FROM THE PRINCIPAL'S DESK

Dear Sir/Madam,

It gives me immense pleasure to publish our latest bi-monthly newsletter eSpectra for the period Jan-Feb.2023. Past two months have been special to us. KLSGIT received the coveted **NAAC A*** grade from NAAC committee.

Many faculty from GIT received their PhDs in their respective branches. One of our faculty developed innovative research product "Retrofitted Bicycle" enabling cost reduction and pollution control using battery operation. GIT alumnus Kshama K. was awarded with "**The Indian Icon of The Year**", by Pride India Group.

KLSGIT received top honors and awards in the recently held **IMTEX** exhibition at Bengaluru. Our students bagged General Championship at recently held **Savishkar 2023** competition by Janin College of Engg. and Research, Belagavi. For the past two months, many FDPs, webinars, Alumini talks, industry expert talks, celebrations, etc. were held. Prominent among them are Voter's Day celebrations, Republic Day celebration, IPR Awareness, PG Fresher's welcome, etc. In spite of the global and Indian recession period, GIT has excelled in Placement with excellent numbers. MBA and Mechanical Departments held Alumini meets. Many faculty published their research in leading international Journals and Conferences.

All these and many more information have been added in the present eSpectra issue. I look forward to your excellent patronage and feedback

With Warm Regards,

Prof. D. A. Kulkarni
Principal.

Karnatak Law Society's

**GOGTE INSTITUTE OF
TECHNOLOGY**

KLS GIT PhD Awardees

Visvesarayya Technological University (VTU) Belagavi has awarded PhD degree during the **22nd Annual Convocation** held on **24 February 2023**. The faculty from KLS GIT are as follows:

Mr Jeetendra R. Gurjar for his thesis on "**Matrices and Their Eigenvalues in Graph Theory**" submitted under the guidance of **Dr Sudhir R. Jog**, HoD, Mathematics, KLS GIT, from the KLS GIT Research Centre.

Mr Vikrant Shende for his thesis on "**Hardware Implementation of a Novel Cryptographic Algorithm using Artificial intelligence**" under the guidance of **Dr Meghana Kulkarni**, from Department of Electronics and Communication Engineering., VTU Belagavi.

KLS GIT PhD Awardees

Ms Manjusha M. Patil (Magadum) from the Department of Mathematics, for her thesis on "**Distance related concepts in Graph Theory**" under the guidance of **Dr Deepak S. Revankar**, at the KLE Tech. Deemed to be University.

Mr Gururaj L. Kulkarni from the Computer Science and Engineering, for his thesis on "**Decision Support System for Diagnosis and Classification of Liver Cancer Diseases Using Microscopic Images**" under the guidance of **Dr Sanjeev S. Sannakki**, Department of Computer Science and Engineering, from the KLS GIT Research Centre.

KLS GIT PhD Awardees

Mr Basavaraj Kumbar from the Department of Library, for his thesis on "**Use of Web Technology in Engineering and Technological Institute Libraries: A Study**", under the guidance of **Dr K. R. Mulla**, from Ramaiah Institute of Technology, Bengaluru, from the VTU Regional Research Centre.

Ms Geetanjali S. Guggari from the Mechanical Engineering Department, submitted her thesis on "**Development, characterization and abrasive wear behaviour of Thermoplastic blend hybrid composite.**" under the guidance of **Dr Shivkumar S.** from the KLS GIT Research Centre.

KLS GIT PhD Awardees

Mr Manjunath G. A. from the Mechanical Engineering Department, submitted his thesis on "**Experimental investigation of alloy with boron nitride as reinforcement to improve microstructural and mechanical properties using multi directional forging technique**" under the guidance of **Dr Shivkumar S.** from the KLS GIT Research Centre.

Mr Prasad Pujar from the Department of Computer Science and Engineering, KLS GIT, submitted his thesis on "**Preservation of Fresh Water Ecosystem through an Integrated Energy Efficient Wireless Sensor Network System**" under the guidance of **Dr H. H. Kenchannavarm,** from the KLS GIT Research Centre.

KLS GIT PhD Awardees

Ms Padmavati Dandannavar from the Department of Computer Science and Engineering submitted her thesis on "**Predicting Personality Traits using Sentiment Analysis to support reinforcement of HR Practices – An Exploratory study**" under the guidance of **Dr S. R. Mangalwede**, from the KLS GIT Research Centre.

KLS GIT PhD Awardees

Ms Nupur Veshne from the MBA Department for her thesis on "**Impact of Communication Climate on Employee Engagement: A Case Study of Private Sector Banks in North Karnataka**" under the guidance of **Dr M. M. Munshi** from the VTU Regional Research Centre.

First year MBA student **Mr Vinay Kolkar** being felicitated during the PG Freshers' Welcome Function on 23 February 2023 through **Swami Mokshatmanandaji Maharaj**, Ramakrishna Mission Ashram, Belagavi who was the Guest of Honour. **Mr Vinay Kolkar** secured **6th rank** in the **Karnataka PG CET 2022 Exam**. Our generous KLS Management has given him **100% fee waiver**.

First year MBA student **Ms Janhavi Walvekar** being felicitated during the PG Freshers' Welcome Function on 23 February 2023 through Swami Mokshatmanandaji Maharaj, Ramakrishna Mission Ashram, Belagavi who was the Guest of Honour. **Ms Janhavi Walvekar** secured **106th rank** in the **Karnataka PG CET 2022 Exam**. Our generous KLS Management has given her **50% fee waiver**.

KLS GIT receives A+ Grade Certificate by the National Accreditation and Assessment Council (NAAC)

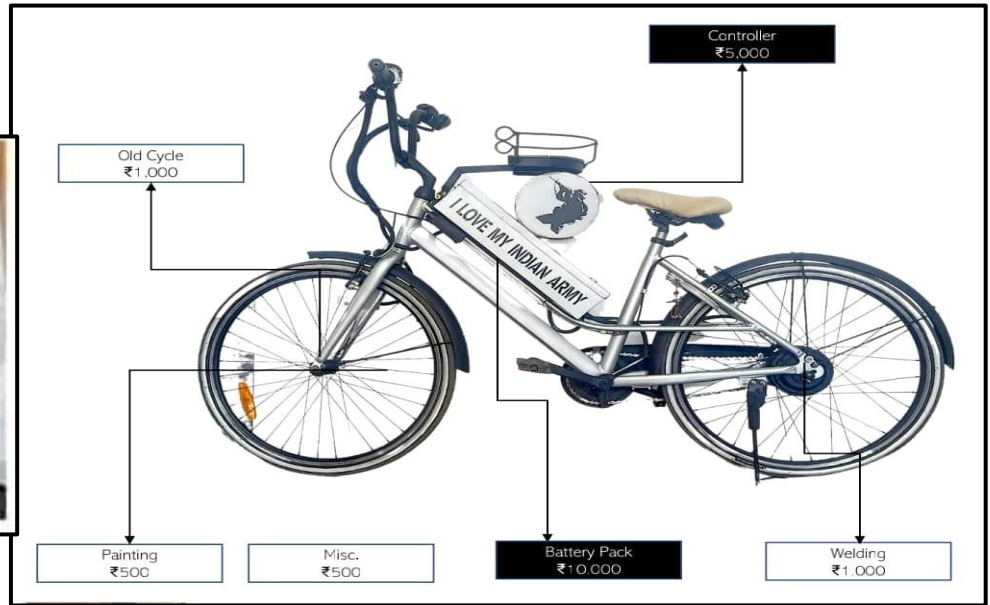

The **Karnatak Law Society's Gogte Institute of Technology**, Belagavi, was recently conferred with Accreditation **A+ Grade** by the **National Accreditation and Assessment Council (NAAC)**.

KLS GIT has received A+ grading consecutively for the second time for a period of 5 years. This has been based on their comprehensive assessment on the parameters such as Teaching Learning, Research, Industry-Institute Interface, Societal Concerned Activities, Alumni Performance, Transparency & Efficiency in the Governance and overall Academic excellence as well as the quality Students and Teachers.

The entire KLS GIT staff and students have received congratulations from KLS Management members for this outstanding accomplishment.

Awards and Recognitions

Innovation @ KLS Gogte Institute of Technology

Mr Shridhar, Instructor, Electrical and Electronics Department, KLS Gogte Institute of Technology, Belagavi, personally retrofitted a second-hand bicycle at cost of Rs.18,000/- and able to reduce his cost of daily commute to KLS GIT from his home to 40 paise per kilometer from Rs.4/- per kilometer that he spend on a petrol run two-wheeler.

He was applauded for his innovation and his inspiring attitude by the KLS GIT Management and Staff.

Awards and Recognitions

KLS GIT Participated in the “5th BITES Annual Convention 2022”

Dr J. K. Kittur, Principal KLS GIT; **Dr S. I. Goudar**, Dead R&D; and **Dr S. B. Deshpande**, SPOC,BITES, KLS GIT participated in the “**5th BITES Annual Convention 2022**” with the Theme “**Industry 4.0: Opportunities and Challenges**” in association with Infosys from 10 – 11 February 2023. All the three representative from KLS GIT actively participated in the Group Discussions. The Group Discussion topics were:

- Faculty readiness to educate students on Industry 4.0 technologies
- Preparing the academic curriculum by including technologies relevant to Industry 4.0
- Generating interest in students to strengthen their knowledge related to Industry 4.0
- Additional infrastructure required in the campus to adopt Industry 4.0
- Industry support required for implementing Industry 4.0 technologies

Dr J. K Kittur was also the panelist for the Panel Discussion on the topic “**Industry 4.0: Opportunities and Challenges**”

Awards and Recognitions

KLS GIT's Alumnus, Mr Biswajit Baruah nominated and recognised by the INDIAN ACHIEVER'S AWARD 2022 - 23, for the "Promising Start Up" Category

Mr Biswajit Baruah an alumnus of the CSE department has been nominated and recognised by the **INDIAN ACHIEVER'S AWARD 2022 - 23**, for the "**Promising Start Up**" Category.

Mr Biswajit is the founder and CEO of Hive Sustainable Solutions, a Belagavi (India) based start-up company, that deals with providing sustainable solutions for bus fleet operations and the bus industry as a whole, in India.

Mr Biswajit started his passion as an amateur Bus Photographer and to date has captured more than 100,000 pictures of buses. He is fond of gaining and sharing technical knowledge about mechanics and electronics which drive buses. He is currently working in the fields of Smart Mobility, Bus Codes, Inter-Modal Transport, Sustainable Transport, Biofuel Drivelines, Zero Carbon footprint initiatives, ITS (Intelligent Transport Systems), MaaS (Mobility as a Service), Big Data, PPP (Public Private Partnership), Smart Ticketing, Contactless Payments, Electric Drivelines, Smart City Initiatives, Passenger Safety, and Security, Digital Solutions for Vehicle Maintenance and Monitoring.

Awards and Recognitions

KLS GIT's Alumna, Ms Kshama Kulhalli, recognized as "The Indian Icon of the year" in the field of Education & Research

Pride India Awards (PIA) is one of the biggest award platform to recognise and promote businesses and professionals. PIA has awards in different categories, and based on per-set judging criteria the winners of each category are declared.

This year the PIA "**Indian Icon of the Year**" award in the field of Education & Research was bagged by our own alumna **Ms Kshama Kulhalli**.

Ms Kshama is currently a Professional Consultant at Ghatge Patil Industries Limited Kolhapur, Maharashtra, India. She is a hardcore passionate academican from the last 38 years. Ms Kshama is from the batch of 1980-1984 from the Electronics and Communications Engineering. Team KLS GIT is proud for her achievement.

Awards and Recognitions

KLS GIT bags 3rd Prize at the IMTEX National Event

The Indian Machine Tool Manufacturers' Association (IMTMA) organised the 20th edition of South and South East Asia's biggest exhibition on machine tool and manufacturing technologies at Bangalore International Exhibition Centre (BIEC), Bengaluru, from 19 January 2023 - 25 January 2023. **IMTEX 2023** had Tooltech and Digital Manufacturing as concurrent shows. Over 350 exhibitors from 16 countries participated in the exhibition that was being held after a gap of two years.

KLS GIT showcased their research work at i2 (Industry – Institute Pavilion) in the event and bagged the 3rd place with cash prize for the outstanding research work entitled "Minimum Quantity Lubrication Assisted Milling of Aluminum Alloy at Industry". The research work was conducted by **Dr Harshit B. Kulkarni** under the guidance of **Dr Mahantesh M. Nadakatti** and **Dr Raviraj M. Kulkarni**. KLS GIT competed with premier institutions like IIT Kanpur, IIT Madras, and PSG College etc. and has bagged this prize.

Prof. Pradnya H. Kulkarni, Prof. Prajkta S. Patil, Prof. Anand A. Kulkarni, Prof. Mahesh Sattigeri, Dr Sachin Kulkarni and **Prof. Mahesh Kori** also represented KLS GIT. The participated students were **Aditi Joshi, Bhakti Ashtekar, Moosa Shapuri, Nitesh Patil, Prateek Tigadimath** and **Rakesh Terani**

KLS GIT governing council chairman Shri Rajendra Belgaumkar, Principal Dr J. K. Kittur, HoD of Mechanical Engineering Dr Harshit B. Kulkarni, students and staff congratulated the team for their extraordinary achievement.

Awards and Recognitions

KLS Gogte Institute of Technology won the General Championship at "Savishkar-2023"

Students of KLS Gogte Institute of Technology (GIT) won the general championship at "Savishkar -23" organised by Jain College of Engineering & Research, Belagavi.

27 students participated in nine events and won prizes. Veterans won first prize in "Hackathon". Varun, **Kartik**, **Preetam** and **Prem** won first prize in "Robo Racing". **Yash**, **Manav** and **Prathamesh** won second prize in "Robo racing". **Prathamesh and Team** won first prize in "Trouble Shooting". Irish was runners at "Quiz". **Team Starlight and Optic Gaming** won first and second prize in "Virtual Gaming". **Harsh and Team** won first prize in "Photography". **Tejas and Team** won first prize in "Treasure Hunt". **Bhavana and Team** were runners at "Group singing". **Swarali** won runners at "Solo Singing".

The KLS GIT team was lead by **Prof. Poorva Adhyapak**.

Awards and Recognitions

IEEE Student Branch of KLS Gogte Institute of Technology Belagavi appreciated at Annual General Meeting 2023 of IEEE Bangalore Section

The IEEE Student Branch of KLS Gogte Institute of Technology Belagavi was appreciated at Annual General Meeting 2023 of IEEE Bangalore Section recently held in REVA University campus, Bengaluru on 8 January 2023.

Under "**Large Student Branch category**" **Prof. Abhishek Deshmukh** was awarded as "**Outstanding Student Branch Counselor**" for the year 2022.

IEEE Bangalore Section has 125 Student Branches in various Engineering colleges around the Karnataka state. Where Large Student Branches having more than 200 members are only 10. KLS GIT Belagavi is amongst them.

Under the Region 10 MDLT funds, IEEE Bangalore Section floated Membership Development Challenge between the dates 20 July 2022 to 12 September 2022, where the competition was to increase members at the Student Branch. KLS GIT Belagavi added 100 new members and was Ranked No. 1 at the state level.

At AGM, the student Branch was awarded with a certificate of Recognition through the hands of Chairman IEEE Bangalore Section, **Mr Aloknath De**, CTO Samsung India, Bengaluru.

Awards and Recognitions

Ms Manisha Patil MCA Student bags third in the University Level Essay Competition

Ms Manisha Patil, third-semester MCA student at KLS Gogte Institute of Technology, took part in the University-Level essay competition on "**National Education Policy 2020**" that was held on 22 December 2022 by the Visvesvaraya Technological University.

The event was conducted at the college level initially and later at the University Level at the VTU Regional Office, Belagavi. Ms Manisha presented her ideas on the National Education Policy 2020 with a remarkable degree of clarity and conviction while competing with participants from 20 institutions.

As a result of her devotion and hard work, she won the third prize in the tough competition. The principal, management, and staff of KLS GIT heartily congratulated Ms. Manisha Patil for her outstanding accomplishment.

Three Day FDP on “Mathematics Lab Using Python”

Dr S. Vidyashankar, Honorable Vice chancellor of Visvesvaraya Technological University (VTU), Belagavi, inaugurated the Three-Day Faculty Development Programme on, “**Mathematics Lab using Python**”, organised by KLS Gogte Institute of Technology’s Department of Mathematics in association with VTU on 5 January 2023. Around 65 faculties from Mathematics Department from various Engineering colleges affiliated to VTU will be benefitted through hands-on training by this FDP. The FDP is being organised at KLS GIT’s premise.

Addressing as Chief Guest, The Vice Chancellor emphasised the need of shaping the syllabus which is tailor made to increase employability. He insisted to conduct many more such types of FDPs to make the teaching fraternity ready for new challenges. The VC expressed his strong desire of bringing revolutionary reforms in all dimensions of academia to mould the pedagogy with latest technology and stakeholder friendly.

Shri Rajendra Belagumkar, Governing Council Chairman, KLS GIT in his presidential remarks said that the Laboratory in Mathematics was an unknown word a few decades back. It was beyond imagination or rather laughter. Use of Mathematical tools like MATLAB and python in the present era is not only the necessity, but quite beneficial in the long run

Three Day FDP on “Mathematics Lab Using Python”

Dr Jayant Kittur, Principal, KLS GIT in his welcome speech praised the VC for his dynamic approach towards bringing the change in mindset of faculty to handle challenges in future. He also appreciated the mammoth efforts put in by all Physics/Chemistry/Mathematics (PCM) faculties, Board of Studies (BoS) members of VTU in revamping the syllabus. Dr Suresha M., BoS Chairman of Basic Sciences and Humanities, VTU, said that the 24X7 herculean task was shouldered to the team of Mathematics Professors of VTU in preparing the lab manual and training teachers in a professional manner.

Dr S. R. Jog and **Dr P. R. Hampiholi** are the conveners for this three-day FDP. **Dr H. S. Ramanadast**, Joseph Engineering College, Mangaluru; **Dr K. Sushan Bairy**, SOAS REVA University Bengaluru; **Dr Smita Nagouda** Christ (Deemed to be University) Bengaluru and **Dr Chandrashekara G.**, BMS College of Engineering Bengaluru are the resource persons for the three-day FDP. Mathematics Faculty of KLS GIT Belagavi coordinated the entire event.

A National Intellectual Property Awareness Mission (NIPAM) under the initiative of the Government's "**Azadi ka Amrit Mahotsav**", has been launched by Shri Anurag Jain, Secretary, #DPIIT.

The pan-India ambitious mission aims to provide awareness of the intellectual property and its rights to 1 million students. It aims to inculcate the spirit of creativity and innovation in students of higher education (classes 8 to 12) and ignite and inspire the students of colleges/Universities to innovate and protect their creations.

The event was organised by the IIC of KLS GIT on 10 January 2023. 40 students participated in the event and was conducted online mode by **Mr Jyotish Kumar**, Patent Examiner (Group A Gazetted officer) Indian Patent Office.

The session was organised by coordinators **Dr Padma S. Dandannavar and Prof. Ramesh B Koti**. **Dr Manjula Ramannavar** was the convener of the event and **Dr Kiran Tangod** was the President, of IIC, KLS GIT.

KLS GIT supports the Made-in-Bengaluru movie on start-up journey

KLS GIT organised **A Special Free Screening of a Kannada Movie** made on an entrepreneur journey, "**Made in Bengaluru**", on 19 January 2023 at the **Swaroop-Nartaki theatre**, Belagavi. More than 500 students of KLS GIT watched this movie on the screen.

This movie has addressed the start-up culture and the journey of becoming an entrepreneur. This movie can help the young engineering students to understand and address the issues with start-ups and the commitment and team work necessary to excel in becoming a successful entrepreneur. KLS GIT has always supported and nurtured the ideas of the student start-ups, and many of the KLS GIT's alumni are now the CEO's of recognised start-ups at the national and global level.

The KLS Management; Chairman Governing Council, Shri Rajendra Belgaumkar; the Principal, Dr Jayant K. Kittur; Deans; HoDs; Faculty and Students, supported this movie and appreciated the movie team for bringing the awareness amongst the young students. They also thanked Mr Anil Potdar for providing the screen at Swaroop-Nartaki theatre for this great cause.

KLS GIT celebrates 13th National Voters' Day

The Electoral Literacy Club of KLS Gogte Institute of Technology, Belagavi celebrated "13th National Voters' Day" on 25 January 2023.

KLS GIT organized quiz and essay writing competitions for the students in view of observing "National Voters Day-2023" based on the theme "Nothing Like Voting, I Vote for Sure". The main focus of these events is to create awareness about the electoral process among prospective voters of India.

Dr Venkatesh N. Satwik, Dean Administration presided over the function on the occasion of the voter's pledge ceremony. Electoral Literacy Club coordinator, **Ms Swarooprani H. Manoor** coordinated the Voters' Pledge Ceremony.

On this occasion, Deans, Heads of various departments, faculty members, and administrative staff were present. Students took voters' pledge in their respective classes.

KLS GIT celebrates 74th Republic Day

India attained independence from British rule on 15 August 1947, it wasn't until 26 January 1950, that the Constitution came into effect, and India became a sovereign and a republic state.

India marks its Republic Day annually on 26 January. On 26 January 2023 India celebrated its **74th Republic Day**. KLS Gogte Institute of Technology also celebrated the 74th Republic Day as a mark of great reverence towards the country

The principal **Dr J. K. Kittur** unfurled the national flag and all the staff of KLS GIT participated and witnessed the great event.

Seminar on “Green Buildings and Built Environment”

GBC Belagavi Chapter in association with Confederation of Indian Industry [CII] and KLS Gogte Institute of Technology, Belagavi organized a Seminar on “**Green Buildings and Built Environment**” on 28 January 2023 at KLS Gogte Institute of Technology, Belagavi campus.

Shri Rajendra Belgaumkar, Chairman, of IGBC Belagavi Chapter and Chairman of Governing Council, KLS Gogte Institute of Technology, Belagavi welcomed the gathering. The event was followed by watering the plant by the dignitaries and students. **Shri Vinayak Lokur**, Vice Chairman, CII, Belagavi addressed the audience on “**Sustainability as core to Businesses**”. **Shri Sidhesh Mishra**, Executive Officer, CII IGBC addressed the audience on “**IGBC Journey towards the Green Building Movement in India**”. **Shri Anand S.**, Engineer, CII IGBC enlightened the audience on “**IGBC Green Concepts, IGBC Rating Framework, Benefits and Opportunities Ahead**”. **Shri Ramachandra Satpute**, Key Account Manager, Karnataka Saint Gobain India Private Ltd addressed the audience on “**Green Product – Specification and Applicability for Sustainable Buildings**”. **Dr Vaibhav R. Chate**, HoD, Civil Engineering proposed the vote of thanks.

The program concluded with National Anthem. 70 delegates, faculty, and students attended the program. The program was attended by the delegates from IEI, CII, IGBC Belagavi Chapter, and Karnataka Saint.

Interactive Session on “Writing Proposals to Funding Agencies”

Dr Maitreyee Nanda, Ex Secretary, Aeronautics Research and Development Board (AR&DB) Ministry of Defence, DRDO, New Delhi visited KLS GIT on 2 Feb 2023 at and presented an interactive session focusing on writing the proposals for different funding agencies of the central government. The function was held at Silver Jubilee Auditorium between 10.15 A. M. to 12. 00 P.M.

All Faculty members who have completed their PhD; Faculties those who are pursuing PhD; HODs; Section Heads; Coordinators & Deans attended the interaction.

The event was organised and coordinated by the Dean R&D **Dr Shweta I. Goudar** and **Ms S. H. Manoor**, Assistant Professor, Department of MCA.

Interactive Session on “The Changing Landscape in Education Sector”

Mr Hemant Sahal, Founder and CEO, CollPoll visited GIT on 2 Feb 2023 and interacted with all the Faculty members on the topic “**The Changing Landscape in Education Sector**” between 12.15 P.M. to 2.00 P.M.

About CollPoll

CollPoll is a web and mobile based AI-powered campus automation, digital learning and analytics platform designed to address the rising complexity, competition, and digital compliance of higher education institutions.

One Day FDP by Mr Ramkumar Seshu and Team

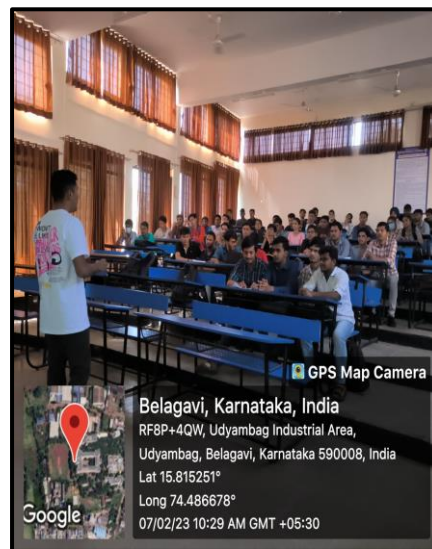

A One-Day FDP was organised for the GIT Faculty on 8 February 2023 by **Mr Ramkumar Sheshu**, Author of ***Born to Win*** and his team interacted with the faculties on various topics.

Mr Ramkumar Sheshu on the topics: “**India on the move**”; “**The Future Ready Mindset**”; and “**Antar Prerana**”. He also shared his knowledge on how to develop passion for research.

Mr Sunil Telkar shared his knowledge on “**How to ignite innovation and creativity**”. **Mr Sankarnarayan** shared his knowledge on “**Culture of Excellence**”; and **Mr Jeba** shared his knowledge on “**Exceeding Industry Expectations**”. The FDP also included panel discussion on being future ready. The Panelist included all HoDs and Deans with Dr J. K. Kittur as the Chair.

Principal **Dr J. K. Kittur** welcomed the function and KLS GIT GC Chairman, **Shri Rajendra Belgaumkar** gave his concluding remarks during the valediction. The entire programme was organised by the Dean Administrator, **Dr Venkatesh Satvik** and **Prof. Prajakta Patil** was the Comperere.

STARTUP SPRINT – Drive Innovation

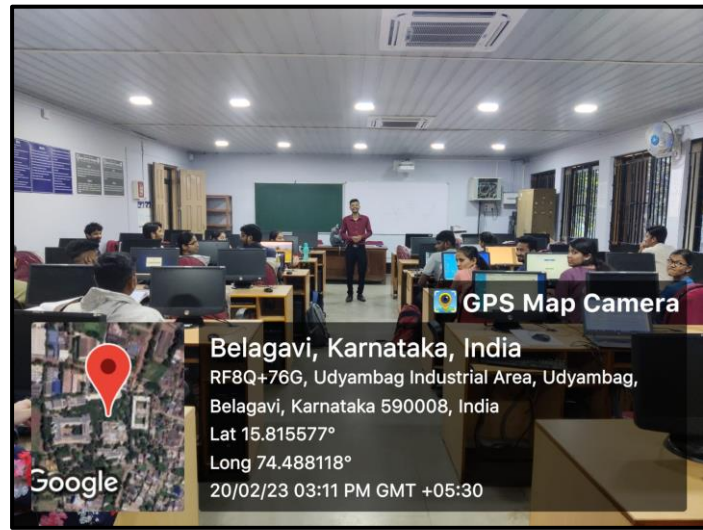

The Information Science Engineering department, in collaboration with the IIC, KLS GIT, successfully ran a 3-day idea competition called “**STARTUP SPRINT**” from 7 February 2023 to 9 February 2023. More than 80 students signed up for the event. For the final round, 10 teams were chosen as finalists. The top two teams received awards. The activity encouraged the pupils to present their views and cultivated a spirit of competition. Mentors included **Mr Supreet Dixit**, Director of Reputable Marketing Solutions, and **Dr Govindaraj Mane**, MBA Department, KLS GIT,

The event coordinators were **Prof. Shubha Saanu** and **Prof. S. D. Perur**, ISE Department, KLS GIT.

The event was supported by **Dr Manjula Ramannavar**, IIC, KLS GIT Convener; President of the IIC, **Dr Kiran K. Tangod** and Principal KLS GIT **Dr Jayant K. Kittur**.

Launch of "Microsoft Cyber Shikshaa for Educators"

The launch of the "**Microsoft Cyber Shikshaa for Educators**" training program under the Microsoft Philanthropy initiative in association with the ICT school took place on 20 February 2023,

KLS Gogte Institute of Technology has been chosen for stage 3 training on Microsoft Cyber Shikshaa for Educators, being one of the top 10 colleges chosen for the training throughout Karnataka.

The event was inaugurated by **Mr Pavan Balakrishna**, Relational Manager, ICT Academy, and **Mr Hrushikesh Walvekar**, Trainer, ICT Academy was the guest of honor. **Dr Bhagyashri Pandurangi**, of the ECE department, hosted the event. **Dr Pijush Barthakur**, **Prof. R. J. Kadkol**, and **Prof. Sagar Pujar** coordinated the event. The training program was supported by the Principal KLS GIT, **Dr J. K. Kittur**; **Dr S. S. Shanbhag**, HoD ECE; **Dr V.S. Rajpurohit**, HoD CSE and **Dr K. K. Tangod**, HoD ISE

PG Freshers' Welcome Function

The PG Freshers' Welcome Function was organised by the KLS GIT's Department of MCA on 23 February 2023. MCA Alumni **Mr Suraj Vernekar**, Technical Product Owner, Siemens was the Chief Guest; and **Swami Mokshatmanandaji Maharaj**, Ramakrishna Mission Aashram, Belagavi was the Guest of Honour.

Mr Suraj Vernekar insisted the PG students to focus on coming up with new ideas and their ideas could get accepted in India itself in the present scenario. He also warned the students not to get demotivated by the layoffs and they too can think of their own startups.

Swami Mokshatmanandaji Maharaj started his motivational speech that KLS GIT is the IIT of Belagavi. In his address he elaborated the importance of acquiring knowledge and how meditation helps one to conquer senses and mind by quoting from the Bhagavad-Gita. He also enlightened the students about the type of pains: Pain of Discipline and Pain of regret and that the second pain endures for a longer time. He motivated students by quoting Swami Vivekanand and elaborated on the truth: and its nature "**Satyam-Shivam-Sundaram**".

Principal **Dr J. K. Kittur** in his address to the audience congratulated the freshers for choosing KLS GIT. The function ended by felicitation of PG CET rank holders. The entire function was managed by the Department of MCA. **Dr J. B. Madalgi**, HoD MCA gave the Welcome Address. **Ms S. H. Manoor** introduced the guests, **Mr H.S. Mogare** delivered the vote of thanks and the programme was anchored by **Mr Abhishek Nazare**.

One Day Workshop on “Teaching Learning Pedagogy”

The poster is for a one-day workshop titled "TEACHING LEARNING PEDAGOGY" presented by Dr. Mohit P. Tahiliani. It is organized by Karnatak Law Society's GOGTE INSTITUTE OF TECHNOLOGY, Udyambag, Belagavi. The event is scheduled for 25 FEB, 2023 at 11:00 AM at SIR M. V. HALL, KLSGIT. The coordinators are Dr. H. H. Kenchannavar & Prof S. D. Perur, and the resource person is Dr. Mohit P. Tahiliani from NITK, SURATHKAL. Other organizers include Dr. Arunkumar P., Dean Academics-Development, and Dr. J. K. Kittur, Principal, KLSGIT. The poster features logos of the Karnatak Law Society and GOGTE Institute of Technology.

A one day workshop on “**Teaching Learning Pedagogy**” was organised for the faculty of GIT on ,25 February 2023.. **Dr Mohit Tahiliani** from NITK Surathkal was the resource person.

Dr Mohit Tahiliani is an Assistant Professor in the Department of Computer Science and Engineering, NITK, Surathkal. He enjoys teaching, implementing, tweaking and evaluating network protocols for Internet Traffic Engineering, especially the tasks related to TCP Optimisations, Linux Queue Disciplines, ECN and 802.11 Rate Adaptation Algorithms.

Presently he is the Chairperson of IEEE Mangalore Sub-Section, Member of the Steering Committee of ns-3 consortium and Member of the Board of India Internet Engineering Society.

Talk on “Framework of Indian Patents, Publications and Grants”

On the Eve of “**National Science Day**” i.e. 27 February 2023, the Department of Chemistry, in association with, IIC, KLS GIT organized an Invited talk on “**Framework of Indian Patents, Publications and Grants**”.

Dr Shivaprasad H., Attorney General of Patents & Designs, Indian Patent Office, Chennai was the invited guest speaker.

The event was coordinated by Faculty Coordinators: **Dr Janhavi M. Karekar**, **Dr Sheela A. Sangam** and **Dr Rashmi C. Kulkarni**. The event was mentored by **Dr Manjula Ramannavar** Convener, IIC, KLS GIT; **Dr Raviraj M. Kulkarni**, Vice President, IIC and HoD, Chemistry; and **Dr Kiran K. Tangod**, President, IIC and HoD, ISE.

Dr Jayant K. Kittur, Principal, KLS GIT supported the event

Placement Cell

Placement statistics for the 2023 graduating batch for the month of January – February 2023.

- **Hello Apps (CTC: 4 LPA)**

Mr Kiran Bapat

**MD - Kiran Bapat & Associates
Rajkot, Gujarat, India**

Mr Kiran Bapat an alumnus of the Civil Engineering department (batch of 1986 - 1989) is the Managing Director at Kiran Bapat & Associates Rajkot, Gujarat.

He has over 30 years of experience in Project Industry in India and abroad. Leadership Positions, Project Management, Contracts Management, Project Commercials, Work Areas Construction, Project Execution, Commercial Management, Contracts & Procurement, Cost Control, Contacts Management.

Projects Undertaken - Refinery, Petrochemical/Gasification plants, Power Plants, Port/Jetties, International Airport, IT Park, Industrial Plants, Pellet Plant, Beneficiation Plant, ET Plant, Residential Commercial/Infrastructure.

Organizations served Reliance Industries Ltd., Essar Projects, DLF- LOR, Al Nabooda Laing-Dubai, AMB Buildings - Dubai.

Current Position Vice President - Project Contracts and procurement & Assignment Reliance Industries Ltd. Jamnagar.

Summary of Professional Experience

Self-employed

Managing Director

April 2022 - Present

L. V. Prasad Film and Television Academy.

Kulkarni & Bapat Associates
Managing Partner & Regional Head -
Gujarat

April 2022 - October 2022

Pune, Maharashtra, India

Reliance
Vice President

August 2012 - December 2021

RELIANCE INDUSTRIES LTD.
VP – Contracts, Project & Procurement

August 2012 - December 2021

Jamnagar Area, India

Essar Projects India Ltd

Project Manager

2007 - 2012 (5 years)

DLF LaingORourke

AGM-commercial

2006 – 2007

Education

- Sikkim Manipal University of Health, Medical and Technological Sciences
- Master of Business Administration (MBA-Finance), Finance (2007 - 2009)
- **KLS Gogte Institute Of Technology**
Bachelor of Civil Engineering (1986 - 1989)
- Institution of Engineers of India (IEI), Kolkata
Chartered Engineer, Civil Engineering

Mr Suhas Kulkarni

**Head of Presales & Solutions Delivery –
Digital Solutions , Bengaluru, India**

Mr Suhas Kulkarni is an engineering graduate from the department of Electrical and Electronics Engineering of the 1991 - 1995 batch. He is a Senior Management Professional with 27 years of extensive experience in Sales and Operations of concept to commissioning of Electrical, Instrumentation, Automation and Digital Analytics Projects for Process and Energy Industries. Presently working as Head of Proposals and Customer Projects in the PA Digital Organization in ABB. Process and Energy Industries.

Skill Sets:

Project Management, Application and Solution Sales, Marketing, Engineering, Operational Excellence, Industrial Automation, Resource Planning and Development, Customer Management, Service Business Strategy, Digital Analytics, Data Science, AI/ML applications for Process and Energy Industries.

Summary of Professional Experience

ABB

Head of Proposals and Customer Project Delivery - Digital Solutions Factory

January 2021 - Present
Bengaluru, Karnataka, India

Global Service Manager - F&B, Datacenters and Smart Factories

September 2019 - January 2021
Bengaluru, Karnataka, India

Global Program Manager EMF

February 2017 - August 2019
Bengaluru, Karnataka, India
Global Program Manager for the new products introduction across various factories in Electro Magnetic Flowmeter Product Line.

Distinguished Alumni

Project Operations Manager, Business Unit Process Industries

June 2012 - January 2017

Bangalore

Global Application Sales Manager, Business Unit Metals

April 2010 - May 2012

Bengaluru Area, India

Global Application Sales Manger for Primary Metals

Technology Manager - Process Automation Division

September 2009 - March 2010

Head of Engineering – Control Technology

January 2006 - August 2009

Manager – Engineering

March 2002 - December 2005

Senior Project Engineer

May 2000 - February 2002

Senior Engineer in Business Unit Control Technologies

Kirloskar Ansaldo Engineer

1997 - 1999 (2 years)

Education

- **Gogte Institute of Technology**

(Karnatak University)

Bachelor of Engineering (BE), Electrical and Electronics Engineering (1991 - 1995)

- Indian Institute of Management

Bangalore

Fast Track Management Program for Young Managers, Business Administration and Management, General (April 2004 - April 2006)

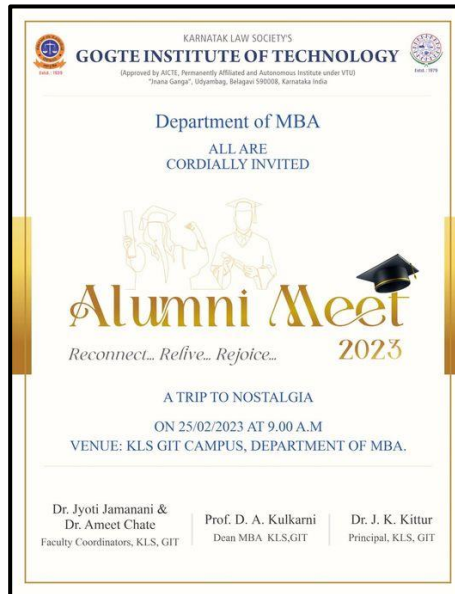

- Indian Institute of Science (IISc)

Advanced Programme in Computational Data Science, Data Science (April 2022 - April 2023)

Top Skills

- Asset Performance Management
- Digital Solutions for Industries
- DCS

Alumni Meet @ MBA Department

The Department of MBA, KLS Gogte Institute of Technology, Belagavi had organised an Alumni meet on 25 February 2023.

Chief guest, **Shri .Pramod Kathavi**, Chairman-MAM Section, KLS Gogte Institute of Technology said that Alumni associations are an integral part of the institute. Along with bringing the college mates together, they serve multiple other benefits for students. One of the benefits of alumni associations is that it allows professionals from diverse fields to come together and share their expertise and knowledge with the students.

Principal, **Dr Jayant Kittur** appealed for active participation of alumni in the development of the department. The MBA alumni shared their experiences , their professional journey and interacted with the students.

Prof. Digambar Kulkarni, Dean- MBA welcomed the gathering. **Dr Jyoti Jamnani** and **Dr Ameet Chate** organised the event.

Alumni Interaction Session

As a part of the recent orientation schedule for the 1st semester students, the MCA department invited their alumni **Mr Ajay Akiwate**, **Ms Harshada Khandekar** and **Mr Samarth Kulkarni** to interact with the students.

They addressed the students on "**Placement Preparedness**", their journey from "**Campus to Corporate**" and "**Roadmap for a Career**". These tit bits were of immense help to the MCA freshers.

Alumni Interaction Session

Department of Mechanical Engineering organised an alumni interaction session on 11 February 2023. The proud alumnus, **Mr Arun Nooli** - batch of 1992 from the Industrial Production and Engineering delivered a session on "**Industry 4.0 Driving Factory Of The Future**".

He elaborated on the following points.

- **What is Industry 4.0**
- **Key Objectives**
- **Factory of the Future**
- **Key Benefits of industry 4.0**

Students of 3rd semester mechanical engineering attended the session and were benefitted.

Alumni as a Chief Guest for Inaugural Function

The inaugural function of ACE activities for the year 2023 and the fresher's welcome function for the 3rd semester for the Computer Science and Engineering students was conducted on 6 January 2023.

The inaugural function witnessed the proud alumnus **Mr Vinod Dalawai** gracing the occasion as the Chief Guest. Mr Vinod is an alumnus of the 2010-14 batch from CSE. He is currently a Application Development Senior Analyst at Accenture. He addressed the students and highlighted the key traits in IT companies.

The event was witnessed by the faculties of the department and the students of various semesters.

19th January 2023 | 3:00 PM to 5:00 PM | Thursday
Venue: Sir M.V. Hall, KLS GIT

Dr. Manjula Ramannavar | **Dr. Kiran K. Tangod** | **Dr. J. K. Kittur**
Convener | President, IIC, KLS GIT | Principal, KLS GIT

Prof. Ramesh Koti and Prof. Shashank Bangi
Event Co-ordinators

Mr Harish Pangri , a proud alumnus from the ECE department was on campus on 19 January 2023 to deliver a session on IPR Awareness for students and faculty of his alma mater. This event was hosted under the banner of IIC of KLS GIT.

Mr Harsh focuses and provides consulting on many aspects of Intellectual Property (IP) and is the Founder of “**IP-FY**” - which is an IP Consulting division under Two52 Clearly defined IP Consulting LLP, that advises on strategies for protecting your Intellectual Property including Patents, Trademark, Copyrights, and Legal Compliance and use of Open Source Software.

Mr Harsh is registered to practice as a Patent Agent with the Indian Patent Office and holds a Master of Science degree in Electrical Engineering from Syracuse University, Syracuse, NY.

Workshop by Alumni

A Five-Day Workshop was held from 2 February 2023 – 7 February 2023 on “**Design with fun – UX/UI**” was conducted by **Mr Vijay Kamat**, Lead UX Designer, Athenahealth, Bengaluru and an alumnus of the 2004-07 batch from the Computer Science & Engineering for the students of Information Science & Engineering department.

The basic objective of the workshop was to introduce the participants to the concept of “**UI/UX Design**” and design principles. It provided insights into wireframes and how to create wireframes for a solution. The participants were also introduced to design tools viz., Figma and Mural and how to bring it all together in the Design Process.

Vijay is a UX Designer, passionate about designing solutions for people., with 14 years in the industry solving problems by enhancing user experience through research, collaboration and designing meaningful solutions.

Alumni Homecoming

Mr Shreedhar Rao - our proud alumnus of the IP batch of 2005, visited the campus for an interaction with the MBA students of third semester on Customer Acquisition.

Mr Shreedhar is the founding team member of SunMoksha Power Pvt Ltd, a company focused on clean technology solutions for sustainable socio-economic development of rural hinterland and the BOP.

Working closely with the rural communities, he is an instrumental in developing state-of-the-art technologies and business models to address the issues of socio-economic development, with a specific focus on agriculture, livelihood and microenterprises like SunMoksha's IoT/M2M/Cloud-based innovations, Smart Nanogrid™, Smart AQUAnet™ and Smart MEZ™. He has received several national and international awards and accolades. And has been part of the team which implemented these solutions into the field in India & Rwanda, and is now scaling these into other African countries and the USA/Canada.

Prior to SunMoksha, Shreedhar worked in the IT sector for companies like Dell and HCL for a decade.

Alumni Homecoming

We had the privilege of hosting two of our alumni – **Mr Nilotpal Sensarkar** and **Mr Mithun Walvekar** on campus.

Nilotpal Sensarkar - a graduate of the 2004 batch, completed his MS from SUNY Stony Brook and MBA from Wharton Business School. He is currently the Engineering Leader - Chip Design at Google Inc Mountain view, CA.

Mithun Walvekar - also a 2004 batch graduate went on to complete his MBA from Symbiosis, Pune. He is currently the Director - Asterix Energy Private Limited, Bangalore.

Alumni Homecoming

Mr Kiran, Mr Satish , Ms Sunil , Mr Rajesh and Mr Hriday visited KLS GIT on 27 January 2023 after graduating in 1985/86.

Kiran Vaidya, alumni from the 1986 batch, Mechanical branch is self employed at Wn.Com. Pune; Satish Kavthekar, 1986 batch graduate from the ECE department is currently the CEO at FORMOteck, Pune; Mr Sunil Deole, 1986 batch student from Civil department is MD at Deole Brothers, Thane. Mr Rajesh Wadhwa, 1985 batch from Civil department is the Proprietor, Inlandpharma Mumbai and Mr Hriday Shetty from 1986 batch is the Proprietor, Multi source Engineering Corporation.

Ms Pooja Kulkarni alumni of 2006 batch from the ISE department visited KLS GIT on 16 January 2023. She has completed her MS in Computer Science from the State University of New York at Binghamton.

Currently she is working as Software Engineer at JP Morgon New York, Delaware USA.

Department of Electronics and Communication Engineering Department

Mr Virupaxayya V. Hosallimath, MTech DCN student of KLS GIT has published research paper with **Dr Anupama Awati**, Associate Professor, ECE, KLS GIT in the IEEE International Conference on Communication, Computing and Industry 4.0. The title of the paper was **"Investigation of Corrosion Intensity on Metal Structures using Image Processing Algorithms"**. Other publication details of the paper may be found in the image below. The presentation took place on 15th December, 2022.

Faculty Accomplishments

Prof. Uma G. Hullur completed her Open Seminar of her PhD in the month of December.

Prof. Vikhyat Katti, represented college in Badminton tournament organised by CII in Bengaluru.

Prof. Somanath Khot, represented college in Cricket tournament organised by CII in Bengaluru.

Prof. Sachin Kulkarni, completed his PhD Pre submission Colloquium on 20 February 2023.

Dr Vaibhav Chate delivered a talk in Seminar on "**Green Buildings and Built Environment**" on 28 January 2023, organised by Confederation of Indian Industry, Prem Jain Memorial Trust and IGBC.

Dr Vikas Gingine, Associate Professor, Civil Engineering Department, participated in Two Day workshop titled "**Advance training on IPR**" held from 23 February 2023 to 24 February 2023 at K. S. Institute of Technology, Bengaluru.

Faculty Accomplishments

- **Dr Sanjeev Sannakki, Dr. Sharada Kori, Prof. Shubhada Kulkarni, Prof. Arundhati Nelli, Prof. Ranjana Battur , Prof. Amruta Deshpande, and Prof. Ravi Kalkundri** had organised 5 days workshop on **"Introduction to embedded system & IOT - A hands on approach"** at KLS GIT from 30 January 2023 to 3 February 2023.

- **Dr R. S. Patil** Presented Paper entitled **"Detection and Classification of Personally Identifiable Information in Images Using Artificial Intelligence"** in Fourteenth International Conference on Recent Trends in Information, Telecommunication and Computing – ITC on 27 January 2023 organised at Bangalore.
- **Dr M. M. Math** had organised an Industry Expert talk on **"PDA and turing machine – An industry perspective"**. The talk was delivered by **Mr Prajwal V. Shinde**, Ugam Solutions Bangalore, for the 5th semester students on 19 January 2023.
- **Dr Manjula Ramannavar** had organised an Industry Expert talk on **"Data Simulation and Modeling"**: The talk was delivered by **Mr Amit Bharmoria**, Director, Fiserv India, for the 7th semester students on 29 December 2022 in an online mode.

- Prof. Sudha Sulakhe has organised an Industry Expert talk on **"Programming - An Industry Perspective"**. The talk was delivered by **Mr Prajwal V. Shinde**, Ugam Solutions Bangalore, for first semester Students on 9 February 2023.
- **Prof. Arati Shahapurkar** has organised an Industry Expert talk on **"Storage Area Network"**. The talk was delivered by **Miss Soundary Khanapure**, Software Developer, Mercedes Benz Bangalore, for 7th semester students on 13 January 2023..
- **Prof. Sudha Sulakhe** had organised an Industry Expert talk on **"PDA and turing machine – An industry perspective"**. The talk was delivered by **Mr Prajwal V. Shinde**, Ugam Solutions Bangalore, for 5th semester Students on 20 January 2023.
- **Prof. Pankaja Kadalagi** had organised an Industry Expert talk on **"Importance of data structures and algorithms"**. The talk was delivered by **Mr Prajwal V. Shinde**, Ugam Solutions Bangalore, for 3rd semester students on 04 February 2023 in an online mode.

- **Dr Padma S. Dandannavar, Prof. S. B. Deshpande and Prof. Shubha G. Sanu** conducted a Five-Days Student Workshop on **"UX/UI DESIGN"**.

Faculty Accomplishments

- **Dr Nupur Veshne** was invited as Session Chair at an International Conference organised by Presidency University, Bengaluru on 20 January 2023.

- **Dr Jyoti Talreja** was invited as a resource person for 5 Fay Faculty Development Program in Collaboration with Visvesvaraya Technological University on ABILITY ENHANCEMENT COURSES IN CIVIL ENGINEERING as per the new 2021- VTU NEP scheme on 31 January 2023 at Jain College of Engineering, Belagavi.

- **Dr S .H. Kulkarni** attended five days international level FDP on "**Integrated well being and mental health**" at KLS GIT, Belagavi from 20 - 24 Feb 2023.

- **Dr Janhavi Karekar** got an opportunity to be the Judge for the paper presentation session at the "**National Conference on Emerging Trends in Chemistry**" held at GSS college Belagavi. on 30 January 2023.

Dr Saurav Mitra, Professor ECE, KLS GIT has completed "**Renewable Energy Masterclass**" on 20 February 2023. The Online Internship was offered by APSSDC and delivered by Pantech Solutions, Tamil Nadu. The certificate no is APSSDC-PEL-RES-861.

Faculty Accomplishments

- **Dr Ganesh Chate** and **Prof M. M. Sattigeri** participated in an online short term course on "**Advanced Manufacturing Process**" organised by the Department of Metallurgy and Materials Engineering at Malaviya National Institute of Technology Jaipur., Rajasthan. From 12 to 16 December 2022.
- **Prof. Vivek Tiwary** was invited to deliver a lecture on "**Additive Manufacturing**" to the final year students dated 10 December 2022 at Vasantryo Podtar Polytechnic, Belagavi.
- **Dr G. R. Chate** and students, representing Mechanical Department attended a seminar on "**Sustainable Development of Industries through Industry 4.0**" hosted from 2 – 3 December 2022 at Belagavi Foundry Cluster by IOE.
- **Dr G. R. Chate** presented a paper on "**Data cast a web based app for foundry**".
- **Dr M. M. Nadakatti** delivered an invited talk on 14 December 2022 in Kannada at Belagavi FM Station, ಕೆಎಲ್ಇ ವೇಣುಧ್ವನಿ 90.4 ಎಫ್. ಎಂ. ಕೇಂದ್ರ, on the topic "**National Energy Conservation Day**", which is celebrated on 14 December every year.

Student Accomplishments

- **Miss Sneha Patil** from CSE has successfully completed the "**Cross-cultural Engineering Project (CEP)**" hosted by the Department of Innovative Global Program , Shibura Institute of Technology, Japan from 14th December 2022 to 23 Dec 2022.
- **Mr Yash Herekar** from CSE has secured **second place** in state level Techno Cultural Fest Savishkar 2023 in "**Robo Race**" event held on 9th and 10th January 2023.
- **Mr Kartik Nanneboina** from CSE has successfully participated in the event "**Aerial Endeavours**" and won the **second prize** in the AERO MANIA 2023, Techfest event organised by Department of Aerospace Engineering held between 4th to 6th January 2023 at R. V. College of Engineering, Bangalore.
- **Miss Komal Hadimani** from CSE has won the **first place** in "**Fashion Show**" organised as part of cultural program at Belagavi Trade Fair held at Sardar High school Ground , Belagavi from 22nd to 30th December 2022.
- **Mr Yash Herekar** from CSE has successfully participated in the event "**Aerial Endeavours**" and won the **second prize** in the AERO MANIA 2023 Techfest event organised by Department of Aerospace Engineering held between 4th to 6th January 2023 at R. V. College of Engineering, Bangalore.

Miss Sukanya Hosamni from the Department of MBA Students won 1st prize in **HR360** and **Mr Navaneet Kulkarni, Adarsh Patil and Pradnya Kesarkar** won 2nd prize in **Finance Event** a National Level Fest organised by GLS University Ahmedabad on 3rd & 4th February 2023.

Dr Sanjeev Ingalagi, Dr Nupur Veshne & Prof. Sanjeevini coordinated the participation of students in the Fest.

Student Accomplishments

- **Mrushikesh Kolli, Muralini Kulkarni and four other ECE students** from the 5th semester ECE had done poster presentation at International Conference at BARC, Mumbai from 7th to 11th Feb 2023. They had showcased their work in nano electronics. The conference was titled **"Electrochemistry in Industry, Health and Environment – EIHE – 2023"**.

- **Rotaract Club**, Belgaum Central had conducted an event named Blossom Initiative on 10th and 11th Feb 2023. This event was for creating awareness on menstrual hygiene and breast cancer among young girls and ladies. Students from GIT had gone to villages like Yellur and Savgaon and created awareness on these topics. Sumitra was part of the students' group from GIT.

- **Pramiti Club** conducted an societal event on 3rd, 4th, and 5th January 2023. This event was for collecting the old clothes from the students. Volunteers handed over the old clothes to the unemployed women who stitched bags from these clothes. That bags were then distributed among students. **Sumitra** had volunteered in this event.

- **Team Vayuputras** of KLS GIT Belagavi (Aeronautical, Mechanical, EC, CS, EE students) received the **"BEST PRESENTATION AWARD"** and secured 6th position at SAE AeroTHON 2022 held on 18th and 19th November 2022 at SJCIT college, Mysore. Team Vayuputras received the best presentation award of Rs. 25,000/- in overall category. All of the teams had the challenge of developing Autonomous UAV, that could deliver payload to the target. The inter-disciplinary core team consisted of the following students of Mechanical Engineering Department: **Rohit Raghavan, Jeetendrakumar Garag, Shrinivas Patil, Manali Patil, Ashish Khot.**

- An expert talk on "**Selection and Testing of Materials for Valves**" was organised on 30 December 2022 by **Shri Rajeev Rao**, MD, Rajeev and Co. for the 3rd semester B division students at 12 noon in the subject Mechanics of Materials.

Nano Club Activity

Best Paper Presentation award bagged by Nano club students Guided by **Dr Raviraj M. Kulkarni** HoD Chemistry.

KLS GIT students presented research in the International Conference at BARC A Conference on Electrochemistry for Industry, Health and Environment, EIHE-2023 that was organised by Analytical Chemistry Division, Chemistry Group, Bhabha Atomic Research Centre, under the auspices of the **Indian Society for Electroanalytical Chemistry (ISEAC)** at DAE Convention Centre, Anushaktinagar, Mumbai from 7 February 2023 to 11 February 2023. 5th semester BE students from the Nano-Club: **Mr Hrishikesh Kolli, Mr J. Mohan, Mr Sourabh Joshi, Ms Sanchi Bhasme, Ms Madhumita V. Goudar** and **Ms Mrunalini Kulkarni** from the Electronics and Communication department carried out research under the guidance of **Dr Raviraj M. Kulkarni**, Professor and Head, Department of Chemistry and Coordinator Nano-Centre, KLS GIT. They developed modified electrodes for sensor applications. Each student prepared a scientific paper and thus six scientific papers were submitted to this prestigious conference.

Webinars/Seminars/Workshops/Other Events

- **Freshers' Welcome Function** for the 3rd semester Mechanical Engineering students and **inauguration of AME** activities was held on 10 December 2022.
- The Chief Guest was **Shri Krishna Bhojkar**, Partner, Bhojkar Consultancy, Pune. He gave insights on Strategy Planning, Execution, ESG, Leadership Development, Digital Transformation, Industry 4.0, Plant and Product Lifecycle Management, Manufacturing Engineering, Project Management, Technology Planning and Innovation.

- **Mr Sumukh Deshpande** is a 2008 batch alumnus of KLS GIT from the Department of Mechanical Engineering. He is currently working in CARIAD a subsidiary of VolksWagen Group.
- He delivered a talk to students of 5th and 7th semester of Mechanical Engineering branch on the topic "**Are you Industry Ready?**" on 19 December 2022.
- He elaborated the modern trends in Automotive industry pertaining to automotive software. He elaborated on Industry 4.0, IoT, AI, ML, Autonomous, Hybrid mode, Augmented & Extended Reality, Blockchain, Everything digital, Big data, Cloud computing and many more topics.

GIT accredited with A+ grade

BELAGAVI, DHNS

Autonomous institute

KLS Gogte Institute of Technology (GIT) has been accredited with A+ grade by National Accreditation and Assessment Council (NAAC) recently. The Gogte Institute of Technology has received A+ grade in row for the second time for a period of five years.

Three-member peer team of NAAC visited the institute on August for assessment. Accreditation has been given based on their comprehensive assessment on the parameters such as teaching learning, research, industry-institute interface, societal concerned activities, alumni performance, transparency and efficiency in governance and overall academic excellence as well as the quality of students and teachers.

KLS-Gogte Institute of Technology is one of the top autonomous institutes in the State with an excellent track record for placements with more than 800 offers for the present final year students from top notch companies and has been offering minor courses, industry internship, application-based learning, professional certifications for all the students and conducting many extracurricular activities.

The chairman and the members of KLS congratulated the entire staff and students of Gogte Institute of Technology on the achievement.

NAAC accords A plus grade for KLS Gogte Institute of Technology, Belagavi

The Hindu Bureau
BELAGAVI
National Accreditation and
Assessment Council (NAAC)

has accorded A plus grade to Karnataka Law Society's Gogte Institute of Technology in Belagavi. This is the second A+ grade in the second grading cycle of five years, the college said. This has been based on a comprehensive assessment on parameters such as teaching and learning, research, industry-institute interface, societal-concerned activities, alumni performance, transparency and efficiency in governance and overall academic excellence as well as the quality of students and teachers. A three-member NAAC Peer Team visited the institute in August 2022 and inspected the infrastructure and facilities in the college, a release said. KLS GIT has achieved a consistent track record of placements over the years. For the final year batch of 2021, over 800 students have received offers from companies and organisations for jobs, master courses, industry internships, application-based learning or professional certifications.

FDP on Maths Lab using Python begins

BELAGAVI, DHNS: A three-day faculty development programme (FDP) on 'Mathematics Lab using Python' organised by KLS Gogte Institute of Technology (GIT) began here on Thursday.

Visvesvaraya Technological University (VTU) Vice-chancellor S Vidyashankar inaugurated the programme.

Addressing the gathering, Vidyashankar emphasised the need for having a tailor-made syllabus that can increase employability. He expressed a strong desire of bringing revolutionary reforms in all dimensions of academia by moulding the pedagogy with the latest technology.

GIT Governing Council Chairman Rajendra Belgaumkar, in his presidential remarks, said that a 'Laboratory in Mathematics' was an unknown word a few decades back. But the use of mathematical tools like Matlab and Python in the present era is not only necessary but quite beneficial in the long run.

VTU Vice-chancellor S Vidyashankar inaugurates the FDP on Mathematics Lab using Python at KLS GIT in Belagavi on Thursday. DH PHOTO

VTU Board of Studies Basic Sciences and Humanities Chairman Suresha M said that the team of Mathematics professors of VTU took a lot of trouble in preparing a quality lab manual for training teachers in a professional manner.

H S Ramanada from St Joseph Engineering College, Mangaluru, K Sushan Bairy from Reva University, Bengaluru, Smita Nagouda from Christ (Deemed to be University) Bengaluru and Chandrashekara G from BMS College of Engineering, Bengaluru were the conveners. Principal Jayant Kittur welcomed.

Green Saviours hold 350th Sunday plantation drive

EXPRESS NEWS SERVICE
@ Belagavi

THE Green Saviours team conducted its 350th consecutive Sunday plantation drive by planting 50 trees and working on watering and maintenance of over 2,500 trees planted earlier at the Commando Training Area, here. About 170 individuals including the Green Saviours along with volunteers from KLE M S Sheshgiri College of Engineering, Belagavi, KLS Gogte Institute of Technology, SGBIT Engineering College

Volunteers of Green Saviours pose for a picture after a plantation drive in Belagavi on Sunday | EXPRESS

and Rotaract Club of Yuva Darpan participated in the drive. The team thanked the Junior

Leaders Wing, Belagavi, and the Commando Training Centre for their continued support

and also to the Department of Forests for the saplings. The Green Saviours have planted and maintained over 55,000 trees since the first Sunday Drive in April 2016.

The team is now focusing on restoration of the Western Ghats in Khanapur taluk by planting 10 lakh units of native species of plants and trees along with the villagers. They have drawn up a plan to facilitate a positive impact on the climate in the region and to generate livelihoods for people in these areas.

Movie inspires students

BELAGAVI, DHNS: KLS Gogte Institute of Technology (GIT) organised a free special screening of a movie made on an entrepreneur journey 'Made in Bengaluru' at Swarop-Nartaki theatre here on Thursday. Nearly 500 students watched the movie. The movie deals with the start-up culture and the journey of becoming an entrepreneur. It inspired young engineering students and help them understand the

importance of commitment and teamwork necessary to excel as an entrepreneur. GIT Governing Council Chairman Rajendra Belgaumkar initiated the idea and supported the activity. Principal Jayant Kittur, faculty and students watched the movie and appreciated it for making young students aware of the 'real world'. They thanked Avinash Potdar for providing the screen at Swarop-Nartaki for the cause.

KLS GIT team bags 3rd prize for outstanding research work

EXPRESS NEWS SERVICE
@Belagavi

THE KLS Gogte Institute of Technology (GIT), which showcased their research work at I2 (Industry - Institute Pavilion) in 20th edition of South East Asia's biggest exhibition on the machine tools and manufactur-

ing technologies, has bagged 3rd place with a cash prize for the outstanding research work entitled "Minimum Quantity Lubrication assisted milling of Aluminum alloy at industry".

The exhibition was organised by Indian Machine Tool Manufacturers' Association (IMTMA) from January 19 to 25 at Bengaluru International Exhibition Centre (BIEC). Over 350 exhibitors from 16 countries participated in the exhibition that was being held after a gap of two years.

The research work was conducted by Dr Harshit B. Kulkarni under the guidance of Dr Mahantesh Nadakatti and Dr Raviraj M Kulkarni. KLS GIT competed with premier institutions like IIT Kanpur, IIT Madras, and PSG College, etc, and have bagged this prize. Prof Pradya H Kulkarni,

Prof Prajka S. Patil, Prof Anand A Kulkarni, Prof Mahesh Sattigeri, Dr Sachin Kulkarni & Prof Mahesh Kori also represented KLS GIT. The participating students were Aditi Joshi, Bhakti Ashtekar, Moosa Shapuri, Nitesh Patil, Prateek Tigadimath, and Rakesh Terani.
