Germany**, visited KLS Gogte Institute of Technology Belagavi on Thursday, 10 November 2022. The various avenues of collaboration between B+M and KLS GIT were discussed by Governing Council Chairman Shri Rajendra Belgaumkar, Principal Dr J. K. Kittur and the Placement Cell Members. B+M plans to expand its India operations soon by establishing a branch office in Belagavi.

The association with B+M company would open up many opportunities for students, faculty as well as alumni of KLS GIT on research projects, internships and job opportunities in the days to come.

B+M Surface Systems is a leading supplier of fully automated painting plants and paint application systems for surfaces with very high quality standards to the global OEMs. They are focused in special surface quality, coating thickness and the development of specific dosing and application processes.

To meet these high quality standards, B+M develops and produces key components like painting robots, paint supplies, dosing systems, atomisers and colour change systems hardware as well as software for plant controls in-house

Mr Shashidhar Jakkali, Founder and CEO of Impactive Technologies visited KLS GIT

Mr Shashidhar Jakkali, Founder and CEO of Impactive Technologies, Pittsburg PA United States visited KLS Gogte Institute of Technology Belagavi on 12 November 2022.

In his interaction with the GIT Governing Council Chairman Shri Rajendra Belgaumkar, Principal Dr J. K. Kittur, HoDs of various departments and the Placement Team members he expressed interest in exploring the multitude of possibilities that the students and faculty of GIT can benefit from.

Mr Jakkali is a serial entrepreneur and has incubated close to 100 companies so far. He plans of listing a few companies of Indian origin on the NASDAQ very soon. He is currently working with the universities in the USA to build sustainable innovative technology solutions in various niche sectors. He was very impressed by the progress GIT has made over the years and identifies the college as one of the few which are making noteworthy contribution in technology training and development of talented engineers who can make a world of difference.

Session on “Causes and Preventive Measures to Curb Diabetes” by Dr Neeta Deshpande

On the occasion of World Diabetes day on 14 November 2022, KLS Gogte Institute of Technology, Department of MBA organised an Interactive session with **Dr Neeta Deshpande**, renowned Diabetologist and Bariatric Physician on the topic “**Causes and Preventive measures to curb diabetes**”. On this occasion, a free blood pressure and sugar checkup camp was organised under the governance of Dr Mahesh Sattigeri.

Speaking on the occasion Dr Neeta Deshpande said that the Type 1 diabetes can start at any age. But it often starts during childhood or teen years. Type 2 diabetes, the more common type, can develop at any age. Type 2 diabetes is more common in people older than 40 years, she added that the primary reason for the occurrence of type two diabetes is a lifestyle disorder. On this occasion, she also said that one is more likely to develop type 2 diabetes if one is not physically active and are overweight or have obesity. Extra weight sometimes causes insulin resistance and is common in people with type 2 diabetes. The location of body fat also makes a difference. Extra belly fat is linked to insulin resistance, type 2 diabetes, and heart and blood vessel disease. She urged the audience to eat healthy, exercise and be alert about the signals that the body indicates.

The Principal, Dr Jayant Kittur said that part of a treatment plan for diabetes will involve learning about diabetes, how to manage it, and how to prevent complications. One's doctor, diabetes educator, or other health care professional will help one learn what one needs to know, so one should be able to manage one's diabetes as effectively as possible.

Session on “THE IDEA SEED – Making the world a better place” by Mrs Nita Ajith

A session on “**THE IDEA SEED - Making the world a better place**” was organised by the Department of Information Science and Engineering, in association with, the Institution's Innovation Council (IIC), KLS, GIT, Belagavi from 28 November 2022 to 30 November 2022.

The resource person for the session was **Mrs Nita Ajith** , Technical Lead, Cloud Integration Services United Techno, Chennai.

Siri Kannada Sambrama at KLS Gogte Institute of Technology

The Kannada Balaga team of KLS Gogte Institute of Technology organised **Siri Kannada Sambrama** on 28 November 2022 at Silver Jubilee Auditorium. Famous scholar, comedian, and write **Prof. Krishne Gowda** presided over the function as Chief Guest. Prof, Krishne Gowda's speech and interaction was stupendous and had the audience hooked throughout the programme.

About Prof. Krishne Gowda

A Nationally and Internationally renowned humourist, eminent Kannada scholar, conscientious academician, Prof. Krishne Gowda has been a household name among Kannadigas all over. TV viewers are well aware of his eloquence in Harate programme in Udaya TV. A gold medalist in Kannada MA from University of Mysore, he recently retired as Principal of St Philomena's College Mysuru, after 34 years of service. He is also known to the public as a film and tele-serial actor, theatre artist, lyricist for Kannada movies and columnist. The collection of his articles as **Jalada Kannu** has been published in three volumes.

CII Members Meet at KLS Gogte Institute of Technology

CII Belgaum organised a Members Meet with State Leadership - **Mr Arjun M. Ranga**, Chairman, CII Karnataka State Council and **Mr Vijaykrishnan Venkatesan** Vice Chairman, CII Karnataka State Council at KLS Gogte Institute of Technology, Belagavi.

The meeting focussed on interactions with state leadership and Belagavi district council members on the membership engagements, priorities for the state and benefits and value proposition offered by CII for its membership.

The District leadership - **Mr Anish Metrani**, Chairman, CII Belagavi District Council and **Mr Vinayak Lokur**, Vice Chairman, CII Belagavi District Council along with other members put forward suggestions to enhance the growth of CII and industries as a whole in tier 2 and tier 3 cities. The meeting had the presence of around 30 industry leaders, institutional members and special invitees with state and district leaderships of CII.

KLS Gogte Institute of Technology, Belagavi an institutional member of CII hosted this members' meet on 30 November 2022.

Weapon and Aeromodel Exhibition at KLS GIT

On 2 December 2022 **"Weapon and Aeromodel Exhibition"** was organised by the Shaurya Club on the premises of KLS Gogte Institute Of Technology, Belagavi.

Weapons exhibited:

1. 22 Mark IV
2. 12 Bore DBBL
3. Self Loading Rifles (SLR)

Aeromodels:

1. Radio Control (RC)
2. Static model(scale model- DASSAULT RAFALE)
3. Control line model

The Weapons and Aero models were exhibited by the staff of 8 KAR AIR SQN NCC, Belagavi. The members of Shaurya Club KLS GIT and the staff of 8 KAR AIR SQN NCC, elaborated on the specifications and relevance of the Weapons and Aero models.

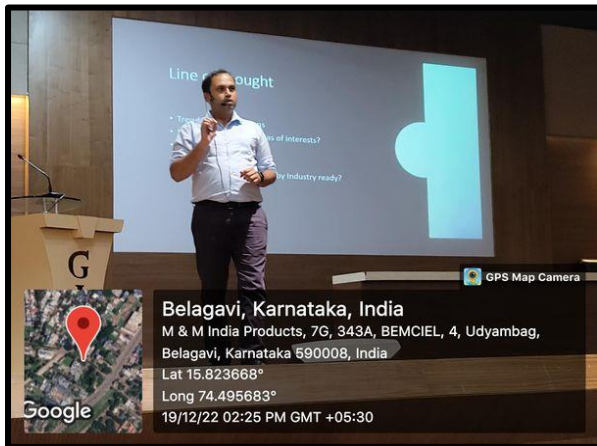

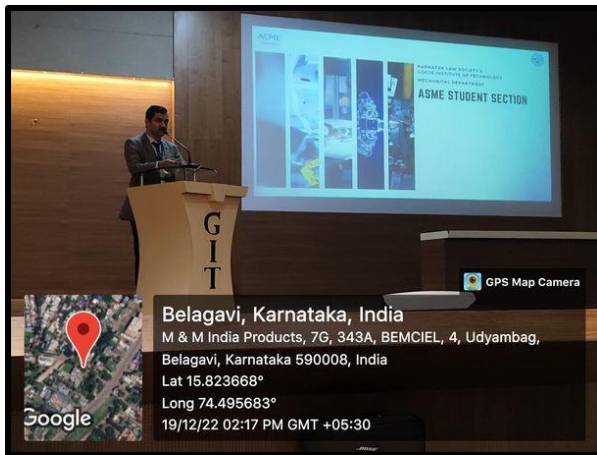

Voters Registration Rally

KLS GIT NSS Unit had organised **Voters Registration Rally** to create awareness of the importance of voting and to educate the responsibilities of the citizens on 13 December, Mr G. M. Sayeed, State Level Master Trainer appointed from the Zilla Panchayat office, addressed and requested the young voters to register under this campaign.

Over 500 students attended the training program conducted by the NSS Unit of KLS GIT and an online registration demonstration campaign was held at Silver Jubilee Auditorium, GIT campus. Dr J. K. Kittur, the Principal, KLS GIT and NSS program Officer Mr V. V Rajput presided over this workshop

ASME Alumni Talk Series

Mr Sumukh Deshpande is an alumnus of 2008 batch from the Department of Mechanical Engineering. He is currently working in CARIAD a subsidiary of VolksWagen Group. Mr Sumukh, delivered a talk to students of 5th and 7th semester students on the topic **"Are you Industry Ready?"** on 19 December 2022.

He elaborated on Industry 4.0, IoT, AI, ML, Autonomous, Hybrid Mode, Augmented & Extended Reality, Blockchain, Everything Digital, Big data, Cloud computing etc,

He also focused on students on how to decide their core areas of interest with respect to rapid change in technology. He elaborated on skill enhancement along with academics. He elaborated on how Academics+ is a concept where a student has to get associated with tasks other than his academics, and this concept he said is very well appreciated by the industry during recruitment.

Inauguration of New Ladies Room

The new Ladies Room was inaugurated at KLS Gogte Institute of Technology on 20 December 2022. **Shri Rajendra Belgaumkar**, Chairman, Governing Council, KLS GIT along with **Shri Ram Bhandare**, Member of Governing Body graced the ribbon cutting and appreciated the ambience and infrastructure of the new Ladies Room.

Principal Dr J. K. Kittur along with Deans, HoDs, and Section Heads also witnessed the ribbon cutting ceremony.

Staff Day Celebration

On 22 December 2022, KLS Gogte Institute of Technology celebrated **Staff Day**. The function was held in the evening at the Quadrangle. KLS GIT's GC Chairman **Shri Rajendra Belgaumkar** presided over the function. Staff members (teaching/non-teaching) who completed 25 years at KLS GIT and were honoured and felicitated by GC Chairman Shri Rajendra Belgaumkar and the Principal Dr J. K. Kittur: Below are the staff who completed their 25 years of service at KLS GIT:

- **Dr Jayant Kittur**, Principal, Department of Mechanical Engineering
- **Dr Maharudra S. Patil**, Dean Academics Statutory, Department of Mechanical Engineering
- **Dr Venkatesh Satwik**, Dean Administrator, Department of Mechanical Engineering
- **Dr S. R. Jog**, Professor and HoD, Department of Mathematics
- **Dr Anupama N. Kallol**, Professor, Department of Mechanical Engineering
- **Dr Anand V. Kulkarni**, Associate Professor, Department of Mechanical Engineering
- **Mr Mahesh Sattigeri**, Assistant Professor, Department of Mechanical Engineering
- **Mr Pranesh Katti**, Network System Administrator, Exam Section
- **Mrs Sharmila V. Kolli**, Office Superintendent (Admin)
- **Mr Mukund Kulkarni**, Instructor, Computer Centre
- **Mr Virupaxi S. Kambar**, Driver, Department of Vehicle Maintenance

Staff Day Celebration

The atmosphere on the Staff Day Celebration was filled with joy and enthusiasm. The wards of the staff who passed their 10th standard and 12th standard with flying colours were felicitated on the eve of the Staff Day.

The Sports Department of KLS GIT had organised various indoor and outdoor games for the staff of GIT a week before the Staff Day celebration. The winners of the sports events were felicitated on this august gathering. Felicitation of staff who have been relentlessly working behind the scenes in various important college level cells like the EPMC cell, maintenance cell, covid-cell, live-video streaming cell, photography cell etc. were also recognised and awarded on this evening.

Few of the staff of GIT exhibited their talents by participating in various cultural events and entertained the audience. The students from the Cultural Committee, GIT also entertained the evening by their amazing performances in singing and dancing. The programme ended with a dinner and the entire function was coordinated and managed by the Department of Architecture. Prof. R. D Kavilkar, Prof. A. V. Prasadi, Prof. G. M. Sambrekar, Prof. P. K. Rajput, Ms Shivani J. Kalkhambkar and Mr Vaibhav Gundap were the core members who organised this event.

One Day Workshop on Linux Operating System and EC Council Certification Awareness Program & Onboarding students to the HackTheBox Platform

The **Working Group of Cyber Security (WGCS) Club** of KLS Gogte Institute of technology conducted a One Day Workshop on "**Linux Operating System and EC Council Certification Awareness Program & Onboarding Students to the HackTheBox Platform**" on 23 December 2022.

The objective of the workshop was to familiarise students with the Linux kernel and the distributions based on it, utilizing the Linux command line to manage the system.

The sessions were conducted in offline mode by **Prof. Gajendra Deshpande**, **Prof. Vidyadheesh Pandurangi**, **Prof. Sagar Ramesh Pujar**, and **Mr Darshan**, student president of WGCS Club. The workshop witnessed an overwhelming response from students across various departments of KLS GIT, Belagavi.

This event was coordinated by all the WGCS Club members.

Motivational Session “My Story” – Mr Sudhir Kulkarni

On 26 December 2022, the KLS Gogte Institute of Technology and the Institution's Innovation Council (IIC), hosted a motivating session titled "**My Story**" by **Mr Sudhir Kulkarni**, GM, Intel Corporation, USA. In addition to exposing the students to employment choices and prospects, Mr Sudhir Kulkarni shared his life's journey and experiences with them.

Mr Sudhir highlighted the work culture and etiquettes common in the USA as most of his job locations were in the USA. **Mr Vinay C. Kulkarni**, an Associate Member of the Insurance Institute of India, gave the opening comments.

The event was supported by the KLS Management, the Principal, Dr J. K. Kittur, The session was arranged by Prof. S. P. Deshpande, Dean Student Affairs along with Dr Kiran K. Tangod, President of the IIC, Dr Manjula Ramannavar, Convener of the IIC, and members of the IIC: Prof. Shrivatsa D. Perur, Prof. Vinay J. Shetty, and Prof. Swarooprani S. Manoor.

3 Day MATLAB /Simulink/Simscape FDP at GIT

A 3 day Faculty Development Program was organised at KLS GIT, from 7th to 9th December 2022 toward enriching the knowledge of GIT faculties in the fields of MATLAB, Simulink and Simscape. 30 chosen faculties from all the engineering departments, mathematics and MCA had attended all the sessions in the 3 day FDP titled "**Modeling and Control of Electric Vehicles with Simulink and Simscape**". The experts for the sessions were from CoreEL and Mr. **Apurva Kulkarni** from Mathworks. Hands on session arranged **Mr Rakshit** by the experts were throughly enjoyed by the participants. The FDP started with the speech of GIT Principal, Dr Jayant K. Kittur who emphasised the need of development of coding skill in MATLAB / Simulink and domain knowledge in the field of EV technology. GIT faculties got enough opportunity over the next three days to sharpen their skills in EV with the help of MATLAB & Simulink. The event was convened by the in charge of Computer Centre at GIT **Dr Mallikarjun Math**. ECE dept. faculty **Dr Saurav Mitra** was the event coordinator.

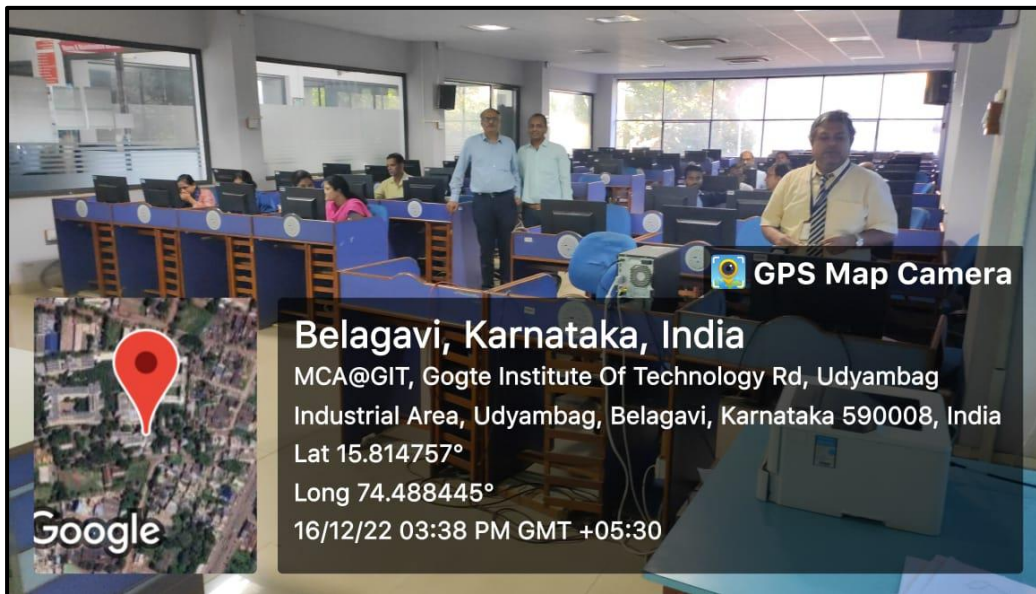

Mr. Apurva Kulkarni, Speaker, MathWorks

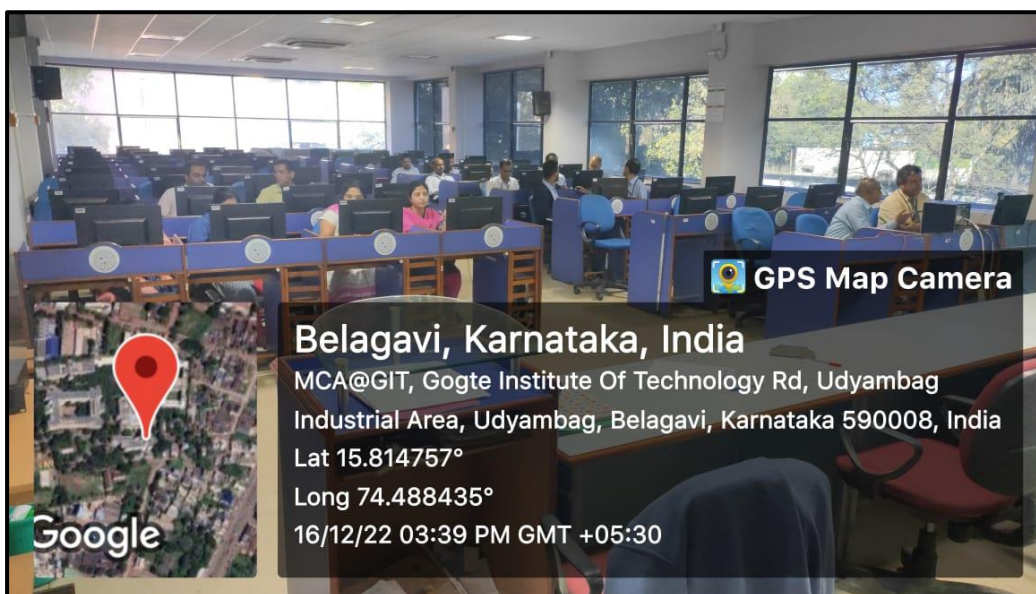

IT Admin Training by MATLAB Experts Team after License renewal

On 16 December 2022 between 2:30 P.M. to 4 P.M, onboarding session was arranged by MATLAB for the IT Admins of KLS GIT on how to install the latest licensed MATLAB 2022 version in all the PCS, how to execute the on ramp certification courses and many such relevant issues related to MATLAB installation and lab development were discussed in this session. Few technically inclined non-teaching staffs from every departments were also included to strengthen the MATLAB team in KLS GIT. The event was convened by **Dr Mallikarjun Math**, the in charge of Computer Centre at KLS GIT. ECE dept. faculty **Dr Saurav Mitra** was the event coordinator. From the **MathWorks**, **Ms Niveitha Mohankumar** and **Mr Jamaal** were the technical experts for this event.

Invited Expert Talk at ECE KLS GIT

Association of Electronics Engineers club of Electronics & Communication Engineering department held the “Industry Expert Talk” on 26/12/2022 at 10:30 AM in ECE Dept. The event started with welcome of the Guest ANUP BALI in the presence of AEE faculty co-ordinator Dr. Anupama Awati. Mr. ANUP BALI is the production manager at P&G and an ex-alumina of KLS GIT. The talk started with the introduction of Anup sir. Anup sir explained all about this hobbies and college days fun and enjoyment and the struggle that they went through their education life. **Anup sir explained how his hobbies of running the marathon and travelling kept him filled with life throughout the journey in their life.** Students could relate to what all experiences he was sharing of his life. Further he told students that he got a job through the campus placement and worked in the company for some duration. Later he changed his job and worked in pampers and now he is with P&G company, He is in charge of the production section of the company. **The entire expert talk was a good guide that helped students to know that how can they tackle some life problems with the help of hobbies and how to follow passion and achieve success in the life.**

Placement Cell

Placement Statistics for 2023 graduating batch Nov-Dec 2022.

- **Palo Alto Networks (1 Lakh Internship Stipend and 58 LPA post confirmation)**

06 students selected

- **Hexaware (CTC: 4 LPA)**

02 students placed

- **Smartsocs (CTC: 6 LPA)**

01 student placed

- **TVS Electronics (Internship, 10 KPM)**

03 students selected

- **Persistent Systems (CTC: 5.1 LPA)**

06 students placed

- **Tech Mahindra (CTC: 3.5 LPA)**

03 students placed

- **Cognizant (CTC: 4 LPA)**

78 students placed

- **Texas Instruments (CTC: 16.2 LPA)**

01 student placed

- **Mercedes Benz (CTC: 8 LPA)**

02 students placed

- **UNBXD (CTC: 4 LPA)**

07 students placed

- **Intellipaat (CTC: 9 LPA)**

19 students placed

- **Codecraft (CTC: 4 LPA)**

01 student placed

- **Dish Networks (CTC: 8.5 LPA)**

01 student placed

- **Sonata Software (CTC: 6 LPA)**

02 students placed

- **Rohan Builders(CTC: 3 LPA)**

04 students placed

- **Prism Johnson (CTC: 5.1 LPA)**

01 student placed

- **TCS (CTC: 3.5 LPA)**

13 students placed

List of Activities

- **Prof. Sagar Santaji**, attended Apar People World LLP, TPO Conclave at VTU, Belagavi Campus on 29 October 2022.
- **Prof. Satish Hukkeri** orientated 5th semester students on placement guidelines and policy for 2024 batch, on 9 November 2022.

Prof. Sagar Santaji delivered career guidance session to 9th and 10th standard students of KLS Public School, Peeranwadi on 16 November

Distinguished Alumni

**Mr Balachandran Hari,
CEO, ICT Academy, India**

Balachandran Hari is the CEO at ICT Academy, an initiative of the Government of India in collaboration with the state Governments and Industries. ICT Academy is a not-for-profit society, the first of its kind pioneer venture under the Public-Private-Partnership (PPP) model that endeavours to train the higher education teachers and students thereby exercises on developing the next generation teachers and industry ready students.

ICT Academy was started to meet the skill requirements of the industry and generate more employment especially in tier 2 and 3 towns, the rural parts of the country. With training of teachers and students as the primary objective, ICT Academy has been working through a seven pillar program in the areas of Faculty Development, Student Skill Development, Entrepreneurship Development, Youth Empowerment, Industry-Institute Interaction, Digital Empowerment and Research & Publications.

Summary of Professional Experience

ICT Academy

Chief Executive Officer

December 2021 - Present

Chennai, Tamil Nadu, India

L V Prasad Film and Television Academy

Director

January 2020 - December 2021

Chennai Area, India

Managing the business operations of L V Prasad Film and Television Academy. The Academy is 13 years old and has learning centers in Chennai, Bangalore and Trivandrum. Offers short term and diploma programs in direction, cinematography, editing and sound. The highlight of all the programs at the academy is practical's and projects that the students require to complete the program.

Certiport Inc

General Manager

December 2010 - January 2020

Chennai

Certiport is the world-wide leader in IT certifications at user level. Besides the digital literacy certifications, Certiport offers the Microsoft Office Specialist, Adobe Certified Associate, Intuit

Distinguished Alumni

Quickbook user certification and Autodesk User certifications. Besides growing the business in the Indian sub-continent, the role encompasses, finding new partners, liaisoning with government, corporate and technical associations. Liaisoning with Microsoft, Adobe and others is critical to work.

Sales Director

December 2010 - December 2010 (1 month)

Chennai

EFX

Vice - President (Operations)

December 2008 - June 2011

Managing Operations in Mumbai for EFX - a post production company for films. The company specializes in Special Effects (VFX), Color Grading (Digital Intermediate) and restoration of films. The role also involves sales, managing production and post production support.

Aconex India Pvt. Ltd.

Regional Operations Manager

July 2007 - November 2008

This Australian company specializes in Online Document Management Systems and is the world leader. My role was to manage the operations in the India region. Operations would consist of technical support during sales, post sales business process

studying, customizing the implementation of system and training users. The operations team consisted of 6 trainers, 8 document controllers and other admin staff.

NIIT Ltd.

Regional Manager

September 2005 - June 2007 (1 year 10 months)

Managing retail business of NIIT Ltd. in South India, namely Tamil Nadu. The role consisted of generating footfalls to the centers, ensuring enrollments across programs offered and managing operations across the centres. The business handled was in excess of INR 360 millions per year.

Everonn Systems India Limited

General Manager

January 2004 - August 2005

Set-up the synchronous learning platform using VSAT technology. The model was to provide education and training at different places at the same time using technology using the best faculty. The role involved convincing investors to invest, set up the platform, plan content to be disseminated through this network and ensure student enrollments. A very satisfying experience from start to where we got to.

Distinguished Alumni

IMS Learning Resources

General Manager

September 1999 - December 2003

IMS is the leader in training students for management entrance exams and aptitude tests. My role involved managing the centers across the country for all sales and operations. I had started as a center manager in Chennai in 1999 and then managed 52 centers in 2003.

Mahajan & Aibara

Consultant

May 1996 - June 1999

Consulting for the hospitality business. Managed all consultancy business in South India for this company

Alumni Homecoming

Alumnus Mr Sanjeev Pol for Campus Recruitment

TVS Electronics, was on campus on 2 November 2022 for a recruitment drive. Representing TVS Electronics was our own alumnus, Mr Sanjeev Pol from the 2001 batch from the Department of Electronics and Communication Engineering.

He interviewed candidates from the 2023 batch of CSE, ECE and ISE and in true sense he gave back to his alma mater.

Happy Homecoming for Mr Sandeep Kulkarni

Mr Sandeep Kulkarni visited the campus on 4 November 2022.

Mr Sandeep graduated in 2006 from the Information Science and Engineering branch and is presently working in AMAZON Seattle Washington USA, as Senior Product Manager.

He visited the GIT campus and expressed his happiness about studying at KLS GIT.

Alumni Homecoming

Happy Homecoming to Mr Abhijeet Rane and Ms Keerti Rane

We were happy and proud to host two of our alumni Mr Abhijeet Rane and Ms Keerti Rane on campus on 18 November 2022. They interacted with the faculties and students of CSE, ISE, and MCA departments. They appreciated all the new developments taking place on the campus and the progress of KLS GIT.

Ms Keerti is our CSE alumnus of the 1989 batch and is currently the Principal Lead Program Manager at Microsoft. Mr Abhijeet is from 1987 batch from the Civil engineering and is now a VP, Business Development and Operations at Sequitur Labs Inc. During their visit to India, the couple took time off to visit their alma mater.

Alumni Homecoming

Happy Homecoming for Mr Jagdish B. and Mr Gautam D.

We were happy to host our alumni of the 1986 & 1988 batches from the Electronics and Communication Engineering branch on 7 December 2022. Jagdish B. is an alumnus of the 1986 batch and Gautam D of the 1988 batch.

Jagdish is currently the IT Director OPN Healthcare, Los Angeles Metropolitan Area and Gautam is the Head of Architecture & Product Management Dallas-Fort Worth Metroplex.

We were happy to have you on campus!!

Happy Home Coming for Mr Peenak Kosandal

Mr Peenak Kosandal, our proud alumnus of the Industrial Production & Engineering. batch of 2001, visited the campus on 8 December 2022,. He expressed his happiness and fondly remembered his college life at KLS GIT, and also expressed his gratitude to his alma mater.

Mr Peenak went on to pursue his Master of Science, Industrial Engineering from. Virginia Tech between 2003 - 2005. He is currently working as purchasing and logistic manager, Firestone Liberia, Tennessee, United States

Alumni Homecoming

Happy Homecoming for Mr Krutartha Jathar

It was a happy home coming for Krutartha Jathar who visited the campus on 9 December 2022. He is a proud alumnus of the 2016 batch from Mechanical Engineering.

He pursued his Masters of Science, Mechanical Engineering & Management at Purdue University between 2017 - 2019.

He is currently the Senior Manager, Operations Strategy, Wayfair, Boston, USA.

Happy Home coming for Mr Sourabh Malavi

Sourabh Uday Malavi, alumnus from Mechanical Engineering, currently pursuing his Masters from Technical University of Munich, Germany visited KLS GIT on 13 December 2022 and expressed his gratitude.

Alumni Homecoming

Happy Homecoming for Dr Sujit Kumar

Saran

We had the privilege of hosting our proud alumnus from the 1985-89 batch from Civil Engineering, Dr Sujit Kumar Saran on 14 December 2022.

Dr Sujit completed his ME in Highway Engineering and PhD in the field of Geotechnical Engg. He is currently serving as the Principal Scientist, Geotechnical Engineering Division CSIR-CENTRAL BUILDING RESEARCH INSTITUTE (A constituent establishment of CSIR, Under Dept of Scientific & Industrial Research, Ministry of Science & Technology Govt. of India) at Roorkee Uttarakhand, India..

Happy Homecoming for Mr Rohan

Kangralkar

We had the privilege of hosting our proud alumnus from the 2000-2004 batch from Information Science & Engineering, Mr Rohan Kangralkar on 15 December 2022..

Rohan is a Senior Principal Software Engineer at Cadence Software Systems, Massachusetts, USA.

Rohan also gifted 2 Embedded kits to his department.

Alumni Homecoming

Happy Homecoming for Mr Rohit Zende

It was our pleasure to have Rohit Zende visit KLS GIT on 23 December 2022. He is currently the Manager Procurement & Logistics at MOBIS Parts Europe N. V, Stuttgart Region - Germany.

Rohit graduated with a degree in Mechanical Engineering from KLS GIT in 2009 and went on to pursue his Master's Degree in Production Systems Engineering from RWTH Aachen University between 2011 - 2015.

Happy Homecoming for Mr Neehal Khan

We had the privilege of hosting our proud alumnus from the 2012-2016 batch from Civil Engineering Department Mr Neehal Khan on 24 December 2022.

Nihal completed his Master's Degree in Construction Management from Deakin University, Australia (2018-2020 batch). He is currently serving as Civil Engineer in CPB Contractors (MNC, Tier 1 construction company), Sydney, Australia.

Happy Homecoming for Mr Nikhil Patil

Nikhil Patil, an alumnus of the 2002-06 batch from Computer Science Engineering Department visited his alma mater on 24 December 2022.

He obtained his Master's degree in Management Information Systems from the George Washington University School of Business between 2006-2007. He is currently the Director, Consulting at CGI Ashburn, Virginia, United States.

With over 8 years of experience in developing IT solutions and 8 years developing environmental technology solutions in the public sector, Nikhil has a wide range of functional and technical expertise and is responsible for delivery management, quality oversight, staff development and financial reporting.

Alumni Homecoming

Happy Homecoming for Mr Sadanand Hiremath and Rohit Katti

It was a pleasure to have our proud alumnus Sadanand Hiremath visit KLS GIT on 28 December 2022. He is a graduate of the 2004 - 2008 batch from Computer Science Engineering Department.

Sadanand is the Founder & Director, CloudTara Technologies Pvt Ltd. Bengaluru.

In a warm gesture of giving back to his alma mater, Sadanand along with Rohit Katti, initiated a co-op program for students of the IT related branches.

The co-op program balances classroom theory with periods of practical, hands-on experience prior to graduation.

In the first cycle of the co-op, four of our final year students from the ISE & CSE departments were selected who started the co-op in August 2022..

During his visit, Sadanand expressed his happiness over the performance of the students and also indicated that they wish to make this programme a regular one at KLS GIT.

Alumni Homecoming

Ms Devyani graduated with a bachelors degree in Mechanical Engineering in the year 2017 and pursued her Masters in Industrial Engineering from Dalhousie University in Halifax, Canada(2018-2019). She is presently working as a Manufacturing Engineer at Mauser packaging solutions, Canada.

Mr Chaitanya completed his bachelors degree in Mechanical Engineering in the year 2017. Later he completed his Masters in Engineering in Materials and Composites. He is currently working for S&C Electric Canada Ltd. as a Mechanical Designer in Toronto , Canada.

Happy Homecoming for Mr Chaitanya Kale and Ms Devyani Deshpande

We were happy to have two of our alumni from the Department of Mechanical Engineering: Ms Devyani Deshpande and Mr Chaitanya Kale.

Faculty Accomplishments

On 23 December 2022, **Dr Raviraj M. Kulkarni** received the best researcher appreciation from GC Chairman KLS Gogte Institute of Technology during the Staff Day celebration.

On 6 December 2022, **Dr Raviraj M. Kulkarni**, HoD, Chemistry Department was invited as a Chief Guest for the inaugural function of Science Exhibition at GI Bagewadi College, Nippani.

On 29 November 2022 **Dr Raviraj M. Kulkarni** was invited as a resource person in the VTU faculty orientation programme at the Rural Engineering College Hulkoti.

On 31 October 2022, **Dr Raviraj M Kulkarni** HoD, Chemistry Department attended the PhD Viva Voce examination as an external adjudicator at Reva University, Bengaluru.

Faculty Accomplishments

On 31 December 2022 **Dr Raviraj M. Kulkarni** delivered an invited talk on **“Research articles & funding proposal writing and IPR”** at the Sharad Institute of Technology, Yadrav, Ichalkaranji.

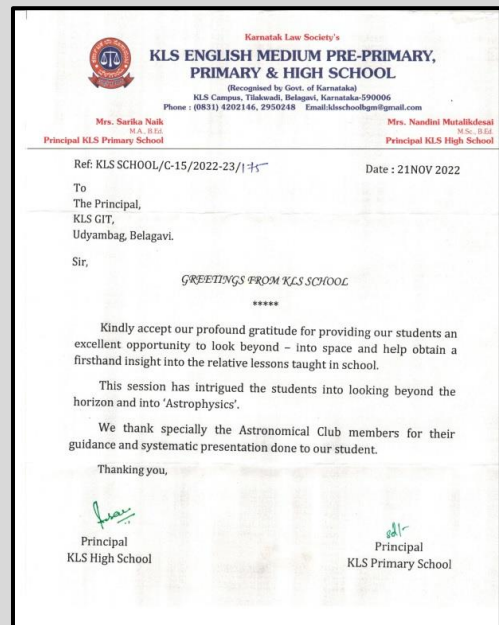

Dr Vikas Gingine, Associate Professor from the Department of Civil Engineering presented his work at Indian Geotechnical Conference held at Cochin, Kerala from 15 December 2022 to 17 December 2022.

As a part of our outreach program, Astronomy Club at KLSGIT held star gazing events during November 8 2022 to November 21, 2022 for:

1. KLS English Medium School
2. KLS Public School

From both schools, 700+ students participated in the star gazing event. The students had an opportunity to observe planets, moon, binary stars, star clusters and andromeda galaxy. The event was coordinated by the executive members of astronomy club and faculty coordinator **Dr C. V. Kotabage**.

A letter of appreciation was given by KLS English Medium School.

Faculty Accomplishments

Dr Vaibhav Chate is nominated as a member of the Committee, "**Dispose old generators and unwanted waste materials** " by Karnataka State Pollution Control Board, Belagavi on 07 December 2022.

Dr Vaibhav Chate was invited as a resource person for a Technical Talk on topic "**Research article writing and Patent**" filing in an ISTE approved FDP on Research Methodology at Sharad Institute of Technology College of Engineering, Inchalkarnji.

Prof. Vikhyat Katti has been selected as a Sports coordinator at the Central Level with effect from December 2022..

Prof. Archana Shagoti has been as an Internal Guide for an Industrial Project proposed by La Foundation Dassault Systems on "**Recycle of FRP Shredded Scrap**".

Prof. Vaijanath Chougule, Prof. Somanath Khot and **Prof R. D. Deshpande** have coordinated and organised technical events in Gharkul Exhibition - 2022, Technofest event organised by Tarun Bharat in support of Consulting Civil Engineers Association and Rotary Club, Belagavi from 26 November 2022 to 30 November 2022.

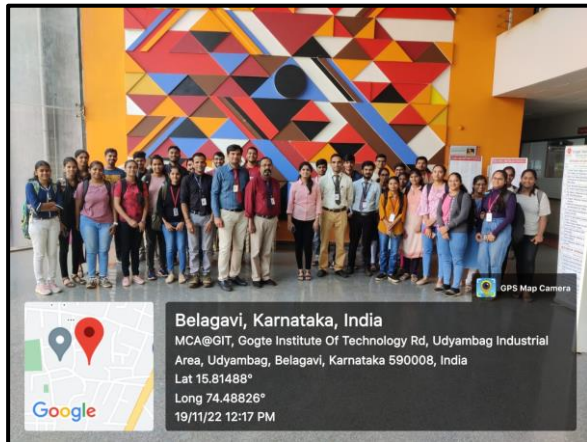

Dr Vaibhav Chate, Prof. Rajendra Thakai and **Prof. Shashank Bangi** visited Hindalco factory as part of consultancy and site visit.

Dr Saurav Mitra, Professor, ECE, KLS GIT received the institute level honour of **Innovative Teaching Faculty Award** on staff day, December 22, 2022.

Faculty Accomplishments

Dr Kuldeep Sambrekar, Dr Ramesh Medar, Prof. Prashant Niranjana, Prof. Ravi Kalkundri and Prof. Sagar Pujar had organised 5 days crash course on "Data Visualization using Tableau and Power BI"

Dr Sanjeev Sannakki, Dr Pavan Kunchur, Prof. Girish Deshpande, Prof Sagar Pujar, Prof. Arundhati Nelli, and Prof. Ranjana Battur had organised 5 Days Faculty Development Program on "Research Opportunities in Computer Science & Allied Branches".

Dr R. S. Patil and Prof. Namitha Bhatt had organised "Plantation Drive" for the students of 7th semester CSE, at Shantatai Vruddhashram, Belagavi on 25 December 2022 under ACE/CSI Student chapter.

Dr Kuldeep Sambrekar had organised an expert talk on "Distributed Computing Environment" on 21 December 2022.

Resource person was Mr Bhushan Dongre, CEO, Senior Developer, Zeal Code Labs, Belagavi.

Faculty Accomplishments

- **Mr Vinod Kokitkar**, Assistant Professor from the Department of MCA participated in a 30 hours online course on "**Machine Learning for Data Science using Python**" organised by the Department of CSE, NIT Warangal in association with Center for Continuing Education from 14 November 2022 to 29 November 2022

- **Dr S. I. Goudar**, Professor from the Department of MCA is the newly appointed Dean Institute Research and Development Committee (IRDC) from 05 December 2022.
- **Prof. Jyothi B. R.**, Assistant Professor in Dept. of ECE, KLS GIT, received Certificate for securing **First Place in Women's Singles Badminton** on staff day

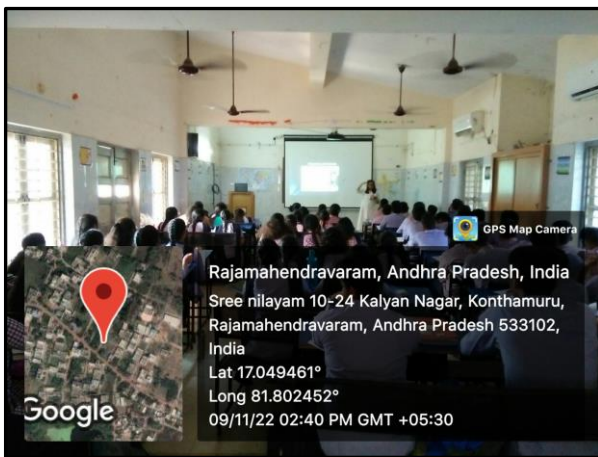

- **Ms Vijaylaxmi Patil**, Assistant Professor from the Department of MCA is the newly appointed Assistant Controller of Examiner (COE) from 05 December 2022.

- **Dr J. B. Madalgi**, Associate Professor from the Department of MCA is the newly appointed Head of Department, Master of Computer Applications (MCA) from 05 December 2022.

Faculty Accomplishments

- **Ms Sheetal S. Bandekar**, Assistant Professor from the Department of Master of Computer Applications, KLS Gogte Institute of Technology visited Krishna Pradeep's 21st Century Educational Society, Rajahmundry, Andhra Pradesh as a Resource Person from 08 November 2022 to 18 November 2022 to train the Intermediate and Degree Students of Krishna Pradeep's 21st Century Educational Society to prepare them for the Cambridge Linguaskill Business Test for 32 hours.

Faculty Accomplishments

- **Dr C. V. Kotabage** visited Kalhandi University Bhawanipatna, Odisha as a consultant to establish observatory at the university from 2 November 2022 to 7 November 2022.
- **Dr C. V. Kotabage** delivered an invited talk on Astronomy at Kalhandi University, Odisha on 4 November 2022.
- **Dr P. B. Belavi** demonstrated the experiments on laser diffraction, Numerical aperture of an optical fiber, Fermi energy and Photodiode characteristics to Diploma final year students of Government Polytechnic, Belagavi. The event was coordinated by **Dr M. K. Rendale**, HoD Physics Department, KLS GIT.

- **Dr Ramesh Bantwal** has successfully completed the short term course on **"Machine Learning for Data Science Using Python"** organised by NIT Warangal during 14 to 19 November 2022.
https://drive.google.com/file/d/1if_XcQA7srM_Cbb7-yw3fWrQAMHgCaE_/view?usp=sharing
- **Dr Ramesh Bantwal's** students' project whom he is guiding got selected for sponsorship project of Tata company on **"Energy Audit"** project and is approved and first grant amount is received.

- **Dr S. S. Kulkarni** was invited as a resource person for Faculty Orientation program on VTU revised scheme and syllabus for Physics for the year 2022-23 from 24 November 2022 to 29 November 2022 at BMS college of Engineering Bangaluru, Vidyavardhank college of Engineering, Mysuru and Rural Engineering College, Hulkoti.

- **Prof. Archana Patil**, Department of Architecture, was awarded for the Sports: Carrom and Badminton held for Staff at KLS GIT
- **Prof. Anagha Gargatti**, Department of Architecture, was awarded for Chess held for Staff at KLS GIT
- **Prof. G M Sambrekar**, Department of Architecture was appreciated for her contribution as a Covid Cell member.

Student Accomplishments

- **30 students** from the Civil Department had participated and coordinated in Gharkul Exhibition - 2022, Technofest event organised by Tarun Bharat in support of Consulting Civil Engineers Association and Rotary Club, Belagavi from 26-11-2022 to 30-11-2022.

- **Amruta Adgunkar** and **Md. Mazar**, MTech (Structural Engineering) of 2nd year won 1st place in Technical Quiz and won cash prize of Rs.3000/- in Gharkul Exhibition - 2022, Technofest event organised by Tarun Bharat in support of Consulting Civil Engineers Association and Rotary Club, Belagavi from 26-11-2022 to 30-11-2022.
- **Sanket Hanji** and **Vaibhav Panade** of 7th semester won 2nd place with cash prize of Rs.1500/- in Present and Future Event at Nirmana 2022, International Students Symposium for Civil Engineering Students organised by BMSCE, Bengaluru.
- **Yuvaraj Dopeshwar** and **Adarsh Belaskar** of 5th semester participated in "Waves 2022" organised by BITS Pilani Goa from 18-20 November 2022.

- **Yogesh, Hrashvardhan, Meghsunpar** and **Chetan** of 7th semester, won 2nd Place in Treasure Hunt Event with cash prize of Rs. 1500/-, at Nirmana 2022, International Students Symposium for Civil Engineering Students organised by BMSCE, Bengaluru.
- **90 students** from Civil Engineering Department had participated in 9 technical events in Nirmana 2022, International Students Symposium for Civil Engineering Students organized by BMSCE, Bengaluru
- **Shirin Sanadi, Ramyshree Bansi, Archana Mudakgoud** and **Harshita Kolekar's** final year student project has been selected by La Foundation Dassault Systems under Industry Institution Internship Program.
- **Yuvaraj Dopeshwar** of 5th semester participated in Technical Quiz in "MoodIndigo" organised by IIT Bombay, from 26 December 2022 - 29 December 2022.
- **Shreyas Patil** and **Darshan Vajramatti** of 7th semester represented KLS GIT in Dramatica and Dance competitions in "Waves 2022" organised by BITS Pilani Goa from 18-20 November 2022.
- **Yuvaraj Dopeshwar** of 5th semester rendered his selfless service as Arts Director for Rotaract Club of KLS GIT for the year 2021-22.

Student Accomplishments

Gharkul , organised by Moodi , IIT Bombay Mumbai (International level), **Tejas Mirji** and **Prathamesh Patil** (7th semester).

Waves , BITS Pilani Goa (National Level)

1. Glam-up(make-up) 1st place, **Mandira** (5th semester); 3rd place **Prathamesh Patil** (7th semester).
2. Kick-Start 3rd place **Navneet** (5th sem) and **Prathamesh** (7th sem).

Gharkul competition held on 25th to 30th November 2022. at CPED Ground, Belgaum. Event - model making (group event)

1. **Nakiya Soudagar** and **Manasi Gaunkar** - won 2nd prize.
2. **Disha Hattarki** and **Karthik S. Pudakalkatti** - won consolation prize.

Student Accomplishments

Social Connect and Responsibilities

Association of Electronics Engineers (AEE) club of ECE department took the initiative under the idea of visiting the local government schools and engaging in mentoring of the students there. The volunteers from 3rd semester of KLS Gogte Institute of Technology of Electronics and Communication department participated enthusiastically in this activity. The sessions or classes were conducted for children from 4th to 9th standard where they were taught several subjects like **Science, Maths, Kannada, English, Social Studies, Computer along with dance, sports and arts**. It was great to receive the support from the teachers of the local schools, The students of ECE dept had visited the Govt.

Marathi Medium School No. 6 Angol, Tatyasab Kannada medium school-Banashankari, Chidambar Nagar Kannada medium school and Bhagyanagar Kannada medium school. The students were very co-operative and ECE students had fun interacting with the children. The sessions began from 27-Dec-2022 (everyday 2 hours) and was continued till 2nd January 2023. Under guidance of AEE Faculty Coordinator **Dr Anupama Awati** and social worker **Mrs Anita Kanbargi**, ECE students had excellent teaching and social experience. The volunteers have also made some models and charts related to the syllabus of the school children and donated it to the schools.

Marathi Poem by Pragati Demji
1st Semester
Department of Mechanical Engineering

॥ राजा शिवछत्रपती ॥

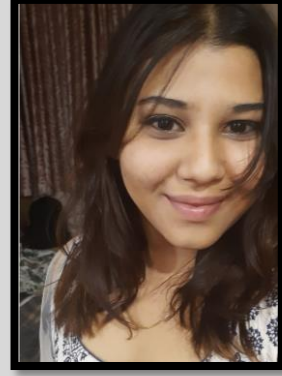

मर्द मराठे शिलेदार ,
म्यानातुन उसळली तलवार ।

ढाल धरूनी हाती ,
लढले प्रतापराव गुजर,
सहा मावळे धरूनी साथी ।

काय सांगावी ह्या शूर मावळ्यांची कीर्ती ,
यानीच लिहली गनीमांच्या मरनाची निती ।

पंताजी बोकील जिवा महाल धरूनी संगती ,
मारीला अफझलखान प्रतापगडच्या पायथ्याशी ।

तेच आपले दैवत, तेच आपले सर्वस्व,
ज्यांच्यासाठी समर्थानी ओतला सारा शब्दांचा आभाळ ।
तेच हिंदवीस्वराज्याचे संस्थापक ,
राजा शिवछत्रपती ॥

Poem by Devki Hanamshet
5th Semester
Department of Architecture

HORIZON

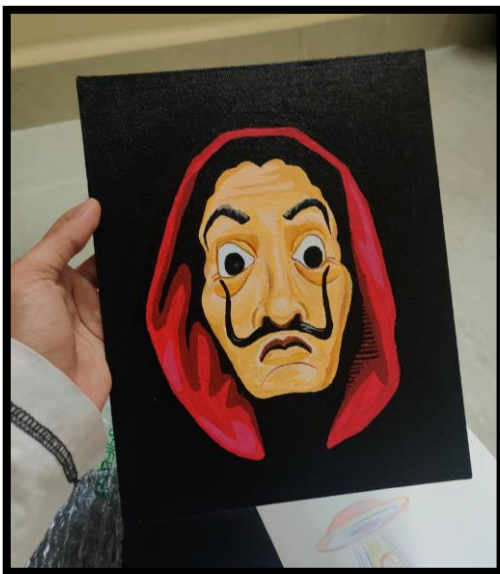

To the sky high I fly..
To the ocean he sails
With one ambition in our heart we live each day
To protect the land on which we are born..
And the paths which made us meet.
We cherish our day with the memories we
have,
Scattering the words on paper night and day,
To Praying to the fate to make us meet one day.
Shedding the tear when we miss each other
And wait for hours to have a call
The day came to walk in the paths where we
met.
The heart which was sailing
And the heart which was flying
Had came to land to inhale the smell of sand.
That's when the officer in white walked on the
land,
And that when the lady officer blue walked on
the paths,
There the love bloomed and that's how the
horizon formed.
The sky met ocean.

Student Corner

AEE club of ECE, KLS GIT held the "AESTHETIC EXPO" event" on 1 December 2022. The event was conducted for the students who has the keen interest toward the Art and Poem writing, The event had different themes like

◆ Words of Poetry

- ◆ Poetry about Belagavi
- ◆ Life

◆ Painting 🎨

- ◆ Painting about Belagavi
- ◆ Christmas 🎄 or New Year
- ◆ Joy of sharing

◆ Sketching

- ◆ Structures at GIT
- ◆ Wonders at Belagavi
- ◆ Village Life.

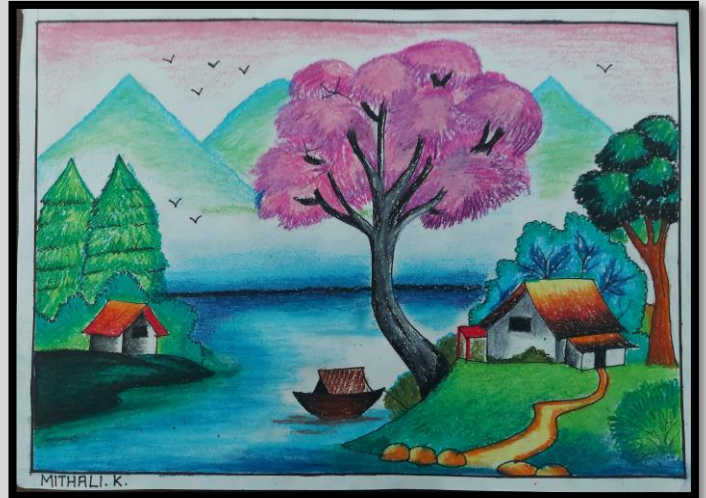

◆ Photography 📷

- ◆ Urban Life.
- ◆ Hard work
- ◆ Guardians of the city
- ◆ Joy of sharing

◆ Logo designing

- ◆ AEE'22

The event was conducted where the registration was online mode and the participants had submitted their respective Art works and Poems offline. The event was very successful one and participant enjoyed the event thoroughly.

ಬೇವನ

ಹುಟ್ಟು ಎಂಬುದು ಮೊದಲ ಫಲಿತ
ಸಾಫೆ ಎಂಬುದು ಕೊನೆಯ ಫಲಿತ
ಮಾಧ್ಯಮವು ಹೇಗೆ ಇಡೀ ಜೀವನದ ಸಂಘಟನೆ

ಆಯುಷ್ಯದ ಸೀಡಿನೆ
ಆರಂಭ ಜೀವನದ ಮಾರ್ಗದರ್ಶಿ
ಇವೆಲ್ಲವೂ ಈ ಪ್ರಾಣಿ, ಸಹ ಸಾಟಿಯಾ ಇಲ್ಲ

ಪ್ರೀತಿ ಸೇವೆ ಬಿಡು ಪಾಠ ಕಲಿಸುತ್ತದೆ
ಪ್ರೀತಿ ಪಾಠ ಮನುಷ್ಯನನ್ನು ಬಿಡುಬಿಡು
ಪ್ರೀತಿ ಮನುಷ್ಯ ಜೀವನ ರೂಪಿಸುತ್ತದೆ
ಪ್ರೀತಿ ಜೀವನ ಅಗ್ನಿವಿಷಯ ನಿಜವಾದ ಜೀವ

ಜೀವನವೆಂಬ ಬಿಟ್ಟು ರಂಗೋಲಿಯಲ್ಲ
ಬಿಟ್ಟು - ಬಿಟ್ಟು ಬಿಟ್ಟು ನಾವು
ಬಿಟ್ಟು ದಿವ್ಯ ಕನಸು ಹುಟ್ಟು ಪರಿಚಿತ ನಾವು

ನೀವು ಕಂಡರೆ ಬಿಟ್ಟು ಬಿಟ್ಟು
ಗುರುಗಳ ಕಂಡ ಬಿಟ್ಟು ಕಂಡ
ಸ್ಮರಣ ಕಂಡರೆ ಅರಿಯಬೇಕು ಮಾತು
ವೈಯು ಕಂಡರೆ ಅಗ್ನಿ ಹೇಳುತ್ತದೆ ಜೀವನ

ಇಲ್ಲ ಬಿಟ್ಟು ಕಂಡರೆ ಇಲ್ಲ ಬಿಟ್ಟು
ಕಂಡರೆ ಇಲ್ಲ ಬಿಟ್ಟು
ದೈವತ ಇಲ್ಲ ಬಿಟ್ಟು
ಕಂಡರೆ ಇಲ್ಲ ಬಿಟ್ಟು
ಮನಸ್ಸಿಗೆ ಇಲ್ಲ ಅಂತೆ ಇದುವೇ ನಮ್ಮ ಜೀವನ

— Soumya. A. Jyoti
— 201201EC424

ಜೀವನ

ಜೀವನ ಎಂದರೆ ಮನುಷ್ಯ ಉಪಯುಕ್ತವೆ ಏನು?

ಆದರೆ ಜೀವನ ಎಂಬ ಪದವು ಅರ್ಥವೇ...

ಎರಡು ಸಾವಿರಕ್ಕೂ ಹೆಚ್ಚು.

ಜೀವನ ಎಂಬ ಮೂರು ಅಕ್ಷರಗಳೇ

ಮನುಷ್ಯನ ಅಸ್ತಿತ್ವದ ಭಿನ್ನ.

ಪೋಷಣೆ.

ಬೇಡ ಜೀವನವು ಮನುಷ್ಯ ಅಗತ್ಯವೆಂದಿಲ್ಲ,

ಬೇಡ ಸತ್ತವು ಮನುಷ್ಯ ಉಪಯುಕ್ತವೆಂದಿಲ್ಲ,

ಈ ಜೀವನ ಸಾವಿರಕ್ಕೂ ಹೆಚ್ಚು ಇರುವ ನಮ್ಮ ಜೀವನ.

ಆದರೆ ಜೀವನವು ಸತ್ತವು,

ಆದರೆ ಜೀವನವು ಸತ್ತವು,

ಆದರೆ ಜೀವನವು ಸತ್ತವು,

ಆದರೆ ಜೀವನವು ಸತ್ತವು,

ಆದರೆ ಜೀವನವು ಸತ್ತವು.

ನಮ್ಮ ಸಾವಿರ ಮನುಷ್ಯನವು,

ನಮ್ಮ ಸಾವಿರ ಜೀವನವು,

ನಮ್ಮ ಸಾವಿರ ಜೀವನವು,

ನಮ್ಮ ಸಾವಿರ ಜೀವನವು ಜೀವನ

ಗಾಂಧಿ ಮಾಣಸಾಚ್ಯಾ ಮಾಣಸ ಶೋಧತೆ ಮಿ!

Life ...

Life? Is it within us?

Or around us?

Life? Is it the beginning of journey of a new born in space and time?
Or is it few moments you experience before death?

Life! Is it in the bud meditating in symphony of nature to unfold itself into a flower?

Or is it the petals that fall one after another leaving back a thorny scrawny stick?

Life! Does it start when we're set on the answers?

Or it unfolds within the questions themselves?

Life? Is it that triumphant smile on your face when you've finally won a hand at a hard level of your favourite game after losing five games in a row?

Or is the quiet moment when you sit alone, chin perched on your hand, gazing over your heartaches?

It's all of them and more...

It's a constant oscillation between seasons of order and disorder.

It's like the moon which goes through the phases of emptiness to feel full again

It takes sadness to know what happiness is, noise to appreciate silence and absence to value presence.

Life can't be concealed in metaphors

As it is a literature in itself.

Webinars/Seminars/Workshops/Other Events

Association of Electronics Engineers (AEE club) 2022-23 of Electronics & Communication Department held its **"Inauguration event"** on 26 November 2022 at 11:00 am. The inaugural event was hosted by **Mrs Arundhati Sakhare**, Habit & Mindset coach as chief guest. She showed how to overcome our bad habits in our life and how to keep healthy habits in order to maintain proper balance in our life. **Dr Anupama Awati**, Associate Professor, ECE would act as the faculty coordinator for this association.

Departmental Activity
Inauguration for AEE Club 26/11/2022

The AEE Core Team 2022-23

The Speaker delivering talk during the event

Student Recreational Activity @ ECE GIT

AEE club of ECE, KLS GIT organised "Saturday Blast" event on 31 December 2022 at 10:30 a.m. The event started with a brief introduction about all the activities that were a part of the event. "Act as if", "Friendship Feud" and "Scribbles" were the fun games conducted as a part of the event.

Event 1: Act as if

In "Act as if" event participants had to enact (act as if) as they were the character assigned to them in the best way possible. The character given to them was decided by chit picking. A time slot of 5 minutes was given to prepare, 2 minutes to enact and there was liberty of language. The event was an ice break between seniors and juniors. The winners will get chance to enact their act in fresher's.

Event 2: Scribbles

"Scribble" is a game where you guess what other people are drawing. It was a group event, wherein one member of the team had to draw and then other team members had to guess the draw object. Time is the only judging criteria and if the team guesses that word by drawing then they will get a point. The team with maximum points wins.

Event 3: Friendship Feud

"Friends are the family we choose" and this game's motto was to celebrate the long cherished friendships. Friendship Feud is a game in which 3 friends of a group are pitted against 3 friends of another group. - Each team's goal is to guess the results of audience survey questions. - A player from each team initially faces off, answering the question to earn the chance to either pass or play. - The winning group gets a chance to enter the bonus round..

Students from 3rd and 5th Sem of E&C department participated actively. The only motto of this event was to have fun and build togetherness among all the students.

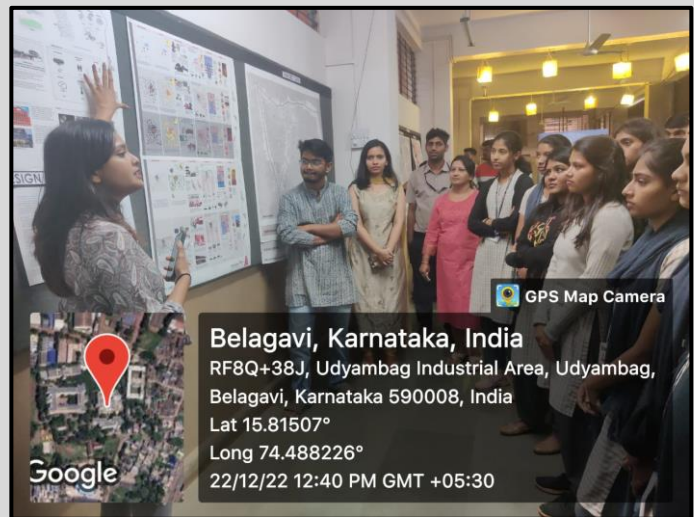

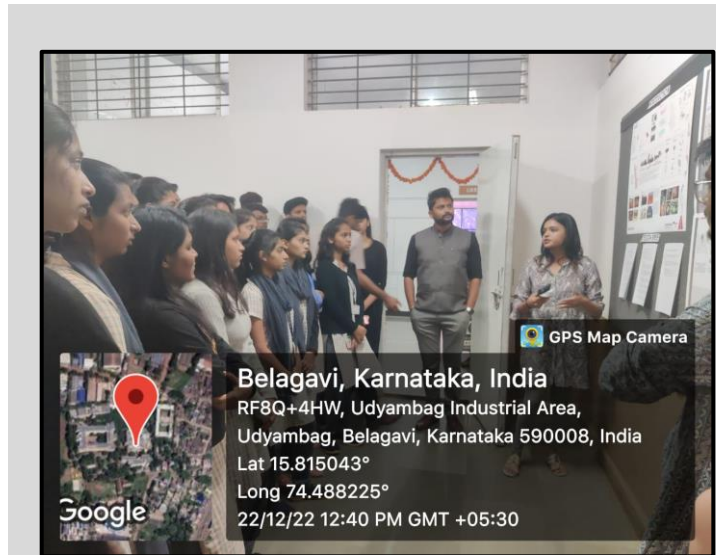

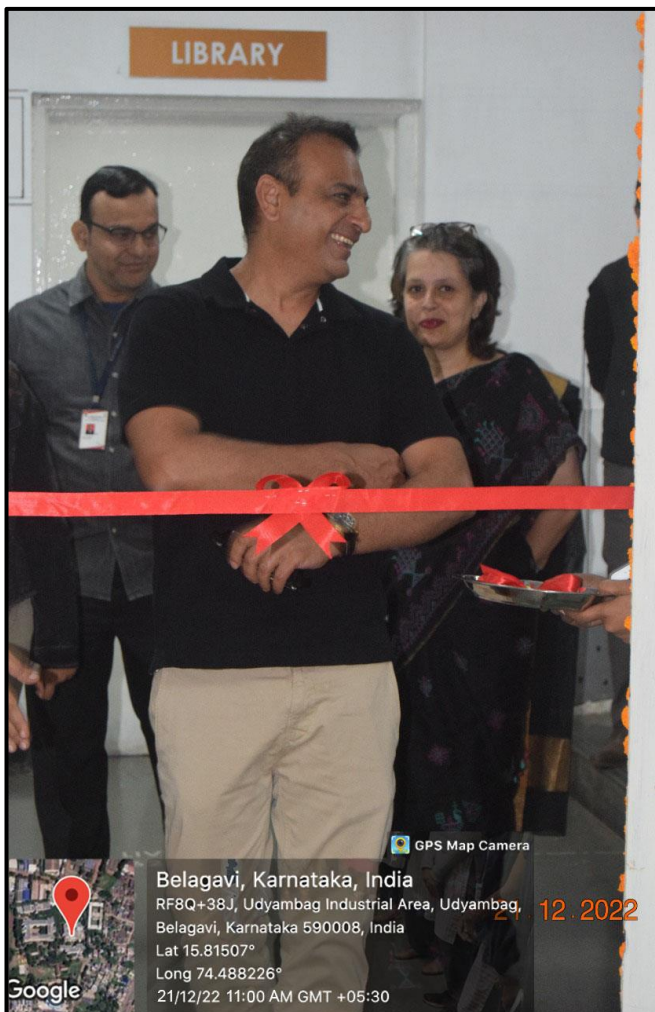

Webinars/Seminars/Workshops/Other Events

Urban Insert Exhibition by Department of Architecture

PARIGRAHA, Reflecting the City Soul. exhibition explores Reading the City with Udupi as a place to understand the religious character in core areas. It aims to sensitize people to the complexities of Urban fabric and its impact on Urban Life, the exhibition displays the ideas, design solutions, and expression of students' work on Udupi City.

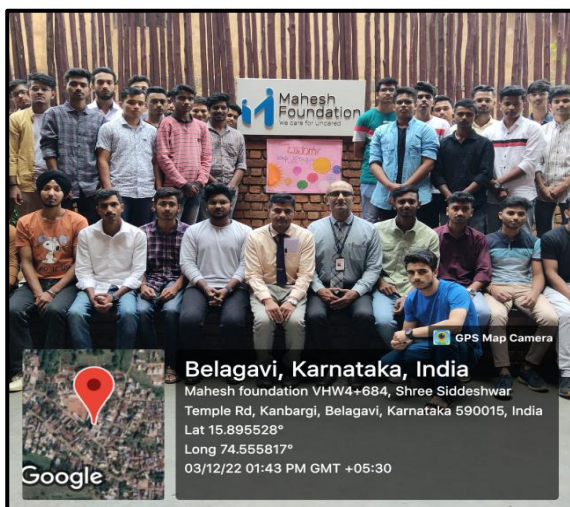

The exhibition was an culmination of the entire documentation and analysis works of the same. A special invitee Architect Praveen Bavadekar was invited to inaugurate and also give his expert comment on the studio exhibition.

Webinars/Seminars/Workshops/Other Events

KLS Gogte Institute of Technology, Department of MBA organised a three days PG CET Crash Course for MBA Aspirants from 8 November 2022 to 10 November 2022. The event was coordinated by **Dr Rajendra Inamdar**, **Dr Vanishri Hundekar** and **Prof. Sanjeevini Gurjar**.

KLS Gogte Institute of Technology, Department of MBA organised a session for students at Mahesh Foundation on 3 December 2022. Social worker Mr Mahesh Jadhav explained activities of NGO. The objective of the visit was to educate students regarding their social responsibilities. **Dr Sanjeev Ingalgi** delivered the talk and coordinated the event.

Dr Janhavi M. Karekar, demonstrated potentiometric titration of FAS, Fe in steel, pKa of weak acid and hardness of water to the students of Government Polytechnic college, Belagavi on 16 December 2022.

B.Sc. (Hons) students visited Chikkabagewadi village as a part of Field Visit (3rd Semester). They were accompanied by faculty **Dr S. A. Malladi** and **Dr Rashmi Kulkarni**. They did survey of the social status of village community and their problems. They collected water and soil samples for analysis.

In their next visit, students should come up with possible solutions to the problems faced by the villagers.

Webinars/Seminars/Workshops/Other Events

Bamboo Workshop

Bamboo workshop was conducted by Architect Veena from Studio Vinami, Bangalore. This workshop gave insight of using the non-conventional building materials and techniques work on hands-on (lashing details) using Bamboo. It helped the students to deal with site constraints and gave practical knowledge about the Bamboo construction as they produced two pavilions in our construction yard.

The students studied building construction methods specifically bamboo as a primary construction material.

This workshop shall eventually help students in applying native Indian vernacular construction techniques in their Architectural Design studio projects.

Structural Aesthetics

Structural Aesthetics at Department of Architecture workshop gave an understanding of various structural systems and their influence on spatial compositions. It also helped in Designing with Structural Aesthetics while accommodating various services required for a museum. One on one discussion with the resource person for resolving their individual designs based on structural aesthetics integrated with services helped them resolve their designs. Each student could work their structural details of their individual designs and discuss their concepts of designing.

The Resource person was **Architect Bharath Gowda** who is a renowned architect from Bangalore who specializes in Structural Aesthetics.

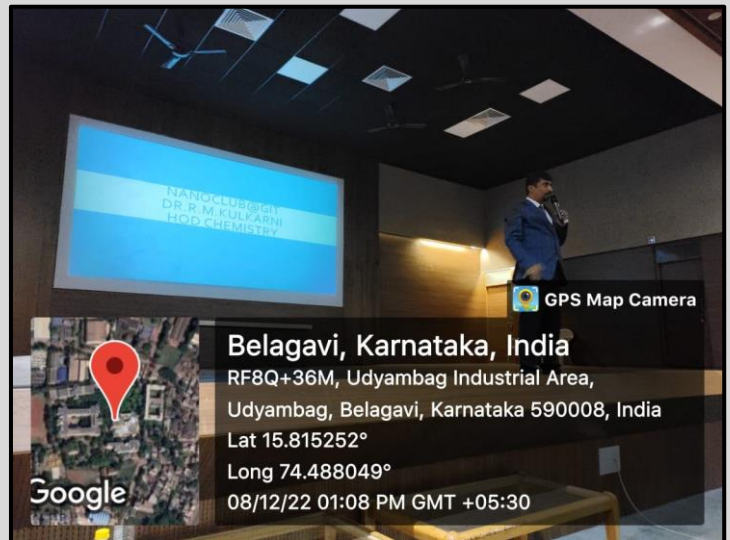

Webinars/Seminars/Workshops/Other Events

Department of Civil Engineering had organised **"Fresher's Welcome Function and Inauguration of Civil Engineering Association Activities"** for the academic year 2022-2023 for 3rd Semester students on 23 December 2022.

Dr Vaibhav Chate, Head of the Department, Civil Engineering addressing the students.

On 8 December 2022, **Dr Raviraj M. Kulkarni** interacted with first year students of engineering and briefed about the importance and scope of nano science and technology Nano Club @ GIT Orientation program.

Webinars/Seminars/Workshops/Other Events

Art Club

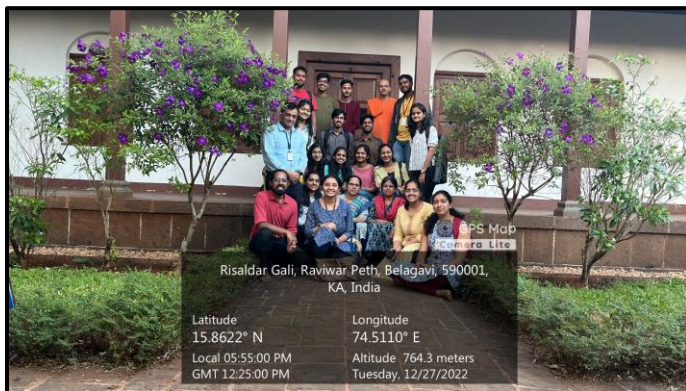

As an activity for the Art club, A Pottery workshop was conducted that was guided by the Central Village pottery institute, Khanapur.

The members of the club were given time to try their hands on the wheel while they made miniature pits and some clay artefacts.

Heritage Club

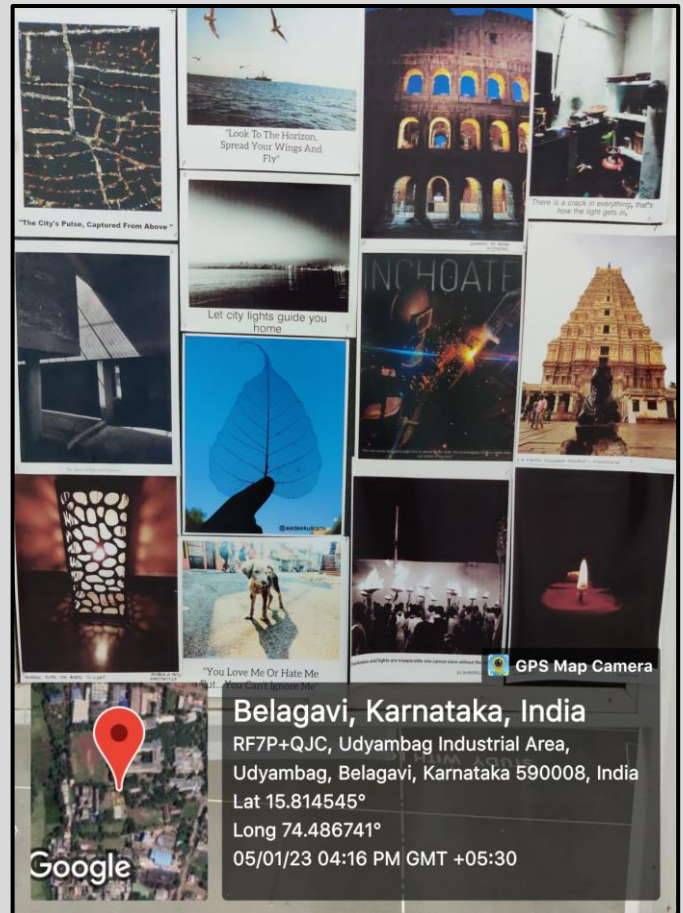

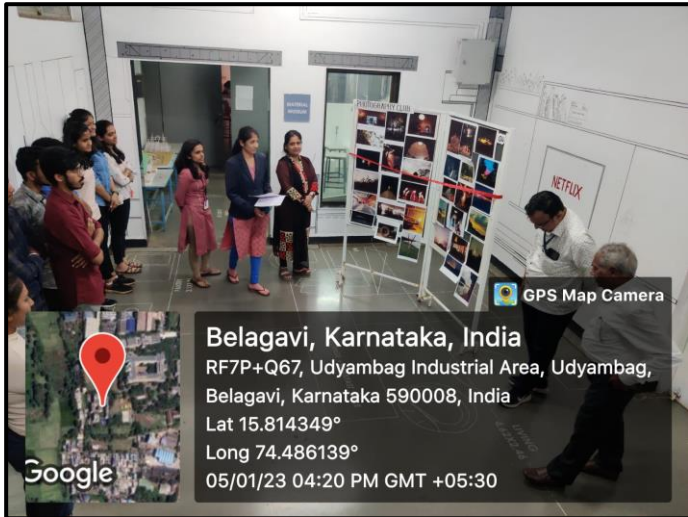

As an activity for the Heritage club the member were taken for a visit to the Swami Vivekanand Memorial

Webinars/Seminars/Workshops/Other Events

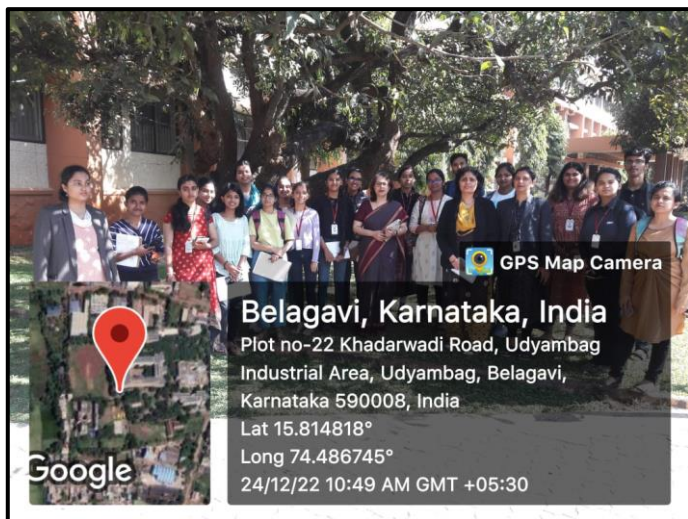

Photography Club

As an activity for the Photography club, a competition was held on various themes.

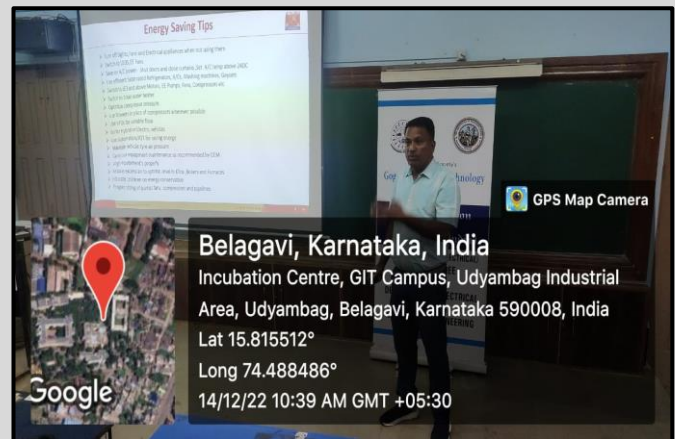

Nature Club

As an activity for the Natures club, the members was taken around the campus for Documentation of Trees.

Webinars/Seminars/Workshops/Other Events

Department of E&E, under the banner IE(I) and IIC organized Guest talk by **Mr Subhas Nesargi**, HoD, Electrical & Instrumentation, INDALCO, Belagavi on topic **"Energy Conservation"** on 14 December 2022 on the eve of National Energy Conservation Day. **Prof. Sudhakar C. J.** and **Prof. V. J. Shetty** coordinated the event.

Department of E&E, under the banner of EEA organised **"Blood Donation Camp"** in association with **Rotary Club of Belgaum** and **Belgaum Blood Donation Centre** on 21 November 2022. **Prof. N. R. Chitragar** coordinated the event.

Department of E&E, inaugurated the Electrical Engineering Association for the academic year 2022-23 on 29 November 2022. Chief Guest **Swami Mokshanad Maharaj** from Ramakrishna Mission Ashram, Belagavi inaugurated the event and delivered a talk on **"How to Achieve success and Happiness"**. **Prof. N. R. Chitragar** coordinated the event.

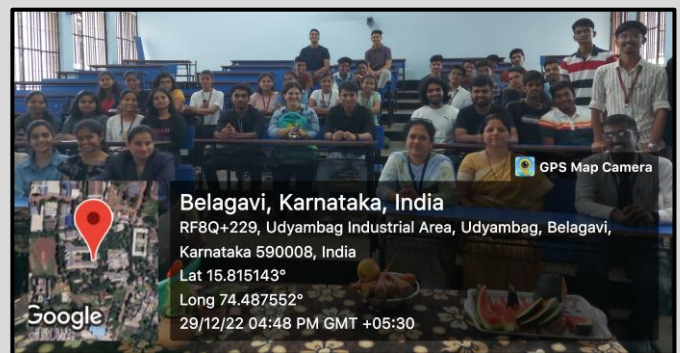

Department of E&E under the banner IE(I) organised **"VID-YOUTH"** Technical Fest for the department students from 23 December 2022 to 24 December 2022. Technical fest consisted of model making and trouble shooting events. **Prof. Sudhakar C. J.** coordinated the event.

Webinars/Seminars/Workshops/Other Events

Manure Preparation

AEE club of ECE, KLS GIT organised a agro-societal event called **"Manure Preparation"** on 29 December 2023 at 03:00 pm. Chief Guest for the event **Dr Aarati Bhandare** was first welcomed by AEE faculty co-ordinator **Dr Anupama Awati**. Dr Aarati is the founder of Amoolya Boondh foundation. A dentist by profession, she is proudly called as the Green Warrior and Water Warrior by Belgaumites. She showed students how to prepare the manure with the help of the material present at home. She explained the importance of manure that contains nitrogen, phosphorus, and other nutrients that plants need to grow and also shared the knowledge about how we people can often save money by properly using manure as a fertilizer to grow plants. Students from 3rd and 5th Sem of E&C department attended the program. The session concluded with the motive of taking a step forward to save the soil, water and world.

KLS GIT students win national design challenge

NT KURIOCIITY

A team of three students Mustaqim S. Zardoz, Sumit R. Kamble and Maithili A. Ghosarwadkar from the 7th semester mechanical engineering department, KLS Gogte Institute of Technology, Belagavi recently participated in the National Design Challenge on Mobile Kiosk for Fish Vending. They were among the winners and received the certificate of merit.

Left top row: Harshit Kulkarni, Jayant K. Kittur
Left bottom row: Mustaqim S. Zardoz, Sumit R. Kamble and Maithili A. Ghosarwadkar

This competition witnessed 160 teams from across India from premier institutes, start-ups and design and research institutes. The winners were felicitated at a ceremony in Delhi and a workshop on promoting Business Innovations in Indian Fishery Sector Cold Chain under the 'Make in India' programme was organised. Jatindra Nath Swain, the chief guest and IAS, secretary in the department of fisheries felicitated the winners. The National Design Challenge on Mobile Kiosk for Fish vending was launched by The World Bank and the Confederation of Indian Industry and DEFRA in May. The objective was to provide a platform to innovators, start-ups, technology providers, research institutes/associations and college students within the country to showcase innovative solutions to enhance the quality of

fish, minimise wastage and make it affordable for fish vendors. The evaluation process started with an initial screening in May 2022. The selected designs were invited for national-level presentation. The evaluation panel consisted of Shine Kumar, director, National Institute of Fisheries, Post-harvest technology and training; Edward Danish, chief R&D officer, Fresh to Home; PV. Kiran Ananth, deputy executive director, Confederation of Indian Industry, and other officials. The workshop served as a platform for connecting with various ecosystem players to interact, seek advice, and showcase concepts that will aid in scaling up and in adoption through the 'Make in India' programme.

'बेस्ट बी स्कूल्स ऑफ इंडिया'च्या क्रमवारीत जीआयटी

प्रतिनिधी

बेळगाव

जीआयटीच्या एमबीए विभागाला बिझनेस टुडे या मासिकाने 'बेस्ट बी स्कूल्स ऑफ इंडिया २०२२'च्या क्रमवारीत १४६ वा क्रमांक दिला आहे. विभागातील सौररचना, शैक्षणिक साधने, प्राध्यापक वर्ग, संशोधनपर कार्य, व्यवस्थापन, विकास उपक्रम, प्रवेश प्रक्रिया, प्लेसमेंट्स आणि सीएसआर उपक्रम अशा निकषांवर हा क्रमांक देण्यात आला आहे.

याबद्दल कार्यकारी मंडळाचे चेअरमन प्रमोद काठवी यांनी विभागाचे अभिनेंदन केले आहे. या संदर्भात बोलताना डीन डॉ. के. एस.

एल. दास म्हणाले, जीआयटीच्या एमबीए विभागाचे विद्यार्थी नेहमी गुणवत्ता यादीत असून आज अत्यंत नामांकित अशा कॉर्पोरेट कंपनीमध्ये कार्यरत आहेत, ही आनंदाची बाब आहे.

प्राचार्य डॉ. जयंत किंतूर यांनी जीआयटी जागतिक दर्जाचे शिक्षण देण्यास कटिबद्ध असून व्यवस्थापन मंडळ त्यासाठी सर्वतोपरी सहकार्य करत आहे, असे सांगितले.

GIT alumni receive award from DRDO

BELAGAVI, DHNS: KLS Gogte Institute of Technology (GIT) alumni Akshay Yadur (2020 batch) and Ayush Sharma (2019 batch) from the Electronics & Communication Engineering Department received an award from the Defence Research & Development Organisation (DRDO) for their project named 'Kavach-120' in the 'Dare to Dream 3.0' contest recently.

Their project named 'Kavach-120', a haptic-based communication and navigation

system, uses innovative haptic feedback and wireless communication technology built for communication and navigation in harsh environments with fewer visibility conditions like smoke, fire, fog, dark and dense vegetation where it is difficult to visually see hand signal gestures.

The award was presented by Defence Minister Rajnath Singh in the presence of Prime Minister Narendra Modi at a function held at Gandhinagar in Gujarat.

National conference on business ecosystem held

BELAGAVI, DHNS: KLS Gogte Institute of Technology MBA Department had organised a two-day national conference on the topic 'The Business Ecosystem: Disruptions and Way forward' recently.

WazirX, India Vice-president Rajagopal Menon present as chief guest said that disruptions of the internet started with web 1.0 read only, web 2.0 read and write, web

3.0 read-write-trust-verification.

He spoke about aspects pertaining to blockchain and bitcoin and also discussed various myths about crypto and how it can replace sovereign money.

Dean MBA KSL Das said that business markets have become integral to survival, strength and sustainability of economic well-being of a nation. Financial deepening

and innovation have become precursors of strong and viable economic structure. New avenues to invest and growth have to be explored by business houses.

Sanjeev Ingalgi, Govindraj Mane and Rekha Birje co-ordinated the event.

Governing Council Chairman Pramod Kathavi and Principal Jayant Kittur applauded efforts taken by the Department.

'Lifestyle disorder causes type-2 diabetes'

BELAGAVI, DHNS: Diabetologist and bariatric physician Neeta Deshpande said that a person is more likely to develop type-2 diabetes if he or she is not physically active and is overweight or obese. Extra weight sometimes causes insulin resistance and is common in people with type-2 diabetes.

She noted this during an interactive session on 'Causes and Preventive Measures to Curb Diabetes' organised by KLS Gogte Institute of Technology (GIT) Department of MBA on the occasion of World Diabetes Day on Monday.

Dr Deshpande said, type-1 diabetes can start at any age, but it often surfaces during childhood or teen years. Type-2 diabetes, more common type, can develop at any age. Type-2 diabetes is more common in people older than 40 years. The primary reason

for the occurrence of type-2 diabetes is lifestyle disorders.

She explained, location of body fat also makes a difference. Extra belly fat is linked to insulin resistance, type-2 diabetes, heart and blood vessel disease. So, she urged people to eat healthy, exercise and be alert about signals that the body indicates.

GIT Principal Jayant Kittur said, as part of a treatment plan for diabetes, one must involve learning about diabetes, taking steps to manage it and preventing complications.

Dean MBA KSL Das said that the MBA Department has always been instrumental in organising activities that benefit society at large.

Free blood pressure and sugar check-up camp was organised under the guidance of Mahesh Sattigeri. Ameet Chate and Sanjeevani co-ordinated the event.

GIT team wins prize in national design challenge

BELAGAVI, DHNS: Three seventh semester students of KLS Gogte Institute of Technology Mechanical Engineering stream participated in the National Design Challenge on Mobile Kiosk for Fish Vending, and were among the winners.

Students Mustaqim Zardo, Sumit Kamble and Maithili Ghosarwadkar excelled in the event and received certificates of merit.

The competition that witnessed the participation of 160 teams from across India was initiated by World Bank and Confederation of Indian Industry (CII) and DEFRA in May.

The objective of the contest was to provide a platform for innovators, startups, technology providers, research institutes/associations and college students to showcase their innovative solutions in order to enhance the quality of fish, minimise wastage and make it affordable for fish vendors.

The evaluation process started with initial screening in May 2022. Selected designs were invited for national-level presentation. National Institute of Fisheries Post Harvest Technology & Training Director Shine Kumar, 'Fresh to Home' Chief R&D Officer Edward, CII Deputy Executive Director P V Kiran Ananth and other officials formed the evaluation panel.

Recently, a programme to felicitate the design challenge winners was held at India Habitat Centre in Delhi.

A workshop on 'Promoting Business Innovations in Indian Fishery Sector Cold Chain under Make in India programme' was also organised.

जीआयटी एमबीएमध्ये मधुमेहावर कार्यक्रम

डॉ. नीता देशपांडे यांचे मार्गदर्शन

डॉ. नीता देशपांडे यांचे स्वागत करताना डॉ. जयंत कित्तूर, बेळगाव, केएलएस जीआयटी एमबीएम विभागातर्फे सोमवारी जागतिक मधुमेह दिनाचे औचित्य साधून मधुमेहतज्ज डॉ. नीता देशपांडे यांच्या मार्गदर्शन कार्यक्रमाचे आयोजन करण्यात आले होते. 'मधुमेहाची कारणे व उपाय' या विषयावर त्यांचे व्याख्यान झाले. यावेळी डॉ. महेश सतीगेरी यांच्या नेतृत्वाखाली रक्तदाब व मधुमेहाची मोफत तपासणी करण्यात आली. डॉ. नीता देशपांडे म्हणाल्या, 'टाईप १ हा मधुमेह कोणत्याही वयामध्ये होऊ शकतो. परंतु याची सुरुवात बहुदा बालपणात अथवा किशोर वयामध्ये सुरू होते. टाईप २ हा मधुमेह अधिक सामान्य प्रकार असून कोणत्याही वयात विकसित होऊ शकतो. ४० वर्षांपेक्षा जास्त वयोमानाच्या व्यक्तींमध्ये हा प्रकार जाणवतो. वजन जास्त व शारीरिकदृष्ट्या असक्षम असल्यास मधुमेहाची लक्षणे दिसू लागतात.' प्राचार्य डॉ. जयंत कित्तूर म्हणाले, 'मधुमेहाचे प्रमाण वाढत असून, मधुमेह होणार नाही याची खबरदारी घ्यावी.' मधुमेहाबाबत उत्तम माहिती दिल्याबद्दल विभाग प्रमुख डॉ. के. एस. एल. दास यांनी डॉ. नीता देशपांडे यांचे आभार मानले. डॉ. अमित चाटे व संजीवनी यांनी सूत्रसंचालन केले.

Students under the aegis of NSS unit of KLS's Gogte Institute of Technology take out a rally to create awareness on the importance of voting and voter registration in Belagavi. DH PHOTO

Students hold voter awareness rally

BELAGAVI, DHNS: Students under the aegis of NSS unit of KLS's Gogte Institute of Technology (GIT) held a voters registration campaign and a rally to create awareness on the importance of voting and to educate citizens on their duties towards nation.

State Level Master train-

er appointed from Zilla Panchayat office G M Sayeed addressed the students and requested the young voters to register their names under this campaign.

Over 500 students attended the training programme and an online registration demonstration campaign held at

Silver Jubilee Auditorium on GIT campus.

GIT Principal J K Kittur, NSS programme officer V V Rajput and others were present.

The programme was organised as part of Systematic Voters' Education and Electoral Participation programme.
