FROM THE PRINCIPAL'S DESK

Dear Sir/Madam,

Wish you all a very happy and a prosperous New Year. I'm extremely glad to release the volume - 4 issue - 6 of 'eSpectra', KLS Gogte Institute of Technology's bi-monthly magazine. The year end during November-December 2023 at KLS Gogte Institute of Technology witnessed significant accolades and recognitions by the institute, faculty members, students and alumni; various academic and non-academic events; 171 placements and many more...

In this edition you will find a new section added i.e. '**GIT - Creintors Pvt Ltd Corner**' which describes activities conducted for our students from various branches by the '**Creintors Group of Companies, Belagavi**' who are industry partners with KLS Gogte Institute of Technology.

The magazine displays the endless efforts of our faculty's contribution in organising various academic and non-academic events, participating in events organised by other institutes, contribution in publications etc. continues as usual and I deeply appreciate their hard work and enthusiasm in this endeavour.

You will also see that our studious and multi-talented students have been adding feather to our institute's reputation by their active involvement/participation in various activities outside the institute.

My heartfelt thanks the editorial team for their efforts in bringing out this magazine. Happy reading!

Dr M. S. Patil

Karnatak Law Society's
GOGTE INSTITUTE OF
TECHNOLOGY

Awards and Recognitions

ASME Awards

The **KLS Gogte Institute of Technology** and **Dr Harshit Kulkarni**, HoD Mechanical Engineering Department received awards by ***The American Society of Mechanical Engineers (ASME)***.

KLS Gogte Institute of Technology received ***Student Section Recognition Award*** for the academic year 2022-2023 and **Dr Harshit Kulkarni** received **'Faculty All Star Award'** for the academic year 2022-23.

About ASME:

The American Society of Mechanical Engineers (ASME) is a 120,000-member professional organisation focused on technical, educational, and research issues of the engineering and technology community. ASME conducts one of the world's largest technical publishing operations, holds numerous technical conferences worldwide, and offers hundreds of professional development courses each year. ASME sets internationally recognised industrial and manufacturing codes and standards that enhance public safety. The vision of ASME is to be the premier organization for promoting the art, science, and practice of mechanical and multidisciplinary engineering and allied sciences to our diverse communities throughout the world.

Awards and Recognitions

KLS Gogte Institute of Technology received funding from the TATA Technologies

The **KLS Gogte Institute of Technology** has received funding of Rs.1,20,000/- from the **TATA TECHNOLOGIES MSME Innovation Projects Programme**, in collaboration with **Belgaum Foundry Cluster**.

The **KLS Management** and the Principal **Dr M. S. Patil** congratulated the students and their guides for this reward.

A Patent in the name of KLS GIT

KLS Gogte Institute of Technology is granted patent for the work entitled 'SYNTHESIS OF METAL MATRIX'. This work is a new processing route that was developed to manufacture tailored materials for strategic applications. It was jointly developed with the KLS GIT's Industry partner **Enerzi Microwave Systems Private Limited**. The Principal **Dr M. S. Patil** and **KLS GIT Management** appreciated the efforts and contributions of **Dr Vinayak Malik**, Associate Professor, Department of Mechanical Engineering in this endeavour

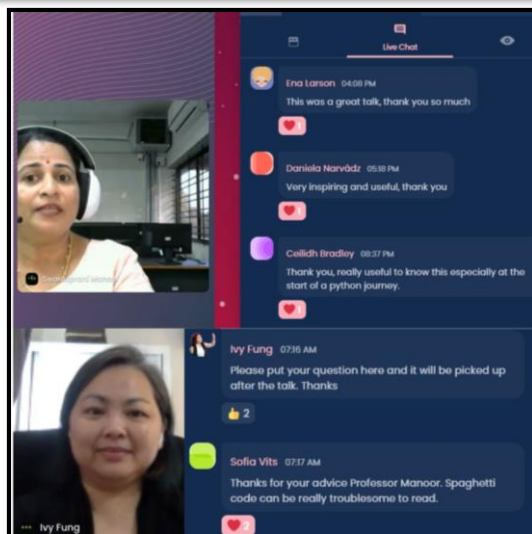

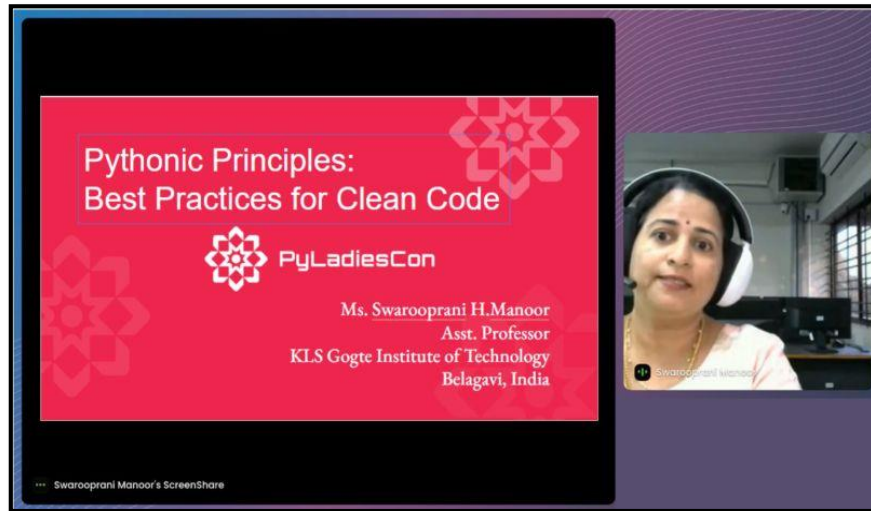

A Copyright to KLS GIT

Dr Sunita S. Padmannavar, Associate Professor from KLS GIT's MCA Department and also the research guide (PhD guide) of **Dr Safira Begum** received the Copyright Registration by the Copyright Office, Government of India dated 15 December 2023. for their research work on '**Recommendation system for evaluating student performance using predictive analysis**'. The Copyright Registration Number is: L-138607/2023.

Awards and Recognitions

KLS GIT's faculty represented India at PyLadies Conference (PyLadiesCon)

Prof. Swarooprani H. Manoor, from KLS GIT's MCA Department was invited as a resource person at '**PyLadies Conference (PyLadiesCon)**' to enlighten the participants on the topic '**Pythonic Principles: Best Practices for Clean Code**'.

This Global Conference, united the Python enthusiasts featuring 51 speakers across the globe on 02 December 2023. Two speakers represented India and **Prof. Swarooprani H. Manoor** was one of the Indian speaker at this august gathering.

PyLadies Conference (PyLadiesCon) was the first PyLadies conference held- an exciting online and FREE event dedicated to empowerment, learning, and diversity within the Python community.

Kannada Rajyotsava Celebration

Karnataka Formation Day is celebrated as '**Kannada Rajyotsava**' day on 1st of November every year. As a tradition, Karnatak Law Society's Gogte Institute of Technology celebrated '**Kannada Rajyotsava**' on 1 November 2023 with great pomp and splendor.

The function was attended by the Principal **Dr M. S. Patil** accompanied by college staff and students. To pay obeisance to the Goddess '**Bhuvaneshwari**', flowers were offered with reverence by the Principal. The function was followed by singing of the Kannada national anthem. The red and yellow state flag was displayed with pride and the students delivered speech to describe the rich culture and the language of Karnataka.

Musical Concert by Ustad Rafique Khan

KLS Gogte Institute of Technology in association with **SPIC MACAY** presented a breathtaking Hindustani Classical Sitar Recital by the maestro **Ustad Rafique Khan**, with the mesmerizing tabla accompaniment of **Shri Gurusurthy Vaidya**. It was a musical journey that touched the hearts and souls of the audience.

Special thanks to our esteemed governing council Chairman **Shri Rajendra Belgaumkar** and **Shri Pramod N. Kathavi** for making this event possible.

About Ustad Rafique Khan:

Ustad Rafique Khan is an Indian musician and composer who plays the sitar. Rafique Khan currently works at All India Radio, Mangalore. He is the President of the music organization Sangeet Bharati Foundation and also has an Academy of Hindustani Music at Mangalore.

Blood Donation Camp at KLS GIT

The Department of Electrical and Electronics, in a heartening collaboration with the **Rotary Club of Belgaum** and the **Belagavi Blood Center**, organised a remarkable Blood Donation Camp on 9 November 2023.

The Principal and the KLS management extended their heartfelt gratitude to the organisers and all others who participated and contributed to the success of the noble initiative of donating blood to save lives and making a significant impact on our community.

National Entrepreneurship Day Celebration at KLS GIT

The Department of Electronics and Communication Engineering in collaboration with the Institution's Innovation Council (IIC) at KLS GIT Belagavi celebrated the **National Entrepreneurship Day** on 8 November 2023.

The function was graced by **Mr Supreet Dixit**, a distinguished alumnus of KLS GIT and the Managing Director of Reputes Marketing Solutions, as the esteemed industry expert.

Mr Dixit enlightened everyone with valuable insights into the importance of creative thinking and cultivating an innovative mindset. He passionately encouraged students to consider entrepreneurship as a promising career option in today's dynamic market.

The event was truly interactive, with Mr Dixit engaging with students, addressing their queries, and sharing his wealth of experiences in entrepreneurship. The session was a dynamic exchange of ideas and knowledge, making it an enriching experience for everyone involved.

Musical Concert by Ms Aditi Pai

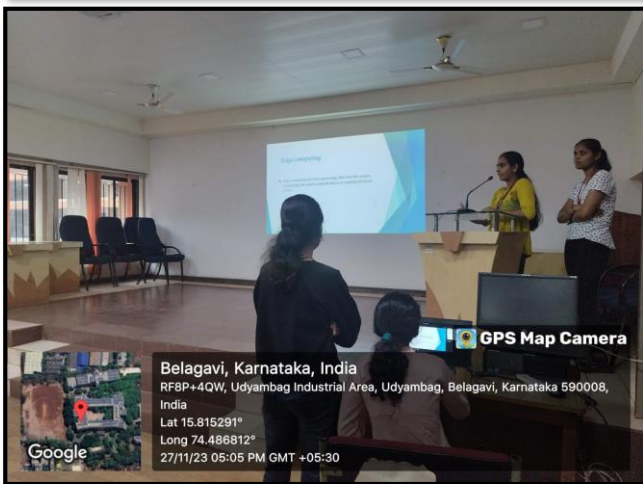

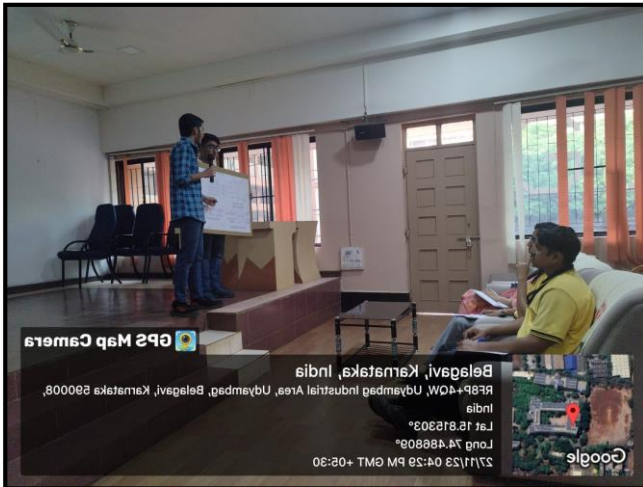

Under the Cultural Wing of KLS GIT, a mesmerizing music concert featuring the talented **Ms Aditi Pai** from the 3rd semester of Computer Science Engineering took place on 17 November 2023 at the Silver Jubilee Auditorium. Organised by the KLS GIT Music and Dance Club, the event aimed to foster classical art forms within the institution and provide a platform for budding student artists.

Principal **Dr M.S. Patil**, extended a warm welcome to the artists. Ms Aditi Pai showcased her musical prowess with renditions of raga Bhairav, Bhimpalaa, Kedar, Des, along with a soulful Marathi abhang and two Kannada devotional songs. Accompanied by **Shri Waman Wagukar** on Harmonium and **Shri Santosh Kulkarni** on Tabla, her performance captivated the audience.

The musical magic continued with Shri Waman Wagukar's solo performance on Harmonium, presenting the enchanting raga Surmalhar. The Silver Jubilee Auditorium was filled with the applause of students and staff who attended the program and showered appreciation on the talented artists.

'Ideathon - an Intra Institute Idea Competition'

KLS Gogte Institute of Technology's **Institution's Innovation Council (IIC)**, in collaboration with **Electronics and Communication Engineering** and **Civil Engineering** departments, organised "**Ideathon - an Intra Institute Idea Competition**" on 21 November 2023, 22 November 2023 and 27 November 2023 . For three days, students were engaged in industry visits, mentoring sessions, and idea evaluation, fostering innovation.

Twenty five teams participated, presenting creative solutions to the real-world challenges. The event received overwhelming praise with 14 teams showcasing their ideas to a panel of experts from **Creintors Teknosol Pvt. Ltd.**, Belagavi.

'Sirigannada Sambhrama' at KLS GIT

The **Kannada Balaga** team of KLS Gogte Institute of Technology's organised the event '**Sirigannada Sambhrama**' on 28 November 2023 at Silver Jubilee Auditorium. **Shri Ravi Bhajantri** a renowned Kannada Stand-up Comedian arrived as the chief guest for this programme. He addressed the audience by his comedic talks and also by his amazing song performance in Kannada.

The function was followed by a short cultural programme where the Kannada Balaga students' team of KLS GIT performed on stage and showcased their talent.

The KLS GIT audience were overwhelmed with mesmerising, spectacular and hilarious performance by the chief guest Shri Ravi Bhajantri; and the excellent and vibrant performance by the students.

'DEV FEST BGM 23' at KLS GIT

The Google Developers Belgaum hosted the 'DEV FEST BGM 23' event at KLS Gogte Institute of Technology on 02 December 2023. The function was inaugurated by **Dr B. E. Rangaswamy**, Registrar, Visvesvaraya Technological University; **Shri Rajendra Belgaumkar**, Chairman, Governing Council, KLS GIT; **Dr M. S. Patil**, Principal KLS GIT; and **Mr Sarvesh Kakkeri**, Coordinator GDG Belagavi..

The event drew 500+ participants and featured a tech panel on 'AI and ML from Theory to Applications', with panelists: **Mr Pravenkumar Khemalpure**, **Ms Chetana Sarang**, and **Prof. Gajendra C. Deshpande**. The panelists discussed the latest trends in AI and Machine Learning, and how these technologies are being used to solve real-world problems.

Mr Abhishek Bendigeri was the moderator for the panel discussion. A career-building keynote by **Mr Som Kolekar**, a Robosoccer workshop, and a competitive hackathon was also conducted.

Networking, learning, and laughter with a standup performance by **Mr Vadiraj Babladi** made it an unforgettable day for Belgaum's tech enthusiasts.

'My Story' – A Motivational Session

'My Story – A Motivational Session' was organised by the **Institution's Innovation Council (IIC)**, KLS Gogte Institute of Technology on 22 November 20-23 from 11:00 A.M. to 1:00 P.M. at the Creintors Teknosol Pvt Ltd.

Participants immersed themselves in the life journey of a successful innovator and entrepreneur as they shared their stories and insights during the session. The event aimed to educate students about the challenges, triumphs, and lessons learned in the journey to becoming thriving entrepreneurs and founders.

The overwhelming response from the students was incredible. 46 students actively participated in this enlightening activity.

Launch of 'Viksit Bharat @ 2047'

Launch of '**Viksit Bharat@2047**' by our Honorable Prime Minister **Shri Narendra Modi** was held on 11 December 2023. This event was a grand initiative shaping India's future. The live telecast at KLS GIT received an overwhelming response. Around 150 students and 10 faculty members participated and were inspired.

The address by our Honorable PM was truly inspirational with clear vision and objectives for '**Viksit Bharat by 2047**'.

Post the launch, senior faculty members from KLS GIT addressed the students with an objective of inspiring them to become change agents, in order to realize our Prime Minister's vision. The event was coordinated by the KLS GIT's **Institution's Innovation Council (IIC)**.

The **Department of Electrical and Electronics Engineering** in association with **Institution's Innovation Council (IIC)** Cell and **Industry Institute Partnership (IIPC)** Cell of KLS GIT organised the event '**National Energy Conservation Day (India)**' on 15 December 2023.

The event aimed in raising awareness about energy conservation and emphasized the significance of mindful energy use and its impact on our planet's sustainability. The resource person for this event was **Mr Sachin Gadkari**, C&I Head, HINDALCO, Belagavi.

KLS GIT participated in 'TECHCELEBRATION 2023'

KLS Gogte Institute of Technology proudly participated in the 3rd edition of 'TECHCELEBRATION 2023', a flagship event spotlighting **Karnataka's IT, ESDM, and S&T sectors** in the **Hubli Dharwad Belgaum (HDB) cluster**, hosted by the **Karnataka Digital Economy Mission (KDEM)**.

KLS Gogte Institute of Technology was thrilled to be a part of Higher Education Institution HEI, actively contributing to the innovation and entrepreneurial ecosystem in this region.

It was a fantastic opportunity to connect with innovators, budding entrepreneurs, and tech enthusiasts, exchanging ideas to build a vibrant tech ecosystem, especially in AI, VLSI, EV, and Drone Technologies in the HBD cluster.

An expert talk on '**Natural Farming and Waste Management**' was organised by the KLS Gogte Institute of Technology's **Institution's Innovation Council (IIC)** in collaboration with the **Unified Students Community (USC)** on 20 December 2023. Renowned speaker **Dr Aarati Bhandare**, Founder of Amulya Boondh Foundation, NPO addressed the gathering.

She had insightful discussions on nature conservation, natural farming, and the impact of everyday materials on the environment. A highly engaging and impactful session resonated with the audience.

Industry visit to 'Belagavi Integrated Municipal Solid Waste Management and Treatment Facility'

KLS Gogte Institute of Technology's **Institution's Innovation Council (IIC)** organised an insightful industry visit to the '**Belagavi Integrated Municipal Solid Waste Management and Treatment Facility**' located at Turamari which is expertly managed by the **Ramky Enviro Engineers Ltd.**

Divided into two batches, the enthusiastic participants, consisted of 50 students and four faculty members, delved into the morning and afternoon sessions. They were immersed in a transformative experience, gaining hands-on knowledge about waste management processes.

'Two-Day Workshop on LSRW (Listening/Speaking/Reading/Writing) approach in learning English'

A 'Two-Day Workshop on LSRW (Listening/Speaking/Reading/Writing) approach in learning English' was organised by KLS Gogte Institute of Technology's 'Skill and Personality Development Programme (SPDP) Centre for SC/ST Students'. The resource person was **Prof. Sheetal S. Bandekar** from KLS GIT's MCA Department. The workshop covered the following topics:

- Importance of active listening to be an effective communicator.
- Familiarised the students with basics of phonetics to master their speaking skills.
- Imparted the knowledge of various reading strategies as a means to master English language.
- Imparted the basic writing standards used in official letters and emails.

The workshop was coordinated by **Prof. Arati Shahapurkar**, CSE Department; and **Dr Vikrant Shende**, ECE Department. The Principal **Dr M. S. Patil** and Dean R&D **Dr Swetha Goudar** facilitated and encouraged the coordinators, the active participants and the speaker to make the workshop successful.

'Toppers' Felicitation' at KLS GIT

KLS Gogte Institute of Technology organised the '**Toppers Felicitation Function**' on 30 December 2023 to celebrate the brilliance of our topper students across various departments showering them with well-deserved recognition. Our outstanding scholars received scholarships from the esteemed Netalkar Engineers, **Mr Rahul Bhajekar, Mr Rohan Kulkarni, Smt S. M. Kotwal, Smt S. W. Joshi, Shri R. B. Deshpande, Shri S. G. Shirgurkar, Shri S. S. Emmi, Mr Tejas S. Hortikar, Mr Chetan Patil** and **Mr Subhash Balakrishnan**.

These remarkable students were acknowledged for their excellence in academics, sports, and various other activities. Our distinguished Chief Guest, **Dr T. N. Sreenivasa**, Registrar (Evaluation) from Visvesvaraya Technological University, Belagavi, extended heartfelt congratulations to the toppers and their parents for their commendable efforts. Dr. Sreenivasa also shed light on VTU's initiatives, such as the Honours/Minors programmes and certification courses, designed to enhance students' employability.

The event was graced by the presence of **Shri Deepak V. Kulkarni**, Vice President of Karnataka Law Society, and **Shri Rajendra Belgaumkar**, Chairman Governing Council, KLS GIT, who shared inspiring presidential remarks.

'Intercollegiate Elocution Competition' at KLS GIT

'**The Intercollegiate Elocution Competition**' was successfully staged at KLS Gogte Institute of Technology on 30 December 2023. This noteworthy event was brought to us by the Ministry of Education in collaboration with Visvesvaraya Technological University, Belagavi alongside the support of NSS Unit, KLS Gogte Institute of Technology and Indian Red Cross Society Units.

It was an honour to have **Mrs M. A. Sapna**, Finance Officer, VTU, Belagavi as an esteemed Chief Guest. NSS Coordinator of KLE Technological University, Belagavi; NSS Coordinator of Visvesvaraya Technological University, Belagavi, **Mr Ajay Chandrapattan**, KLS GIT Alumni graced the occasion

Distinguished Alumni

Ms Gayatri Manral

**Technology Professional
Nashville Metropolitan Area**

Ms Gayatri Manral is an alumnus of the Electrical and Electronics Engineering Department (Batch of 1998) and leads as Technology Professional. She has 15+ years of experience. She had a proven track record for creating analytical dashboards which created millions of dollars of value for the business. Her experience spans wider as Senior Data Platform Engineer at Medalogix, Project Manager at Deltoid Solutions, Programmer analyst at Infosys, Software engineer at Netsoft Microsystems.

She holds a Master of Business Administration (MBA), Health Care from Belmont University, She completed her Bachelor's Degree, Electrical and Electronics Engineering from GIT, Karnataka University, Karnataka and secured 3rd rank to university.

Summary of Professional Experience

Current Position: Senior Data Platform Engineer Medalogix: February 2019 - Present (1 year 10 months) Nashville, Tennessee.

Wipro Technologies: Technology Lead
January 2017 - January 2019 (2 years 1 month).

Germanne Solutions: ETL Engineer
December 2016 - January 2017 (2 months)
Deltoid Solutions: Project Manager
February 2009 - December 2010 (1 year 11 months) Bangalore.

Infosys: Programmer Analyst
July 2003 - January 2009 (5 years 7 months)
Bangalore.

Netsoft Microsystems: Software Engineer
February 2003 - July 2003 (6 months)
Bangalore.
Vision2k and Diginet: Software Engineer
October 1999 - September 2000 (1 year).

Education:

Master of Business Administration (MBA), Health Care Belmont University.
Bachelor of Electrical and Electronics Engineering (1995 - 1999) KLS Gogte Institute of Technology, Belagavi.

Distinguished Alumni

Mr Prashant Tigadolli

ATC Group Manager

Alstom Transport India Limited

Mr Prashant Tigadolli, an alumnus of the Electrical and Electronics Engineering department (Batch of 2001 - 2005) is a Project Leader at Alstom Transport India Limited, Bengaluru.

Over 13+ years of professional experience as Automatic Train Control (ATC) Design Lead Engineer, He has sound knowledge of the Urbalis 400 solution (CBTC), participated in TENDER Process for preparing and analyzing RFP GAP Review, Design review, Planning, Lead team of 8 engineers in meeting QCD commitments of Metro Projects viz., Milan line 1, Mexico Line 12, Santiago Line 1.. ISO 9001 Qualified Internal Quality Auditor, LRQA certified. Demonstrated capabilities in managing process verticals with strong background in implementing process improvements and quality initiatives for desired performance levels.

Top Skills

- Strongly skilled in carrying out end-to-end deliverables including requirements gathering and Analysis, Design, Verification and Validation individually.
- Expertise in analyzing training needs and conducting training sessions and designing well-structured training modules on process excellence and ATC domain.
- Define SMART Objectives for team members, review them half yearly and yearly and guide them in achieving them.

Summary of Professional Experience

Current Position: ATC Project Leader
ALSTOM TRANSPORT INDIA LIMITED
Bengaluru Area, India

Jun 2006 - Present 17 years 3 months.

Education:

Bachelor of Electrical and Electronics Engineering (2001 - 2005)

KLS Gogte Institute of Technology,
Belagavi.

Alumni Achievements

We are happy to share that **Testpan India & BookMyTestCenter**, Founder & CEO Alumnus from Mechanical Engineering Department 1994 Batch, **Mr Rajesh Setia**) has been shortlisted and awarded as top 100 startup in 'Leap to Unicorn' event organised by IDFC bank, CNBC money control & HeadStart Network Foundation at New Delhi in Aerocity on 20 November 2023. Testpan India was 10th shortlisted Startup as an Exhibitor in India ASEAN Startup Summit 2023 on 12 December 2023 at Koula Lampur Malaysia. Testpan India & BookMyTestCenter is covered in FORBES INDIA Dec 2023 edition. Congratulations to Mr Rajesh Setia & TESTPAN INDIA PRIVATE LIMITED Team.

We are happy to share that our alumnus **Mr Kumarpal Porwal**, CSE batch 2014 has developed Heat Bolt, the game-changer in portable heating solutions. Its key features are Compact design for ultimate portability and Rapid heating technology for instant warmth. It is Ideal for Outdoor adventures, Travel enthusiasts and Cold office spaces. Mr Kumarpal Porwal was interviewed at startup Karnataka program.

Distinguished Alumni

Alumni Talk

The BRIC Biobased Pavilion was designed, built and exhibited by our proud Alumnus **Ar. Snehal Hannurkar** from Belagavi at the heart of the Dutch Design Week 2023 in Ketelhuisplein, Eindhoven. The Dutch Design Week is one of the biggest design events in Europe. This year it was visited by 350000 visitors from all over the Netherlands and Europe. It was also one of the 6 best green projects exhibited at the Dutch Design Week this year amongst work exhibited by 2600 designers. Snehal's pavilion was personally visited and highly appreciated by Her Majesty Queen Maxima of the Netherlands.

Aditya Killekar alumnus of ECE department batch 2013 delivered a talk to 3rd and 5th semester students on various applications of machine learning, computer vision, deep learning and image processing.

Our Alumnus, **Akshara Mundada** was invited to Rotterdam, Netherlands for an international workshop and award ceremony for her architectural thesis. Her **'Experiencing Time Through Architecture'** project was selected for presentation at graduation project for an International Competition 2021 Archiprix International. About 150 young talents from all over the world with the best graduation projects will be attending the workshop.

Alumni Talk

Mr Karan Mangeshkar, our proud alumnus of the ECE department was with us on 27 December 2023 to deliver a session on the topic '**Chai pe charcha with PwC Pro: Inside India's Business Buzz**' for students and faculty of his alma mater.

Karan Mangeshkar is presently working as Specialist (GCC/GIC Markets) | PwC India. During the session he explained the various steps to be considered for a startups. He guided the students regarding financial risk involved in startups and how to overcome them. He covered insights into international businesses operating in India.

He provided valuable information about job markets, encompassing both software and hardware sectors. The talk extended to exploring India's dynamic business landscape and the prevalent buzz in the industry.

Mr Harshad Jadhav, Assistant Manager, Design and Development, Taegutec India Pvt Ltd and our alumnus from Mechanical Engineering, batch of 2010, was invited as Chief Guest for the Fresher's Welcome Function. He gave an insightful talk on the rapidly evolving machine tools sector and highlighted technological advancements, globalization impacts, sustainability efforts, and offered career advice.

Distinguished Alumni

Alumni Meet

A surprise visit was given by **Alumni of Mechanical Engineering students** of the 1993 batch on 9 December 2023. Discussions were carried on new initiatives at the department, industry connect, projects, curriculum enhancement, and progress path for the future.

Kishor Bongale, Director - KBg Techno Solutions Alumnus from the Mechanical Engineering, batch of 2001 batch visited the college on 9 December 2023.

Faculty Accomplishments

- **Prof. Vinod Kokitkar** and **Prof. Shivani Patankar** from the MCA Department organised a one day workshop on '**Basics of Python**' for MCA students on 15 December 2023.
- **Dr Sunita S. Padmannavar** from MCA Department participated as **Reviewer** in ICIICS -2023 conference held from 24 November 2023 to 25 November 2023.
- **Dr Sunita S. Padmannavar** participated as **Reviewer** in ICMNWC - 2023 conference held from 4 December 2023 to 5 December, 2023.

- **Dr Sunita S. Padmannavar** has successfully completed the two weeks International Faculty Development Program on '**Big Data Analytics**' organised by the Department of Information Technology, VNR Vignana Jyothi Institute of Engineering and Technology, Hyderabad in collaboration with ExcelR Edtech Pvt. Ltd that was held from 04 December 2023 to 15 December 2023.
- **Dr Sunita S. Padmannavar** has successfully completed the two weeks FDP on '**Practical aspects of ICT tools & online teaching in current scenario**' organised by Research Foundation of India & RFI-CARE from 02 October 2023 to 11 October 2023

- **Dr Vinayak Malik**, Associate Professor from the Mechanical Department was felicitated by the KLS GIT Management for his contribution in getting the patent along with industry partner **Enerzi Microwave Systems** who have jointly developed a groundbreaking processing route for tailored materials in strategic applications.

Faculty Accomplishments

- **Prof. Dharmendra A. P.** and **Prof. I. V. Patil** from Aeronautical Engineering Department were invited as guest at Sanjay Godawat International school to deliver a talk on the topic '**Opportunities after PUC**'.

- **Dr Sudheendra Kulkarni** was invited as a judge for science exhibition conducted by Inner Wheel club of Belagavi at Jain Heritage school on 02 December 2023.

- **Dr Saurav Mitra** has been awarded with Life member of "**INDIAN SOCIETY OF REMOTE SENSING**". The certificate was issued to him in November 2023.

- **Dr Sheela A. Sangam** invited as guest speaker by Govt School Lakkundi District Belagavi on 19 Dec 2023 and Interacted with 10th standard students.

- **Dr R. M. Kulkarni** HoD Chemistry was invited by KLS Vdit Haliyal to conduct a student development Programme on 31 October 2023 on the topic '**An introduction to nanotechnology, nano projects for undergraduate students, and scientific paper writing skills**'.

- **Dr R. M. Kulkarni** HoD Chemistry was invited by Jain College of Engineering Macche, Belagavi as Chief Guest for **National Mathematics Day**. He emphasized the crucial role of mathematics and science in engineering; and also stressed that collaboration is key to success, especially in AI/ML, where mathematics plays a pivotal role.

Faculty Accomplishments

- **Dr R. M. Kulkarni**, HoD Chemistry delivered the invited talk at BIET Davangere on 19 November 2023.
- **Dr R. M. Kulkarni** HoD Chemistry delivered an invited talk on **'The cutting-edge applications of IoT and Machine Learning in water quality monitoring, coupled with the transformative potential of nanotechnology for water treatment'** at a VGST sponsored FDP conducted by SKSVMACET, Laxmeshwar on 24 November 2023.

- **Dr Sanjay Deshpande** was Invited as a resource person by Karnataka State Police Department, Govt of Karnataka, to conduct Workshops On **'Soft Skills for Police Personnel'** at Khanapur and Chickmagalur on 17 November 2023 and 26 November 2023.

- **Dr Ameet Chate** was invited as resource person at Govindarama Seksaria Science College, Belagavi on 19 December 2023 to deliver a talk on **'Email and Telephone Etiquette'** for BSc final year students.
- **Prof. Somanath Khot** was invited to deliver a technical talk on **'Importance of Road Safety Audit'** on 11 November 2023 in Government Polytechnic, Belagavi.

- **Prof. Archana Shagoti** was invited to deliver a technical talk on **'Road Safety Audit'** on 23 November 2023 in Government Polytechnic, Belagavi.

- **Dr Bhagyashri Pandurangi R.** received **'Award for Women Leadership in Education'**, at London School of Digital Business's Regional Education Awards 2023. The award was presented to her in an online event on 15 December 2023 where she was invited to give an inspirational talk.

Faculty Accomplishments

- **Prof. Abhishek Deshmukh** proctored for Student teams of KLS GIT for the global online 24 hours coding competition – IEEEXTREME held from 22 October 2023 - 23 October 2023.
- Design patent: Granted to **Dr Manjunath Managuli** for his work 'Automatic Chemical Dispensing System With Filter for Urine Analysis'. Design No.: 376840-001. Validity: 10 Years.

- **Dr Saurav Mitra** has successfully completed online Professional Development course on "INTRODUCTION TO DEVICE AND SYSTEM PACKAGING" by BITS PILANI.

Dr Bhagyashri Pandurangi R. invited for the inspirational talk

- **Dr Pijush Barthakur, Dr Swetha Goudar, Prof. M. S. Emmi, Prof. Sheetal Bandekar, Prof. H. S. Mogare, Prof, P. V. Mitragotri, Prof. Sachin Desai and Prof. Nilesh Anvekar,** participated and successfully completed Faculty Development Program on "Exploring Dynamics of National Education Policy 2020 with reference to NAAC Perspectives", jointly organised by MKES Khandwala College, Mumbai, and Research Foundation of India & RFI-CARE from 15-24 November 2023.

Faculty Accomplishments

- **Dr Kuldeep Sambrekar** was **Reviewer** for the first IEEE international conference on '**The confluence of Advancements in Robotics, Vision and Interdisciplinary IC – RVITM'23**' organised by R. V. Institute of Technology and Management, Bangalore on 28th and 29th November 2023.
- **Dr Kuldeep Sambrekar** was a **Reviewer** for AICTE sponsored '**International conference on recent advancements in science and engineering technology (ICRASET -2023)**' in association with IEEE Bangalore organised by dept. of ECE, BGS institute of technology, Mandya, Karnataka from 23 November 2023 to 24 November 2023.
- **Prof. Kavita Hanabaratti** and **Prof. Namitha Bhatt** were invited as guest speakers to deliver the talk on '**Artificial Intelligence as 21st Century Skill**' on 25 November 2023 for school students of PM Shri Kendriya Vidyalaya No. 1 AFS Samba, on 25th Nov 2023.

Student Accomplishments

- **Ms Srushti S. Marihal (left)** from the 1st year Civil Engineering branch and **Mr Shreyas (right)** from Information Science and Engineering branch were selected for the zonal level debate competition (Kannada language) '**Speak for India**'.

- **Mr Anurag Kulkarni (left)** from the 5th semester Mechanical Engineering branch and **Mr Kartik Jadhav, 5th semester** Information Science and Engineering branch were selected for the zonal level debate competition (English language) '**Speak for India**'.

- Our esteemed prodigal student **Mr Samyak Hanamgond** from KLS Gogte Institute of Technology, Belagavi, Karnataka, India is an **UiPath Student Developer Champion !!**

- International paediatric cardiologist **Dr Vijayalakshmi Balekundri** was pleased to present the '**Balayogini Award**' for the year 2023 through her endowment to **Miss Shweta Mungarwadi** of 5th semester ECE Department.. She was presented the award at Naganoor Sri Rudrakshi Math Belagavi on 5 December 2023.

Student Accomplishments

- MCA 3rd semester students emerged as the **RUNNERS-UP** in the recent department level cricket tournament, marking their debut in the Finals. In a fiercely competitive tournament with 12 teams, the MCA team secured the 2nd spot at the end of the two-week event, culminating in the Finals on 10 November 2023.

- Student **Mr Vishal Yadav** from the 3rd semester MCA participated in the '**18th National Level Open Karate Championship 2023**' organised by A.Z Martial arts Academy India, held at Neharu Indoor Stadium Shivamogga, Karnataka on 3 September 2023 and **secured 1st place** in Kumite and **3rd place in Kata in 70kg above 19 years category**. He had participated in the '**8th National Invitation Karate Championship 2023**' organised by Shine Sports Karate Academy Laxmeshwar, held at Sulemaniya Shadi Hall Gadag, Karnataka on 22 October 2023 and **secured 1st place** in Kumite and **2nd place in Kata in 70 kg above 19 years category**. He also participated in the '**5th National Karate Competition 2023**' organised by Belgavi District Sports Karate Association held at KPTCL Hall Belgaum, Karnataka on 29 December 2023 and **secured 1st place** in Kumite and **1st place in Kata in 70 kg above 20 years category**.

Student Accomplishments

Santosh Patil won 1st Place in the event 'Perfectly Planned'

Rahul Patil, Prasanna, Dhaduti, Sunil Lamani, Shivanand Agasar, Nidhi Shirol, Prajwal Patat won 2nd Place in the event 'Chase the Cherish'

Prajwal Patat, Nidhi Shirol and Shivanand Agasar won 2nd place in the event 'Grade the Water'.

- **NIRMAANA ISCE 2023** is the Annual Technical Symposia of Department of Civil Engineering at BMS College of Engineering, Bengaluru every year exclusively for Civil Engineering students. This time the event was scheduled for 3 Days from 8 December 2023 to 10 December 2023.
- Students from 5th Semester, Civil Engineering had participated and won 3 Prizes worth Rs. 37,000/-

- **Ms Abhidnya Halagi** from the 5th semester, Civil Engineering attended a pre-Republic Day parade camp in **Cauvery College for Women**, Trichy, Tamil Nadu.

Poem by Ms Sanchita Shetty,
8th semester,
Department of Architecture

Cherished Eyes

In the aroma of the beauty
I was drawn in
To have a glimpse
And cherish my eyes

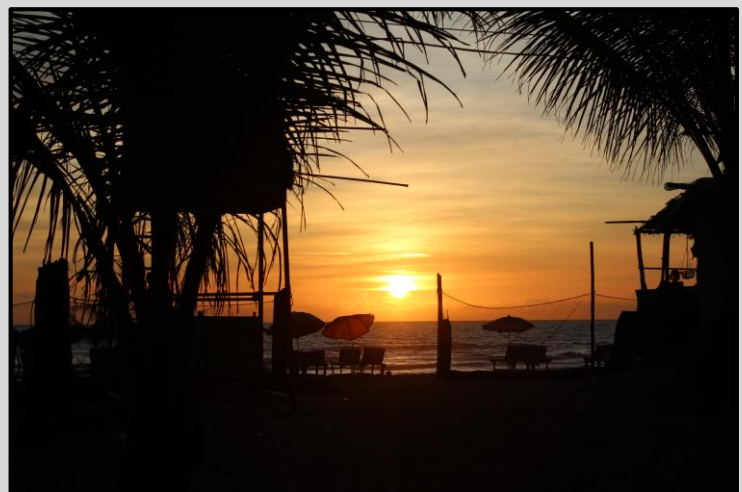

Lightened up lights
A divine peace, authenticity
And a soothing silence
Dragged me in it.

Which was all about
Eve of the fest
The fest of happiness
And that's what Dussehra.

On that day I was actually born
Reborn again
I overtook all the pleasure
Of being a part of celebration.

1st semester,
Department of Computer Science engineering

Pop Art workshop

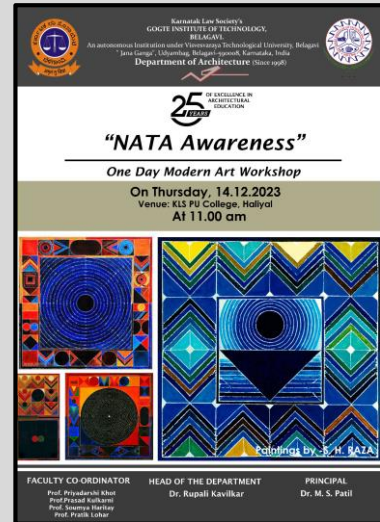

The Department of Architecture at KLS GIT Belgaum recently organised an enlightening outreach programme at St. Paul's College, exclusively tailored for Pre-University (PUC-2) students. The event, 'Pop Art workshop' was a dynamic initiative designed to introduce these young minds to the captivating world of architecture and design.

During the event, students were not only passive observers but active participants, engaging in discussions, asking questions, and gaining insights into the multifaceted field of architecture.

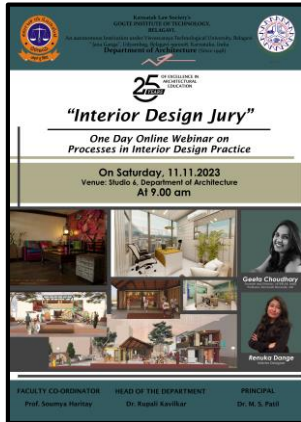

NATA awareness program

As a part of NATA awareness programme faculty of Department of Architecture conducted 'NATA Awareness session and one day workshop on Modern Art' in KLS PU college, Haliyal. 170 students participated in the event.

One Day online Webinar and Interior Design External Jury

'One Day online Webinar and Interior Design External Jury' for the 9th semester Architecture students was conducted on 11 November 2023.

To encourage students to become aware contemporary interior design practice and get valuable feedback for interior design project. It help students develop critical thinking by providing opportunities to explore and learn about interior detailing at different levels and develop a greater understanding of the importance of Processes in Interior Design Practice.

Live Case study and Design walk

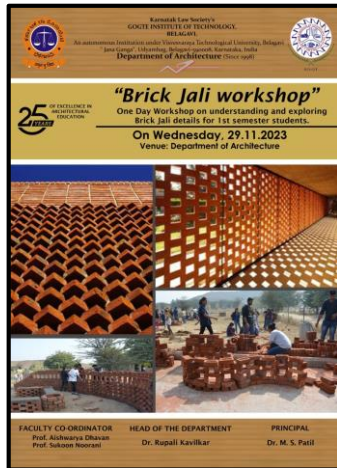

'Live Case study and Design walk of a residence' in Vidyanagar, Hubli designed by Ar. Sandeep Harpanhalli was conducted for 1st semester Architecture students as a part of Monospaces and Residential Design Studio on 25 November 2023.

The session provided a thematic overview of sustainability and green buildings, and emphasized on the concepts, practices and principles of sustainability related to build environment which they can use in their academic design projects.

Students got an insight into different building construction materials and how the various components can be made using alternate building techniques.

Brick Jali Workshop

'Brick Jali Workshop' was conducted as part of the Building construction & material- I subject for 1st semester to give insight of hands-on skills in crafting and traditional craftsmanship.

Students were exposed to different teaching methods for creating intricate designs using bricks..

The workshop was conducted to focus on the art of creating intricate lattice-like structures using bricks, teaching students traditional techniques, design principles in crafting these decorative architectural elements.

'JANANAM' - Workshop on Music and Drama

'JANANAM'- Workshop on Music and Drama was conducted as part of the Club Activity for 1st semester to explore their artistic talents in a supportive environment. Students were exposed to the depths of emotions through theatrical and musical avenues by **Dr Sandhya Deshpande**.

The workshop was conducted to enrich their creative expression, refining performance skills, fostering collaboration and teamwork, gaining confidence in public speaking and presentation.

Students of Ankur School RC Nagar being engaged in activities

Association of Electronics Engineers (AEE), organised an 'Art Therapy' event on 26 December 2023 at Science Park Tilakwadi Belagavi, where 30 participants from 1st, 3rd and 5th semester ECE department along with AEE coordinators collaborated with the differently abled children from Ankur School, RC Nagar. Engaging in various activities like crafts, dance, and storytelling, the participants created a joyful and memorable experience for the children, who thoroughly enjoyed their time together.

Association of Electronics Engineers - (AEE)
has arranged a
Technical Talk
by
"Dr. Vikas Balikai"
HCL Tech, Hubballi
on
"The Trends and Challenges in the Design of Analog / Digital Electronics and Embedded Systems"

Date: 30th December, 2023 **Time: 11 AM to 1.30 PM**

Faculty Conveners Prof. Giridhar S. Sudi Prof. Prasanna D. Kulkarni	AEE Coordinators Dr. Anupama S. Awati Prof. Abhishek Deshmukh	H.O.D. Dr. Supriya S. Shanbhag	Principal Dr. M. S. Patil
--	--	--	-------------------------------------

Association of Electronics Engineers (AEE), organised an expert talk by **Dr Vikas Balikai**, assisted by **Prof. Giriraj Sudi** and **Prof. Prasanna Kulkarni**. This technical talk, exclusively for 3rd semester students, delved into the dynamic realms of **'The trends and Challenges in the design of Analog/digital Electronics and embedded systems'**. The talk addressed current trends and also navigated the challenges inherent in these domains.

A session on '**Organic manure preparation**' by **Dr Aarti Bhandare** of **Amoolya Boondh Foundation** was organised by the **Association of Electronics Engineers (AEE)**, Department of Electronics and Communication Engineering, KLS GIT on 15 December 2023. This activity was a part of Social Connect subject for 3rd semester students. **Dr Anupama Awati**, **Prof. Abhishek Deshmukh** and **Prof. Santosh Kulkarni** coordinated the event.

An expert talk was organised by the **Department of ECE** on 9 December 2023.. Resource person was **Mr Renjith C. V.**, Electrical Architect/Digital Lead at PHILIPS India Bengaluru. He has over 21 years of experience in end-to-end electronics product/hardware design and development. His talk was on the topic '**Medical Device Design and Career Paths for ECE Engineers**'.

On 24 July 2023, **Association of Electronics Engineers (AEE)** organised an event on placement talk wherein we invited our senior **Ms Sanjitha Bhat** to give her insights on placement preparation and her journey throughout this placement process. It was a very enthusiastic and enlightening session in which everyone gained a lot of useful information. We also had a question answer session at the end of the talk.

As an initiative for betterment of the future by saving rainwater and utilizing it for various household chores, **Association of Electronics Engineers (AEE)** organised an event where students had to come up with unique ideas to store the rainwater using basic equipment's and make a digital poster. Only a few groups with the best ideas were shortlisted and had to present the posters to the villagers and explain to them the methods through which they can save the rainwater. The AEE team arranged a visit to a nearby village and it was a wonderful experience interacting with the elders and also the youngsters. Through this event we were able to generate awareness among the people.

IEEE AESS inauguration was held on 23 November 2023. **Mr Rahul Patil** CEO of SARUS Aerospace was the chief guest. Inauguration of IEEE AESS chapter was done by unwrapping of the banner of IEEE AESS Students chapter by all invited dignitaries. It was followed by Release of e-magazine of IEEE AESS and then we had the prize distribution for the various events organised by IEEE AESS.

The Department of Aeronautical Engineering arranged an expert talk by **Mr Nidhi Vasavan** on 23 September 2023.

The Department of Aeronautical Engineering conducted '**Model Making Event**' under IEEE AESS from 4 October 2023 – 10 October 2023.

The Department of Aeronautical Engineering took the third year students with 2 faculties for an industry visit to **Aequus Pvt Ltd** on 15 December 2023.

The Department of Aeronautical Engineering conducted the **Glider Workshop** under IEEE AESS on 14 November 2023.

The Department of Aeronautical Engineering took the final year students with 2 faculties to **Belagavi Airport** on 11 November 2023.

An Expert Talk was delivered by **Miss Poonam Hoshilkar**, Structural Design Engineer at Zamil Steel Buildings India Pvt Ltd on '**STAAD 2D PEB Frame Modelling Guidelines**' on 25 November 2023.

Dr Raviraj M. Kulkarni HoD Chemistry Department, **Dr P. S. Kaujalagi**, **Dr S. A. Malladi** and **Dr R. C Kulkarni** visited KRCRS school, Jamboti as a part social connect through field visit by 3rd semester B.Sc. (Hons) programme.

Department of Aeronautical Engineering conducted **Throw Ball and Cricket tournament** on 25 November 2023 under the banner of Aeronautical Pioneer League.

Mr P. V. Tergundi organised and conducted 5 days workshop on '**Android Programming**' from 12 December - 16 December 2023.

Dr R. S. Patil and **Prof. Namitha Bhat** organised an event for the commencement of '**ACE-CSI Club activities**' as a part of the vibrant celebration of '**Freshers' Day**' on 23 December 2023.

Prof. Namitha Bhatt coordinated '**Smart India Hackathon (SIH) 2023 , Grand Finale**' for 2 days at Bhopal, Madhya Pradesh, India.

Dr Sharada Kori, Prof. Namitha Bhatt and Prof. Veena K. had organised one week workshop on '**IOT and Machine Learning**' for students, from 18 December 2023 - 23 December 2023.

Dr Sharada Kori and Prof. Shubhada S. Kulkarni organised one day workshop on '**An industry expert guide to an embedded systems**' on 29 December 2023. **Mr Chandrakant B.,** Senior Lead Hardware Architect, Collins Aerospace, Bengaluru was the resource person.

Prof. Kavita Hanabaratti and Prof. Amruta Deshpande had organised an industry expert talk for first year students on the topic '**An Industry-Oriented perspective on the practical application and uses of the C programming language ... a walkthrough**' on 30 December 2023 by **Mr Anil Joshi,** Team Leader, Renaissance, Bangalore.

Prof. Pankaja Kadalagi and **Prof. Sudha Salake** organised an expert talk on the topic '**Mastering the art of programming: Unleashing the power of syntax and logic**' on 23 December 2023 for the first year students. **Mr Venkatesh Dhongadi**, Software Developer, Palo Alto Networks , Bangalore was the resource person.

Dr Sharada Kori, **Prof. Namitha Bhatt** and **Prof. Veena K.** organised an Industry visit on 30 December 2023 for the CSE students at '**Grihalaxmi Metal Industries**' to gain practical insights into automation technologies in metal manufacturing.

Dr Sharada Kori and **Prof. Shubhada S. Kulkarni** had organised one day workshop on '**An industry expert guide to an embedded systems**' on 29 December 2023. **Mr Chandrakant B.**, Senior Lead Hardware Architect, Collins Aerospace, Bengaluru was the resource person.

The '**3i Ecosystem**' blends Industry and Institute, thriving as a partnership between KLS GIT, Belagavi, and Creintors, Belagavi. This partnership has successfully engaged various engineering departments, and students of MBA, and MCA so far.

'3i Ecosystem' collaboration between KLS GIT and Creintors

Creintors introduced elective courses for multidisciplinary students from the 5th to 7th semester, providing complete theoretical and practical learning experiences, benefitting 117 students in subjects like '**PLC and SCADA**', '**Automation and Robotics**', and '**AI/IoT**'. These students gain practical exposure at Creintors, with some getting Internships and some being included in In-house projects.

Additionally, MBA students gained HR and Financial insights through Internships, fostering experiential learning.

Valves and Actuators, a professional elective has been introduced for the students of the Mechanical Department, and spans from the 5th to 7th semesters, providing a comprehensive understanding.

'Valves and actuators' session conducted at Creintors, Waghawade, Belagavi

An Industrial tour was organised at Creintors where 80 students were grouped into 33 teams who addressed the Industry challenges, and they presented their findings at GIT's '**Ideathon**'. They also presented a talk on '**Innovative Waste Management**' at the '**Productathon**' in December 2023.

These activities were mentored by faculty including Mrs Vedanjali Govekar, Mr Sagar Kavadi, Mr Shivakumar Pakhare, and Mr Parag Bilgi,

Creintors hosted a ceremonial certification for the first batch of students opting for these electives in April 2023.

The esteemed faculty team at Creintors led by **Mr Neelesh Chougule, Mrs Disha Chougule, Mrs Aishwarya Pavashe, Mrs Vedanjali Govekar, Mr Rohit, Mr Anil Salaskar, Mr Nikhil Haval**, and supported by **Mr Suryaji Vichare**, guided the students, fostering adaptability and resilience essential for navigating today's industries.

The '**3i Ecosystem**' seamlessly merges academia with industry, nurturing forward-thinking professionals prepared to address real-world challenges and drive impactful change across sectors.

Felicitation and Certification Ceremony of the first batch of students

KLS GIT students attending a session at Creintors, Belagavi

रोटरी क्लब-ब्लड सेंटरतर्फे रक्तदान शिबिर

प्रतिनिधी

बेळगाव

रोटरी क्लब मिडटाऊन व बेळगाव ब्लड सेंटर यांच्यावतीने जीआयटीमध्ये दि. ९ रोजी रक्तदान शिबिर घेण्यात आले. शिबिराचे उद्घाटन प्राचार्य एम. एस. पाटील व ब्लड सेंटरचे कार्यकारी संचालक गिरीश बुदरीकट्टी, डॉ. विजय पूजार व रोटरीचे अध्यक्ष सतीश नाईक यांच्या हस्ते करण्यात आले.

यावेळी डॉ. विजय पूजार म्हणाले, रक्तदान केल्याने हृदयविकाराचा धोका कमी होतो. शरीरातील

रक्तदान करताना विद्यार्थी.

कोलेस्ट्रॉल संतुलित राहते. रक्त तयार करता येत नाही. त्यामुळे जेव्हा आपण रक्तदान करण्यासाठी पुढे येवू तेव्हाच रुग्णांचा जीव

वाचविण्यास आपली मदत होईल. त्यासाठी रक्तदान करणे आवश्यक आहे. शिबिरात १५० विद्यार्थ्यांनी रक्तदान केले.

Expert inspires GIT students to pursue career in cybersecurity

The Hindu Bureau
BELAGAVI

Cybercrime expert Shrinivas Kulkarni, who has worked with various international organisations, delivered a special lecture for the students of KLS Gogte Institute of Technology (GIT) in Belagavi on Wednesday.

Dr. Kulkarni, a professor and Head of Cybersecurity Applied Research at McMaster University and Mohawk College in Canada, spoke of various aspects of cybercrime. His talk shed light on the latest

trends, challenges and preventive measures.

He inspired students to pursue careers in the ever-evolving field of cybersecurity. As cyber threats continue to grow in complexity and scale, sessions like these play a crucial role in preparing the next generation of professionals to combat digital challenges on a global scale, he said.

He also spoke on the essential requirements for success in life encompassing both explicit and implicit aspects for any aspiring individual.

Head of Department Kiran K. Tangod said that Dr. Kulkarni's expertise extended beyond academia, as he continues to serve as a consultant for prominent law enforcement agencies across the world such as the FBI and other agencies in Europe, including Europol, the European Union Agency for Law Enforcement Cooperation.

Principal M.S. Patil facilitated the speaker.

Faculty members Sudhindra B. Deshpande, Prasanna Kulkarni and students and staff were present, said a release.

KLS's Gogte Institute Of Technology On The Pathway To Excellence

Founded in 1929 by distinguished lawyers, visionaries, and freedom fighters from North Karnataka, the Karnataka Law Society (KLS) established its Law College in the same region. Today, KLS is a renowned institution running schools of Law, Engineering, and Management Education, earning a reputation as a leading educational entity in Karnataka.

Advertisement for KLS Gogte Institute of Technology featuring images of the building, a 3D printer, and a structural engineering lab. Text describes the institute's history, infrastructure, and various programs like M.Tech in Machine Design and Digital Communication.

The course curriculum, designed in collaboration with experts from IBM, Accenture, IIT Bombay, Central University Hyderabad, and students of KLS Gogte Institute of Technology, emphasizes cutting-edge technologies like AI/ML, Data Science, and Robotics. Graduates benefit from holistic development activities, leading to successful placements in top IT industries even before completing their final semester.
